Talk on Membership & Club
development*

*“Rotary is an opportunity
to build bridges of under-
standing and friendship
across borders and cul-
tures.”*

*Paul Harris
Founder of Rotary*

EDITORIAL

In today's world though there are so many groups on WhatsApp, Facebook and Instagram people are still suffering from loneliness especially the adults. The interaction with people can waive this loneliness. These interactions can be initiated by organizations and clubs if individuals don't want to socialize. The friendship of adults and teenagers can be a good initiative. They have generational differences. The intergenerational interaction may lead to disagreements because of the differences but this can solve the purpose of meet, talk and express to eradicate loneliness. The adults and youngsters can have a chance to meet each other. These types of programs will make them aware of other generations' feelings, ideas, and demands. They should be reciprocal to each other by giving and receiving.

Rotary Club of Cuttack can be an example of this program. The club has a diverse group of members from the age group of 80s to 20s. The

divergent generations have different opinions but they work together towards the betterment of the society. The adults guide and express their years of experiences and the youngsters try to grasp from them. The youngsters are more enthusiastic, eager and physically fit than the adults. That being so the older generation relies on the younger ones. This way the club integrates in a very effective way and not in a stereo typical method to meet the goal. So, now we can add one more word “Generation” to the above quotation: Boarders, cultures and Generations.

Secretary**

UNDERSTAND CLUB MODELS:

TYPES OF CLUBS

1. Rotary clubs
2. Rotaract clubs
3. Satellite clubs (of both Rotary and Rotaract clubs)

FORMAT OF THE CLUBS:

1. Physical meetings.
2. Virtual meetings
3. Hybrid clubs (which meet both physically and Virtually)

NEW CLUB MODELS OF ROTARY CLUB:

1. Traditional club - meets at least twice a month in traditional fashion like Speaker meeting, Classification talk meeting, Fellowship, Friendship, Meal etc.
2. Cause based club - working mainly for a cause like Eco club - tree planting, soil preservation, pollution control, waste management etc.
3. Interest based club - interested in a particular aspect of life like Anti-drug trafficking aimed at a drug-free society
4. Service based club - meets twice a month, discusses about a service or does a service project (interestingly most of our Indian clubs will fall into this

category because these clubs do only community service projects and feel that Rotary is all about this only)

5. Alumni based clubs - Foundation alumni like GSE, University teachers, Scholarship awardees, International volunteers, V.T.T and Programme alumni like Interact, Rotaract, RYLA, Youth Exchange, Friendship Exchange and RCC.

6. International clubs - meet virtually (E - clubs) and they have members from different countries. Most of our E- clubs do not function well because they do not have a common denominator like speaking the same language in different countries or the roots are from a particular region. The thoughts, ideas and service areas must coincide.

7. Passport clubs - Most of the members travel extensively and attend Rotary meetings wherever they go. They will do projects in the places of their visits or locally.

8. Corporate clubs - All of them or most of them work under a corporate entity or a company, but doing different vocations related to the company.

BIRTHDAYS

04.08 Rtn. Purna Chandra Dash

05.08 Rtn. Kotni Bhaskar Rao
