New Initiatives in Rotaract-III

Project Title: RIDE – Rotaract Inter-District Exchange

Organized by: RI Dist 3181

Participating District: RI Dist 3201, 3170, 3030 & 3055

Zones Covered: All four zones of RI Dist 3181

Conceptualized by: Rtr. Nida Fatima A B, District International Service Director, RI Dist 3181.

The RIDE (Rotaract Inter-District Exchange) programme was successfully executed as a dream project envisioned by DISD Rtr. Nida Fatima A B. For the first time, delegates from other R I Districts were called over and zones from our District 3181 individually hosted delegates across all four zones of above mentioned Districts, allowing each region the unique opportunity to facilitate and lead the hosting experience.

This initiative not only fulfilled the vision of greater inter-district collaboration but also offered an enriching platform for cultural exchange, leadership development, and meaningful bonding between Rotaractors of both districts.

Significantly, several host clubs from RID 3181 who had never previously had the opportunity to host a RIDE programme excelled in delivering memorable and impactful experiences for the delegates, setting a new benchmark for hospitality and execution.

The success of this project has laid a strong foundation for continued collaboration and friendship across districts, leaving behind a trail of growth, connection, and cherished memories.

Rtr. Nidha Fathima A. B.

Dist. International Service Director of Rotaract Dist 3181

BRAIN TRANSPLANT

Standard pricing procedure

In the hospital the relatives gathered in the waiting room, where a family member lay gravely ill. Finally, the doctor came in looking tired and somber.

'I'm afraid I'm the bearer of bad news,' he said as he surveyed the worried faces. 'The only hope left for your loved one at this time is a brain transplant.'

It's an experimental procedure, very risky, but it is the only hope.. Insurance will cover the procedure, but you will have to pay for the BRAIN.

The family members sat silent as they absorbed the news. After a time, someone asked, 'How much will a brain cost?'

The doctor quickly responded, '\$5,000 for a male brain; \$200 for a female brain.'

The moment turned awkward.

Some of the men actually had to 'try' to not smile, avoiding eye contact with the women. A man unable to control his curiosity, finally blurted out the question everyone wanted to ask, 'Why is the male brain so much more than a female brain?'

The doctor smiled at the childish innocence and explained to the entire group, 'It's just standard pricing procedure. We have to price the female brains a lot lower because they've been used.'

From The Helm

Dear Rotarians,

When I look back at the year that has been, it was very fast paced. We were able to do many projects in our areas of focus and avenues of service. Apart from regular projects like medical aid, Educational assistance, teacher support etc we could focus on sustaining ongoing projects - Flyover maintenance & Miya-waki. Large scale projects like Rainwater harvesting along with awareness sessions have been very satisfying. Involvement of all the members in fund raising, club get together and family involvement has helped the club grow. Interact events were limited to a couple of schools, participation of Sri Mahalingeshwara English Medium School and winning prize in Ujire was very special. All the 7 teacher coordinator certifications are complete.

Rotaractors had participated in club sponsored events like beach cleaning and involved very well.

Rotaractors nominated by their respective clubs were sponsored for all three clubs to attend RYLA held at Pilikula. 50+ projects were completed in the year and the support from all the members has been evident. District has recognised our club efforts and awarded with Diamond Plus Award in Medium club category and special awards for –

1. Diamond Plus Award,
2. Significant Service Award,
3. Excellence in Club Bulletin,
4. Excellence in Public Image,
5. 2nd in Outreach Excellence Award,
6. 2nd in Adaptability Excellence Award and
7. Certificate of Special Recognition to Rtn. Sathish Rao Iddya.

I would like to specially thank Club secretary Rtn. Nithesh Kumar for helping me in my responsibility and Treasurer Rtn. Chandrakant Marathe for all the support for club activities.

Thanks to my family for the support and cooperation. Significant time has been given to this great Organization during my tenure, which would not have been possible otherwise.
