Ramdhanu, District Conference 9 to 11 Jan 2026

Ramdhanu, the District Conference of Rotary District 3291, was held with considerable pomp and splendour from 9th to 11th January 2026 at the East Side Pavilion, Nicco Park. The Rotary-specific sessions stood out for their exceptional depth and quality of content. The general sessions, featuring several well-known personalities, ranged from high-energy, chest-thumping presentations to moments of sheer intellectual brilliance.

Special mention must be made of Adman Bharat Dhabolkar, Coach and Mentor Deepak Rao, and India's young AI prodigy, Raul John Aju. Bharat Dhabolkar commanded the stage with the sheer force of his personality, sharing compelling experiences from specific campaigns and drawing clear parallels with Rotary's communication strategies. Deepak Rao delivered a masterful session on

interpreting subtle body-language cues; his live demonstrations left the audience spellbound and eager for more.

Equally impressive was 16-year-old Raul John Aju, whose confident and

engaging presentation on Artificial Intelligence captivated the audience. He demystified AI through simple, practical insights and cautioned against allowing technology to overwhelm human judgment. His communication style — sharp, humorous, and focused — belied his age and marked him as a talent to watch. One can only wish him and his venture rapid success and an early Unicorn status.

We had 14 registrations this time. There was a special recognition of Rotarians who had completed 50 years in Rotary and our dear PDG Prabhat Rohatgi and PP Satish Kapur were present.

DGN Purnendu Roychowdhury's Acceptance Speech at the Ramdhanu, District Conference

There has been an overwhelming support by your Club leaders and Presidents in electing me as District Governor for the year 2027-2028, and I humbly accept the choice made by your leaderships. Having said that, my goal and endeavour is to being accepted as a friend by each of you, which is each Rotarian of District 3291. I will not reinvent the Rotary Wheel, which is already very well oiled by you for the past 100 years and above; but I will bring in new thoughts and ideas and how we can innovate and better our approach is where I will ideate with you. One of the important areas is Membership Growth and Retention. How we can address this as an individual with our old slogan of "Each one, fetch one". Incidentally, I am working with the Japanese from the age of 16 years, and our District Governor presented me a book on Kaizen at the District Conference, wherein we do not need to improve by leaps and bounds and pursue perfection but improve little by little every day. Hence, I request all of you to invest your every week for furthering the cause of Rotary. The Japanese concept of Nema Washi is to prepare quietly before decisions, as success will only come from ground work. This jells very well with our Bengali culture, where we prepare quietly to facilitate good decisions. Hence, I would be glad if you prepare a long-term plan with regard to projects, as well as leadership within your Clubs. As per my mother-in-law's Guru, who I consider my teacher, Shri Shri Ravi Shankarji says 'accept people as they are'; and I believe that I cannot put people into strait jackets. As accepting the many facets of their personalities including imperfections and flaws and working with them is where true friendship starts. Hence, we must try to think patterns in people by putting ourselves in their shoes. Thank you very much for giving me this opportunity.

The Public Image Committee

The Public Image Committee for our Club is happy to share that we have been very active on social media posting regular updates on YouTube, Instagram, Facebook, WhatsApp, Chaka and other channels of print media. Our coverage of Charter Day celebration was well received and similarly the report on completion of 5000 Meetings by Rtn. Sanjib Basu. Post our committee meeting held on the 16th of December 2025, Rtn Mathur (Co Chair) has approached LIC suggesting the installation of a plaque for Rotary Club of Calcutta in the LIC building which was formerly the site of the famous Peliti restaurant where the first meeting of Rotary Club Of Calcutta was held in 1919. Recently, our Annual Children's treat at Nicco Park was shared with the media and the photographs were published on 2nd January 2026 in T2 (print media).

Rotary Club of Calcutta Marks Historic Milestone : 100 Years of the "Annual Children's Treat"

On December 21, 2025, the Rotary Club of Calcutta celebrated a momentous occasion : the 100th anniversary of its signature service project, the "Annual Children's Treat." What began a century ago by a handful of Rotarians aiming to bring a "Day of Sunshine" to underprivileged children by taking them to the Botanical Gardens in Shibpur, has evolved into a massive, uninterrupted tradition. Remarkably, this event has persevered through history's most challenging periods, including World War II and the COVID-19 pandemic, during which time the spirit of giving continued albeit on a smaller scale.

To commemorate the Centenary year, the event was organized on a grand scale at Nicco Park. Over **1,200 children** were transported in 30 school buses arriving at 9:00 AM to a warm reception of breakfast and health drinks.

The day formally began at 10:00 AM with the National Anthem. Club President **Dr. Debnath Chattopadhyay** delivered the welcome address, followed by a speech from the District Governor of Rotary District 3291, **Dr. Ramendu Homchaudhuri**. After the inauguration, the children enjoyed unlimited access to Nicco Park's rides for nearly four hours followed by a freshly cooked hot lunch.

The East Side Pavilion was transformed into a festive wonderland with red and white balloons, evoking the spirit of

Christmas. Mascots resembling Mickey Mouse, Donald Duck, and Goofy mingled with the children, while a specially curated Centenary Photo Booth became a highlight. Rotarians from various clubs were seen snapping photos with the proud caption : *"I attended the longest-running service project of Asia's longest-running Rotary Club."*

The highlight of the 100th year was a live musical performance by **Shibaprasad & Co.** They entertained the attendees which included the children, their escorts and Rotarians. The children were ecstatic, clapping, dancing and singing along to popular Hindi and Bengali hits, enjoying the atmosphere of a lively concert.

When the day ended, every child was handed an ice cream and a specially designed jute goodie bag filled with food and stationery. As the sun set on this historic day, the Rotary Club of Calcutta renewed its pledge to keep this "Day of Sunshine" alive for the next century and beyond.

We express our sincerest gratitude to the sponsors and donors whose support and encouragement have helped to make the children smile.

We gratefully acknowledge the following Rotarians and well-wishers for sponsoring the items as mentioned below :

Rtn. S. R. Goenka for Soft Drinks and Maaza Tetra packs

PP Rtn. Kanak Dutt for Health Drinks

Rtn. Shampa Ghosh for Fruit Drinks

PP Rtn. Heena Gorsia for Thacker Ice Cream

Rtns. Supriya & Prasanta Roy – Breakfast at concessional price

A very special thanks to the following donors for sponsoring the items which were packed in the Gift hampers handed to the children :

1. Bisk Farm – for Biscuits.
2. Pampar Overseas Foods – for Chips and Snacks.
3. Line Pens – Geometry Boxes

The above sponsors were arranged by Rtn. Ravindra Khandelwal & Rtn. Yogesh Dassani

A Big Shout out to the following school's Principal & management for providing us the buses :

1. Asian International
2. DPS – Howrah
3. DPS – Ruby Park
4. Mahadevi Birla World Academy
5. South Point

Thank you to RCC Ranihati for providing the ambulance and the management team of Nicco Park for their support.

Sincere thanks to office staff of Rotary Club of Calcutta and special thanks to Shri Madan Kothari for his dedicated support in preparing the lunch for this event over the last 30 years.

We also gratefully acknowledge the generous contributions received from the following donors as on 28th December 2025 :
