Today's Programme- "Decisions with Heart: Mastering Emotional Intelligence for Smarter Choices"

Editorial

Emotional intelligence plays a vital role in making smarter choices, as it helps individuals understand, manage, and express their emotions effectively while respecting the feelings of others. A seminar on Emotional Intelligence for Smarter Choices is organised by the Rotary Club of Cuttack as an enriching learning session the members. The session will happen under the guidance of the esteemed speaker, Shradha Padhi, who is known for her insightful and practical approach to personal development. Through this session, participants will learn how emotional awareness influences decision-making, relationships, and leadership skills. The seminar will focus on recognising emotions, handling stress, improving empathy, and responding thoughtfully rather than reacting impulsively. Such learning experiences encourage self-reflection and emotional balance, which are essential for making wise choices in academics, careers, and daily life. Overall, the session promises to be an inspiring and meaningful step toward personal growth and emotional maturity.

Guest Speaker

Shradha Padhi is a seasoned Talent Development Consultant, HR Strategist, and Executive Coach with deep expertise across the talent lifecycle—from students and early-career professionals to senior leaders and CXOs. She specializes in leadership assessment, capability building, succession planning, and organizational readiness, helping organizations create inclusive, future-ready talent pipelines. Her experience spans competency-based Assessment & Development Centers, leadership readiness diagnostics, and development interventions across IT, mining, finance, and education sectors. A strong advocate of Diversity, Equity, and Inclusion (DEI), she embeds inclusive leadership and fair talent practices into organizational frameworks.

She also brings extensive expertise in POSH (Prevention of Sexual Harassment), supporting policy design, awareness programs, and compliant governance for safe workplaces.

She holds a PhD in General Management, is a certified coach and NLP Master Trainer, and has international exposure across the US, South Africa, UAE, and Europe.
