for the year 2025-2026 from today.

**Rtn. MADHURI SANGWIKAR**

In Rotary, we recognize ourselves as an association of equals, and the Rotary Club President is simply one of them.

I look forward to working closely with each of you to fulfill Rotary's vision. Together, as dedicated professionals, we can elevate our club's impact on our community.

My dream project for the year is adopting a **small village near Karmad**, for focusing on availability of toilets, fencing, plantation, computer education, library, and possibly solar systems under the PM Suryaghar Yojna. With your support, we can make this a landmark initiative aligned with the RI theme "Unite for Good" initiated by **RI President \*Rtn Francesco Arezzo for year 2025-2026.**

Let's stay committed—attend meetings regularly, contribute ideas, and participate actively in both club and district projects. Together, we can build a thriving Rotary year 2025-2026.

Warm Regards,
