Rotary District 3181 Charter No. 27539

VOL: 13

Dear fellow Rotarians,

We all know that November being Rotary Foundation month we Rotarians have think of contributing to the Rotary Foundation so that whatever we have gained from the Society we have to return it back in the form of money.

In 1917 then RI President Arch Klumph told the delegates to the Atlanta Convention that "it seems eminently proper that we should accept endowments for the purpose of doing good in the world." A year later the "Rotary Endowment Fund," as it was first labeled, received its first contribution of \$26.50 from the Rotary Club of Kansas City, which was the balance of the Kansas City Convention account following the 1918 annual meeting. A decade later, The Rotary Foundation was formally established at the 1928 Minneapolis Convention. In the next four years the Foundation fund grew to \$50,000. In 1937 a \$2 million goal was announced for The Rotary Foundation, but these plans were cut short and abandoned with the outbreak of World War II.

In 1947, upon the death of Paul Harris, a new era opened for the Rotary Foundation as memorial gifts poured in to honor the founder of Rotary. From that time, The Rotary Foundation has been achieving its noble objective of furthering "understanding and friendly relations between peoples of different nations." By 1954 the Foundation received for the first time a half million dollars in contributions in a single year, and in 1965 a million dollars was received.

It is staggering to imagine that from those humble beginnings, The Rotary Foundation is now receiving more than \$85 million each year for educational and humanitarian work around the world.

I request our members to attend Rotary Foundation seminar of 3181 district on 25-11-2020 at City Beach, Mangalore at 6 p.m. The very purpose of TRF seminar is to emphasis the benefits of involvement of the TRF and to explain it programs and policies. The seminar is held both in physical and online. I request those who are not able to attend offline they may log in to the Zoom Meeting ID stated in the invitation.

How traditions are born...

A new camp commander was appointed and while inspecting the place, he saw 2 soldiers guarding a bench. He went over there and asked them why do they guard it.

"We don't know. The last commander told us to do so, and so we did. It is some sort of regimental tradition!"

He searched for last commander's phone number and called him to ask him why did he want guards in this particular bench.

"I don't know. The previous commander had guards, and I kept the tradition."

Going back another 3 commanders, he found a now 100-year old retired General.

"Excuse me sir. I'm now the CO of your camp you commanded 60 years ago. I've found 2 men assigned to guard a bench. Could you please tell me more about the bench?"

"What? Is the paint still wet ?!?"
