ROTARY NEWS

UNITE FOR GOOD

R.I Theme RY 2025-2026

Mark Daniel Maloney
Trustee Chair 2024-25

February 2025

By some measures, great progress has been made in building more peaceful societies around the world. Yet the reality of ongoing regional wars, skirmishes, and violence globally reminds us how far we still

have to go. These conflicts affect the humanity of us all, whether they occur far from us or in our own communities.

So, what can Rotary do to build peace?

As a global force for peace and conflict prevention, Rotary addresses the root causes of conflict. Our role at the 1945 United Nations charter is a testament to this enduring commitment.

Another cornerstone of this work is the Rotary Peace Centers program. Through The Rotary Foundation, these seven centers provide fully funded fellowships, empowering individuals to address the complex challenges of conflict and development.

More than 1,800 alumni now work in over 140 countries as champions of peace, creating lasting change in their communities. Consider alumni like Pablo Cuevas, a 2015 peace fellow who leads the Paraguay office of the International Organization for Migration, aiding those displaced by crises. Leni Kinzli, a 2023 graduate, advocates for Sudan's humanitarian needs with the United Nations World Food Programme. Yuki Daizumoto, a 2007 peace fellow, supports life-changing agricultural and livelihood projects in Afghanistan with the Japan International Cooperation Agency. These individuals embody Rotary's investment in peace.

This month, the Foundation Trustees will consider a plan to establish our eighth Rotary Peace Center, in Asia, as part of our vision to have peace centers on every inhabited continent by 2030.

But our commitment extends beyond the peace centers. Through Rotary's partnership with the Institute for Economics and Peace, we have trained over 300 Positive Peace Activators from 60 countries. Our forgiveness and social cohesion curricula help members heal communities. Through our Foundation grants and service, Rotary members are fostering peace by engaging with youths, strengthening civil society, and resolving core issues that can lead to conflict.

At President Stephanie Urchick's Peace Conference in Istanbul this month, we will celebrate this work and the first class of the Otto and Fran Walter Rotary Peace Center at Bahçeşehir University.

Remember that you are also ambassadors of peace through service projects, exchange programs, and as supporters of The Rotary Foundation.

My wish for 2025 is for peace to take root and flourish ever more widely, with Rotary playing an increasingly meaningful role in that noble pursuit.
