HAPPY NEW YEAR
2024

ಸನ್ನಿತ್ಯ ರೋಟರಿ ಬಾಂಧವರೇ,

2024ನೇ ಹೊಸವರ್ಷ ನಿಮಗೆಲ್ಲರಿಗೂ ಹೊಸತನ, ಅಭಿವೃದ್ಧಿ ಮತ್ತು ಹರುಷವನ್ನು ತರುವ ಶುಭದಾಯಕ ವರುಷವಾಗಲಿ ಎಂದು ದೇವರಲ್ಲಿ ಪ್ರಾರ್ಥಿಸುತ್ತಾ, ಜನವರಿ ತಿಂಗಳ ಧೈಯ ವಾಕ್ಯ ಸೂಚಿಸುವಂತೆ, "Vocational Service" ಮಾಸವಾಗಿ ಮೂಡಿ ಬಂದಿದೆ.

ರೋಟರಿ ವರ್ಷದಲ್ಲಿ ಅರ್ಧ ವರ್ಷದ ಪ್ರಯಾಣವನ್ನು ಮುಗಿಸಿರುವ ನಾವು; ಹಿಂತಿರುಗಿ ನಮ್ಮ ಯೋಜನೆಗಳ ಅನುಷ್ಠಾನದಲ್ಲಿ ಯಾವುದಾದರೂ ಲೋಪದೋಷಗಳಿದ್ದಲ್ಲಿ ಅದರ ಪುನರಾವಲೋಕನ ಮಾಡುವ ಕಾಲ ಘಟ್ಟದಲ್ಲಿದ್ದೇವೆ. ಮುಂದಿನ ಆರುತಿಂಗಳಲ್ಲಿ ನಮ್ಮ ಆರ್ಥಿಕ ಪರಿಮಿತಿಯೊಳಗೆ ಮತ್ತು ಇತರ Corporate ಸಂಸ್ಥೆಗಳ ಸಹಯೋಗದೊಂದಿಗೆ ಅತ್ಯುತ್ತಮ ಸಮಾಜಮುಖಿ ಕಾರ್ಯಗಳನ್ನು ನಮ್ಮ ನೆರೆಕರೆಯಲ್ಲಿ ಮಾಡಲು ಪ್ರಯತ್ನಿಸೋಣ.

ನಿಮಗೂ ನಿಮ್ಮ ಕುಟುಂಬಕ್ಕೂ ಸಂಭ್ರಮದ, ಅತ್ಯಂತ ಸಂತೋಷ ಮತ್ತು ಸಮೃದ್ಧಿಯ ಹೊಸವರ್ಷವನ್ನು ಆಶಿಸುತ್ತೇನೆ.

ಎಲ್ಲರಿಗೂ ಶುಭವಾಗಲಿ,

ಯೋಗೇಶ್ ಕುಳಾಯಿ

[Rotaractor A. Disha , president of the “Rotaract Club of Govinda Dasa College” clinched the 3rd prize in the collage-making competition at “Kala Sambhrama 2k23”, an event organized by Mangalore University, in collaboration with the Directorate of Student Welfare and MAPS College, Mangalore. Here she shared some of her feelings after bagging that coveted prize.]

In the realm of artistic expression, I am elated to share the news of clinching the 3rd prize in the collage-making competition at Kala Sambhrama 2k23. This remarkable achievement unfolded within the dynamic atmosphere of the event.

The collaboration between Mangalore University, the Directorate of Student Welfare, and MAPS College added a significant layer to the event's prestige. It highlighted the importance of fostering creativity within educational institutions and supporting students in their pursuit of artistic excellence. The synergy of these entities created a space where individuals could explore their talents and contribute to the cultural vibrancy of the community.

Receiving the 3rd prize in the collage-making competition is not just a personal triumph but also a celebration of the collective spirit of creativity that permeated Kala Sambhrama 2k23.

In conclusion, my participation in the collage-making competition at Kala Sambhrama 2k23 has been a journey of self-discovery and artistic expression. The collaborative efforts of Mangalore University, the Directorate of Student Welfare, and MAPS College have provided a platform where creativity flourished.

The prize winning Colage— “Never Give up—Dream High and Get Aspiration”

What is Vocational Service?

Vocational Service is one of Rotary's Avenues of Service. Vocational Service calls every Rotarian to:

- *Aspire to high ethical standards in their occupation;*
- *Recognize the worthiness of all useful occupations, and;*
- *Contribute their vocational talents to the problems and needs of society.*

Rotarians, clubs, and districts should implement the following strategies in their support of Vocational Service:

- *Strengthen the emphasis on vocation and classification in new member recruitment and induction.*
- *Identify means of emphasizing vocation in club activities.*
- *Create a stronger emphasis on business networking with integrity in Rotary at the club and district level.*
- *Focus more attention on business networking with integrity as a means of attracting and mentoring the new generation.*
- *Emphasize the connection between the Four Way Test and the Rotary Code of Conduct (formerly called: Declaration of Rotarians in Business and Professions) and their importance to the values of Rotary.*

When professionals join a Rotary club, they do so as a representative of their classification – their particular business or profession.

