Session by Rtn Dr. Shripad Kausadikar on the Topic - Cancer; Myths & Misconceptions

Rtn Dr. Shripad Kausadikar, an esteemed medical professional, recently delivered an enlightening session on the complex subject of cancer, focusing specifically on the numerous myths and misconceptions that surround this serious disease. Dr. Kausadikar's comprehensive presentation aimed to dispel the inaccurate beliefs and erroneous assumptions that many individuals hold regarding cancer, its causes, prevention, and treatment options. By providing factual, evidence-based information, the doctor sought to empower attendees with a clearer understanding of the realities of cancer. The session delved into various common myths, such as the belief that cancer is contagious, that it is always hereditary, or that certain foods or substances can definitively cause or cure cancer. Dr. Kausadikar meticulously addressed each misconception, citing scientific research and medical data to substantiate his explanations. Moreover, he emphasized the importance of early detection, regular screenings, and prompt medical attention in improving cancer outcomes, while also highlighting the significant advancements made in cancer treatment over recent years. The session served as a valuable opportunity for participants to ask questions, clarify doubts, and gain a more accurate perspective on this often misunderstood disease.

Rotary School of Leadership

Session on Leadership & Communication

by Rtn. Amita Bindra

The Rotary Club of Aurangabad East, in collaboration with the Rotaract Club of Wockhardt Global School, is proud to present a Rotary School of Leadership (RSL) session focused on the crucial topics of Leadership & Communication. This informative & engaging event will feature esteemed speaker Rtn. Amita Bindra, who brings a wealth of experience & expertise to the subject matter. Attendees can expect to gain valuable insights into the fundamental principles & best practices of effective leadership & communication within organizational contexts. The session aims to equip participants with the knowledge & skills necessary to become influential leaders who can inspire, motivate, & guide their teams towards success. Through a combination of theoretical concepts & practical examples, Rtn. Amita Bindra will delve into various aspects of leadership, including vision-setting, decision-making, problem-solving, & team management. Additionally, the importance of clear, concise, & persuasive communication will be emphasized, as it plays a pivotal role in building trust, fostering collaboration, & driving positive change. This RSL session promises to be an enlightening experience for professionals, students, & individuals seeking to enhance their leadership capabilities & communication skills in order to excel in their respective fields.

Three Days of Transformation

Inter District

Rotary Youth Leadership Awards

The magic of RYLA 2024 unfolded with 79 eager participants gathering at the serene and historic Ellora park. Hosted by Rotary International Districts 3132 and 3060, with the support of Rotary Club of Dhulia, Rotary Club of Aurangabad, Rotary Club of Aurangabad East, and Rotary Club of Latur Midtown, this event was destined to be special.

Excitement filled the air as everyone stood in pairs, facing one another, unsure of what the next few days would bring. The first activity was simple—changing partners and meeting someone new. But soon, what started as a simple exercise turned into meaningful conversations and connections. By the end of this first encounter, the participants and the four participating Rotary clubs had already formed a strong bond.

Building Unity and Connection

The atmosphere of RYLA was truly special. Each day brought new adventures that drew everyone closer. An inspiring session led by Devdatta Gokhale on "Fort and Leadership" taught us that just as forts stand strong on their foundations, leadership too must be built on solid values. His insights resonated deeply with all of us.

Learning Through Adaptability

Organizing RYLA came with its own set of challenges. For instance, our evening snacks weren't quite enough to satisfy everyone's hunger. But, just like true Rotarians, we quickly adjusted our plans and served more substantial food. This experience reflected our ability to adapt and think on our feet—an essential leadership quality.

Evenings of Joy and Togetherness

As the sun set, the campfire became the center of our gatherings. Surrounded by the warmth of the fire, we enjoyed music, dance, and heartfelt conversations under the starry sky. It was a beautiful reminder of the joy of togetherness and the connections we had made.

Rotary Youth Leadership Awards

Exploring the Wonders of Ellora

The next morning, we proudly wore our bright yellow RYLA shirts and set off early to explore the hidden treasures of Buddy Cave No. 10 and Kalash Cave. Guided by an expert, we marveled at the incredible architecture and the stories behind these ancient sites. It was awe-inspiring to see how our ancestors carved these wonders by hand, leaving behind a rich legacy.

Unleashing Creativity

A highlight was a session by Dr. Yogita Mahajan, a renowned film actress and professor. She encouraged us to use our imaginations in unique ways, such as creating dialogues with everyday objects. The participants also performed a powerful skit on mobile addiction, sparking reflections on modern-day challenges.

Rotary Youth Leadership Awards

Diving into the World of Cinema and Art

Participants were thrilled to visit a museum curated by art director Narendra Rahurikar, where we saw props, costumes, and film sets that brought the magic of movies to life. We also explored an Ajanta painting gallery, where an artist had spent over 50 years creating stunning replicas of the famous cave paintings. It was an inspiring experience, highlighting the dedication and passion behind art.

Talent and Celebration

The evenings were a celebration of talent and creativity. From musical performances to jokes and even a blindfold act, participants showcased their skills. The energy peaked with a lively DJ party where everyone danced the night away, celebrating the spirit of friendship and fun.

Hands-On Learning with Fort Building

One of the most interactive activities was building a model of Fort Raigad under the guidance of Rtn Suresh Sonone. Together, we created a detailed 10x10-foot replica, complete with routes, water reservoirs, and market areas. This exercise not only taught us about the importance of forts in history but also demonstrated the power of teamwork and creativity.

Wrapping Up with Gratitude and Reflection

As RYLA came to a close, certificates were awarded to all participants, recognizing their commitment and enthusiasm. The feedback session was heartwarming as everyone shared their experiences, emphasizing how much they had learned and grown over the three days. It was clear that RYLA 2024 had left a lasting impact on everyone involved.

These three days were filled with lessons on leadership, creativity, history, and, most importantly, the value of connection. RYLA 2024 reminded us that life is full of beauty, especially when we come together to learn, grow, and inspire each other.
