Annual function of Rotary
Centre & Play School*

EDITORIAL

Play schools are the gateway to education world. The young minds learn behaviour, basic education, and manners from these schools in a safe and fun educational environment. Play schools emphasise on activities, storytelling, music and games which are needed for the growth of children. It prepares the little ones to be social, physically and mentally strong, create confidence and enthusiasm to explore. These schools organise annual function to project the talents of the little children through their performances. It is the appreciation of creativity, learning, and community spirit in the early years of education. These programs help parents to bond the teachers, parents and management to interact with each other in a lighter environment. The certificates and prizes motivate the children to excel in their talents and hobbies.

Today let us boost confidence and celebrate the growth of Rotary Play School where every little step makes an achievement.