Rotarians have the dual responsibility of representing their vocation within the club and exemplifying the ideals of Rotary within the workplace.

One of the central goals of Vocational Service is to promote and advance Rotary's high ethical standards. Two useful tools Rotarians have to assess these standards are The Four-Way Test and The Rotary Code of Conduct.

ROTARY CODE OF CONDUCT

As a Rotarian, I will

1. Exemplify the core value of integrity in all behaviors and activities
2. Use my vocational experience and talents to serve in Rotary
3. Conduct all of my personal, business, and professional affairs ethically, encouraging and fostering high ethical standards as an example to others
4. Be fair in all dealings with others and treat them with the respect due to them as fellow human beings
5. Promote recognition and respect for all occupations which are useful to society
6. Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community
7. Honor the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavor or reflect adversely on Rotary or fellow Rotarians
8. Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship

ROTARY

THE FOUR-WAY TEST of the things we think, say or do

first

Is it the TRUTH?

second

Is it FAIR to all concerned?

third

**Will it build GOOD WILL
and BETTER FRIENDSHIPS?**

fourth

**Will it be BENEFICIAL to
all concerned?**

10 minutes outlook

A short story of time management where 10 minutes can make a difference.

Dr Raghu and Revati , lovely couples along with two kids Kripa and kishan stays at Jardin Apartments, opposite of Surathkal market. Dr Raghu works for a prestigious Hospital at Mangalore while Revati works for private bank at Mangalore.

The daily routine of this family is drop kids near Surathkal market by 7:45 for school bus pickup and then Dr Raghu goes to his work by 8:15 reaches his hospital 5 minutes before 9:00 and Revati starts by 9:00 and reaches her bank by 9:45.

Now That sounds a perfect timetable for readers right?. But that's actually the wish list 😊😊😊.....now this is how it happens....

At 7:45 , The bus stops near the market and keeps honking and drivers calls the parents...Revati from her kitchen chores yells at kids...then the practice session for Olympic race begins 😊..... sometimes Raghu does his part...with his own grumbling words which is not heard to anyone in his apartment !!!!! 😊

Now that's done 🙌, Next you will see Dr Raghu comes out of his house at 8:25-8:30 as if he has lost millions of rupees, grabs the car from parking lot and just drives away. The watchman looking at driving skills of Dr Raghu believes that some or the other day this guy will run over somebody for sure!!!! 🙌

Finally at 9:05-9:10 you will see Revati madam coming out of the house, she locks the door...then finds that the milk and paper is still outside. Strokes her hand to forehead two to three times, Opens the door again and then keeps the paper and milk pouch in respective place, locks the door again with murmuring herself (yes you are right, it's about Raghu) and rushes down. Gets her express bus at Govinda dasa college and uffff. 😊...by the time she reaches its already 5 minutes past 10. She slips to her seat tired and exhausted already. 😊

Story continues...with Dr Raghu. He quickly rushes over to highway keeps honking as he approaches the Govinda dasa college and Vidhyadayini School area, then maneuvers his car towards whatever passage he could see in the highway like Subway surfers game 😊. As he approaches Bykampady industrial area there is further rush. It appears to Dr Raghu that every truck driver in this locality purposefully comes on his way and he keeps his legs and hands exercising on brakes and horn. Nearing Panambur he prays that the signal should open but the signal closes while he is about to exit. @#&! 😊 Comes out of his mouth watching over the red light. Now after 140 seconds it's green...hurray!!!. Now he prays that the railway crossing near MCF should not close...Prayer granted...gates are open...yo man!. 😊

Now he feels that his car should have the capability to fly over traffic especially near the Kulur bridge until Kottara !!! (May be Elon Musk has not thought about it so far...) Then shouting @#&! 🙌 at those bike and scooter riders who unconsciously over take every vehicle on road at their own will and direction .

Finally Hospital... already 10 minutes late for OPD. There is no time to gaze over the patient list.

Asks for the first patient to come in, but Dr Raghu is already exhausted in this rush hour reaching to office. And his anger on those bike rider has not cooled down completely.

His friend suggested why not add 10 minutes ahead schedule. Wake up 10 minutes early. Be ready 10 minutes early. Leave home 10 minutes early and reach office 10 minutes early.

This 10 minutes will have cushion over any road block or suddenly show stoppers which could arise.

We see everyone in hurry on road. But no one reaches on time. Dr Raghu is not alone...readers agree that they also undergo the same.

A 10 minutes early will definitely keep your adrenaline rush low, also will keep you fresh energetic until your office.

In Indian context , Just on time is never on time. So let us keep this 10 minutes early leaving, early reaching attitude.

Characters are fictional, but story is of many!!!.
