THE MAGICIANS OF ROTARY!

Rotary is a global network of community leaders who come together to create positive change. The "magic" of Rotary lies in its ability to bring people together, foster meaningful connections, and drive impactful projects. Some aspects of the "magic" of Rotary are strong relationships and friendships, fellowship, diversity, different professions and backgrounds, community impact, leadership development, international community etc and many more.

Rotarians are indeed magicians in their own right, conjuring up positive change and making a real difference in the world. Here are some ways Rotarians can be seen as magicians. With a flick of their wrists, Rotarians transform communities, empowering individuals and creating opportunities. Rotarians make the impossible things possible. Through their collective efforts, Rotarians tackle seemingly insurmountable challenges, achieving remarkable results. Rotarians connect people, ideas, and resources, creating a powerful network that spans the globe. In the face of adversity, Rotarians bring light, optimism, and resilience, inspiring others to do the same. Rotarians are masters of creative problem-solving, finding innovative solutions to complex issues. Rotarians leave a lasting legacy. Like skilled illusionists, Rotarians create a lasting impact, leaving a trail of positivity that endures long after they're gone.

Some notable "magicians" of Rotary are Paul Harris, the founder of Rotary, who conjured up a global movement; Rotary Peace Fellows, who weave their magic to create a more peaceful world; Rotary project leaders, who transform communities with their innovative ideas. Here I am introducing you the magicians of Rotary who are leading our Rotary Club Aurangabad Central, Our District 3132 and Rotary International for the Rotary Year 2024-25.

नदी पात्राच्या बाजूला रोटरीचा 'जलधारा प्रकल्प'

पृथा वीर, छत्रपती संभाजीनगर

नदीकाठी वृक्षसंपदा लावून नदीचे पाणी वाहू नये म्हणून जमिनीची धूप थांबवण्यासाठी रोटरी क्लब 'जलधारा' प्रकल्प राबवित आहे. या प्रकल्पांतर्गत वैजापूर तालुक्यातील बाभूळतेल आणि लगतच्या नायगव्हाण गावात रोटरीने ग्रामस्थ आणि स्वयंसेवी संस्थेच्या मदतीने देसी झाडे लावली. या झाडांची काळजी व संगोपन स्वयंसेवी संस्था आणि ग्रामस्थ करणार असून पाझर तलावाच्या बाजूला असलेल्या चराच्या बाजूला झाडे लावण्यात आली.

शहरात वेगवेगळ्या प्रकल्पांवर काम करणाऱ्या रोटरी क्लबने आता ग्रामीण भागात काम करण्यासाठी पुढाकार घेतला आहे. गावांचा शाश्वत विकास म्हणून रोटरी क्लबने जलधारा प्रकल्पाद्वारे इथल्या डेकू नदी पात्राच्या बाजूला शुक्रवारी वृक्षारोपण केले. रोटरी क्लब, रोटरी इलाईट, रोटरी मिडटाऊन, रोटरी मेट्रो, रोटरी कॅन्टोन्मेन्ट, रोटरी सेंट्रल, रोटरी ईस्ट, रोटरी वेस्ट या क्लबने मिळून एक हजार झाडे दिली. संपूर्ण जिल्ह्यात दहा हजार झाडे लावण्यात येणार आहे. या वेळी रोटरीने सर्वप्रथम बाभूळतेलच्या ग्रामस्थांशी संवाद साधला. रोटरीच्या असिस्टंट गव्हर्नर स्वाती स्मार्त आणि प्रमोद सावंत, मिडटाऊनचे अध्यक्ष उल्हास मराठे, रोटरी क्लबचे रूस्तम तुपे, इलाईट क्लबचे अध्यक्ष चंद्रकांत भयवाल, अशोक देवरे, हसमुख सोमय्या, रामेश्वर पवार, दिव्या मराठे, मनोज देशमुख, भालचंद्र अत्रे, अपर्णा कुलकर्णी उपस्थित होत्या.

बाभूळतेलचे सरपंच अनिल कुळधर, उपसरपंच सुरेश काटे, शिवनाथ दारवंटे, ग्रामसेवक योगेश खांडगवरे, मराठवाडा ग्रामीण विकास संस्थेचे प्रकल्प समन्वयक ओंकार उगले, समूह संघटक संदीप जाधव, नायगव्हाणचे ग्रामस्थ अंबादास खोचे, पोलिस पाटील काशाबाई साईनाथ सोनवणे यांनी गावांची वैशिष्ट्ये सांगितली. १९६० लोकसंख्या असलेल्या बाभूळतेल गाव, ३९८ लोकसंख्या असलेल्या नायगव्हाण ही गाव दुष्काळी भागातच मोडतात. दोन वर्षांपूर्वी इथे कापूस, मका अशी खरीप पीक घेतली जायची.

