Todd Henry **"Die Empty"**

The author was inspired and got this idea of writing this book while attending a business meeting.

When the director asked the audience: "Where is the richest land in the world?"

One of the audience answered: "Oil-rich Gulf states."

Another added: "Diamond mines in Africa."

Then the director said: "No it is the cemetery. Yes, it is the richest land in the world, because millions of people have departed/died and they carried many valuable ideas that did not come to light nor benefit others. It is all in the cemetery where they are buried."

Inspired by this answer, Todd Henry wrote his book, "Die empty .

The most beautiful of what he said in his book is: "Do not go to your grave and carry inside you the best that you have. Always choose to die empty.

The TRUE meaning of this expression, is to die empty of all the goodness that is within you. Deliver it to the world, before you leave.

If you have an idea perform it.

If you have knowledge give it out.

If you have a goal achieve it.

Love, share and distribute, do not keep it inside.

Let's begin to give. Remove and spread every atom of goodness inside us.

Let us Die Empty 🙏

“E-Sports as a Career”

The Rotary Club of Aurangabad East, in collaboration with the Rotaract Club of Wockhardt Global School, is pleased to present an informative and thought-provoking seminar titled "E-Sports as a Career." This timely event aims to shed light on the rapidly growing field of electronic sports and the exciting career opportunities it offers to aspiring gamers and industry professionals alike. The seminar will delve into the intricacies of the e-sports ecosystem, exploring the various roles and skill sets required to succeed in this dynamic and fast-paced industry. From professional gamers and team managers to event organizers and marketing specialists, the event will showcase the diverse range of career paths available within the e-sports realm. Attendees will gain valuable insights into the competitive landscape of e-sports, including the training and dedication required to excel at the highest levels of play. The seminar will also address the business aspects of e-sports, highlighting the significant financial opportunities and sponsorship deals that have propelled the industry to new heights in recent years. Through a series of engaging presentations and interactive discussions, participants will have the opportunity to learn from industry experts, network with like-minded individuals, and gain a comprehensive understanding of the potential for building a successful and rewarding career in the world of e-sports.

“Rotary Maha Expo”

Rotary MahaExpo 2024 wasn't just an event; it was a remarkable showcase of what we can achieve when we unite. It celebrated the power of togetherness and teamwork, where every contribution, no matter how small, contributes to something truly extraordinary. This expo demonstrated the strength of self-belief, proving that when we have confidence in our abilities, we can reach new heights. Most importantly, it exemplified the principle of service above self, reminding us that our greatest successes come from uplifting others and creating opportunities for everyone. Let the spirit of MahaExpo inspire us to dream bigger, work harder, and believe in the incredible things we can accomplish together!

RCAE had 5 stalls in the Rotary Maha Expo 2024.

“The Internationality of the Rotary”

Radhika, the daughter of Rtn. Ashok Toshniwal, along with her little one, Ayra, participated in the recent Rotary Club of Fujinomiya West meeting. Rtn. Ashok Toshniwal also had the chance to join in via an online connection. It's touching to remember that Radhika was a Rotary International Youth Exchange student back in 1999, spending an entire academic year in Fujinomiya with Rtn. Nukina Eishun from the Rotary Club of Fujinomiya West. In a beautiful exchange, Master Masayuki Endow was hosted by the Rotary Club of Aurangabad East, spending six months with Rtn. Ashok Toshniwal's family and the remaining four months with other club members.

President Rtn. Toshihiro Ishikawa expressed gratitude to Radhika for her visit, showering Ayra with delightful toys. He also extended his thanks to Rtn. Ashok Toshniwal for joining the meeting online. The bond between Rtn. Ashok Toshniwal's family and Rtn. Nukina's family remains strong, with Nukina even attending Radhika's wedding. Over the last twenty years, Masayuki has often visited our home, along with his wife after their marriage.
