*Today's programme
Past President's Nite*

EDITORIAL

The organisation celebrates Past President's Nite to honour the contribution and guidance of former club presidents. All the past leader's sacrifices, efforts, commitments, and dedication must be revisited and recognised. Each past president brought strength and made meaningful contribution to mould the club in better direction. The leadership was not about guiding us through a specific term but for a strong lasting foundation for service, fellowship, and progress. The experiences shared by them are the club's history and tradition. The event brings all the past and present members together which builds unity and make them feel like a family. Each of them has left an incredible mark, and their legacy inspire us and help us to shape the future.

Today let's cherish their memories, honour their contribution, and acknowledge their past achievements.