शासकीय योजनांचा लाभ घेत ग्रामपंचायत, ग्रामस्थ आणि मराठवाडा ग्रामीण विकास संस्था मिळून बाभूळतेल

आणि नायगव्हाण गाव हद्दीतील डेकू नदीचे मे २०२१ पासून खोलीकरण व रुंदीकरणाचे काम सुरू केले. पूर्वी नदीला पूर आल्यावर पाणी शेतात शिरायचे आणि नुकसान व्हायचे. नंतर पाणी पातळी कमी असायची. यामुळे नदी

पात्राच्या बाजूला पाझर तलाव बांधून चरे करण्यात आले. यामुळे आता आसपासच्या गावातील पाणी पातळी वाढली. भूजल पुनर्भरण झाले आणि गावाच्या पीक पद्धतीत बदल झाला. पूर्वी ४० किलो क्विंटल कांद्यावरून गाव आता ३५० क्विंटल कांदा पीक घेते. तर ८० एकर असणाऱ्या गव्हाचे क्षेत्र ३०० एकरवर पोचले. ग्रामपंचायतीच्या विहिरीची पाणी पातळी वाढली.

पाझर तलावा पाणीसाठी बाष्पीभवनामुळे वाया जावू नये म्हणून गावकऱ्यांच्या मागणीप्रमाणे रोटरीने नदी आणि तलावाच्या बाजूला जलधारा प्रकल्प राबवला. जैवविविधता जपण्यासाठी देशी झाडांची लागवड करताना जमिनीत पाणी साठवून ठेवणारी आणि जमिनीचा कस वाढवणाऱ्या झाडांची यात निवड झाली. या प्रकल्पाच्या निमित्ताने शहर आणि गाव यातले अंतर कमी होण्यास सुरुवात झाली. केवळ शेती नव्हे, तर जलसंधारण कामाने गावातील महिला मोठ्या संख्येने एकत्र आल्या. शेतीशी संबंधित व्यवसाय विशेषतः कुक्कुटपालनसारखा प्रकल्प महिला राबवत आहे. रोटरीने ग्रामस्थांना कौतुकाची थाप दिली आणि मराठवाडा ग्रामीण विकास संस्थेलाही बळ मिळाले.

ROTARY DAY CELEBRATION

23-Feb 2023

Friday 23rd February is World Rotary Day. This year we are celebrating 119 years of Rotary. Rotary is an institution of individuals united throughout the world to provide humanitarian assistance, transforming people's lives and bringing people together to make a difference to our communities. Rotary is working with the World Health organization to eradicate Polio.

The Rotary Day is also called as World Understanding and Peace Day. However, the ground reality is that this day in 2024 has been marking two years of war in Ukrain. This sad reality suggests us that though We have come a long way since the inception of Rotary in 1905, we still have a long way to go to achieve goodwill, peace, and understanding among all people of the world.

Rotary day was celebrated on 23 rd Feb 24 by our Rotary Club of Aurangabad Central in association with other Rotary Clubs in the city. PDG Praful Mirajgaonkar, PDG Suhas Vaidya, DGN Dr Suresh Sabu were present on this occasion.

ROTARY KI PATHSHALA

16-June 2024

Though many of the government schools provide basic amenities, their conditions are not up to the mark. They lack proper infrastructure, facilities and a good learning environment. Most of the students come from economically weak backgrounds. The school does not charge any tuition fees. Lack of financial resources is the most significant challenge that prevents such schools from undertaking infrastructure upgradation on their own. The schools rely on Government aid and the generosity of donors to address these challenges. However, continuing paucity of funds over long periods has been leading to severe degradation in quality of education. As a consequence of this, the students lack willingness, motivation and interest in learning. To transform such schools into finer schools of higher quality, our club undertook a project called as "ROTARY KI PATHSHALA" under the advocacy of Rotary International District (RID) 3132 and Rotary India Literacy Mission (RILM). RID 3132 provided our club cupboards and books to establish libraries in some schools located in remote villages. To strengthen the infrastructure in schools further, we decided to focus our attention and efforts on upgrading the schools by providing them furniture and equipment. Besides support from District Grant, our club also got support from Ratna Nidh Foundation and CSR funds from Kalika Steel Jalna to make the schools happier. Ratna Nidhi Foundation provided library cupboards for 14 schools. Kalika Steel Jalna provided library cupboards for 10 schools through their CSR funds. On 16th June 2024, library cupboards, books and other furniture were dedicated to schools by club President Rtn Rustum Tupe. Project chairman Rtn Uddhav Shirsat guided the students and school staff about the proper utilization of the facilities provided by our club. Many of the Rotarians and people from village were present on this occasion.
