Rotary Club of Calcutta Mega City

23rd Installation Ceremony | RY 2025-26

From the desk of the Chairman

UDDAN – a dare to fly

explores themes of freedom, dreams and courage to pursue them. This signifies the unwavering loyalty and dedication of Rotary Club Calcutta Mega City, under the new leadership in breaking free from constraints, both physical and mental and embracing the new beginning, striving for aspiration towards “United for Good”.

Installation of the new Leadership / new Team at the advent of every Rotary Year is indeed a momentous occasion to witness the accession of the new President of the Rotary Club. The presence of all guests in the ceremony is a testament to their support and enthusiasm for the new leadership, Rtn. Amartya Chakraverty, President (2025-26).

I extend a warm welcome to our honored guests and convey sincere thanks for gracing us with their presence. The celebration is not only the culmination of a journey for the new leadership but also the beginning for the members of the club to rededicate in serving the people for ‘GOOD’.

I am incredibly grateful for the dedication and hard work of everyone involved in making the magnificent, meaningful 23rd Installation Ceremony possible.

Warm regards,

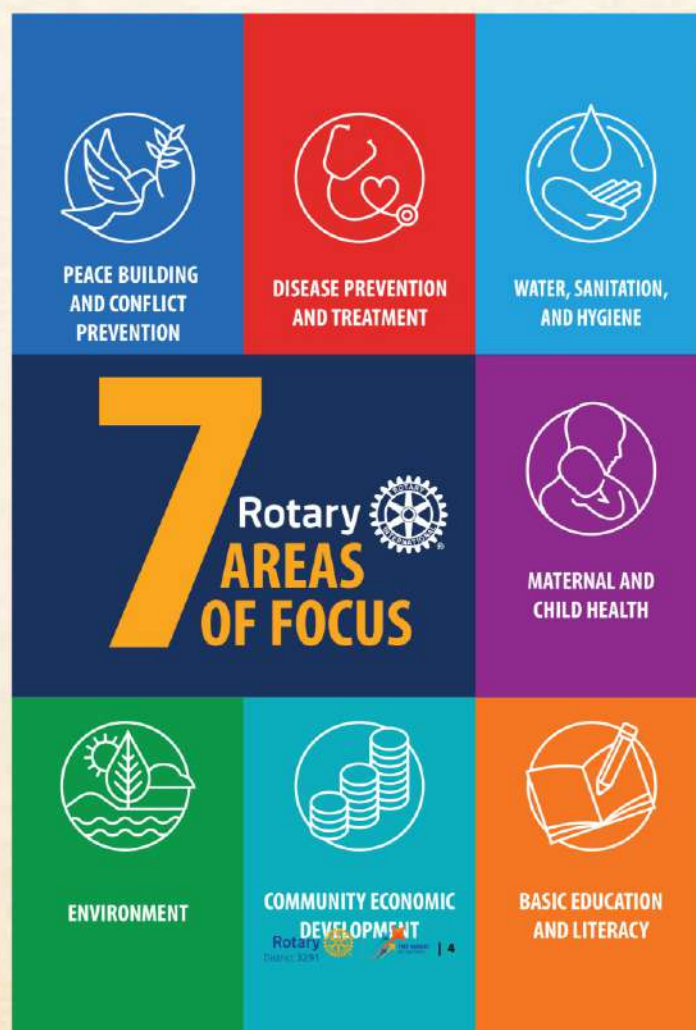

Purajit Roy

THE FOUR-WAY TEST

of the things we
think, say, or do

From the desk of the RI President

Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025-26. Arezzo will become president on 1 July.

The Board conducted a special session following the unexpected resignation of RI President-elect Mário César Martins de Camargo on 8 June. Guided by the RI code and policies, the Board selected the new president-elect from a pool of candidates who were considered by the Nominating Committee for President of Rotary International in August 2023.

The 2025-26 presidential message, announced at the 2025 Rotary International Assembly in February, will remain Unite for Good, which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

Arezzo is an orthodontist in private practice. He is active internationally as a member of the Italian, European, and American orthodontics associations. He is vice president of the National Association of Italian Dentists for the province of Ragusa and was the founder and head for seven years of the delegation for Ragusa of the National Trust for Italy. He is a Knight of Honor and Devotion in Obedience within the Sovereign Order of Malta.

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Arezzo is a Major Donor and Benefactor of The Rotary Foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

From the desk of the RI Trustee

Dear Rotarians, Rotaractors and friends of Rotary,

When you joined Rotary, chances are it was because you wanted to make a lasting difference. Arch Klumph felt the same way.

When he proposed The Rotary Foundation in 1917, he envisioned more than just a fund. He saw an enduring vehicle for Rotary members to serve their communities and create lasting change. More than a century later, that vision thrives, thanks to your dedication and to the Foundation's unique structure, which empowers members to identify and solve global problems at every level.

Today, I am not asking you for a donation. Instead, I invite you to look at The Rotary Foundation with fresh

eyes. Imagine a charity governed by its own members. A global mission carried out by those very members. A foundation that reflects the shared values of its members — ensuring clean water and literacy for all, eradicating the scourge of polio, building local

economies through entrepreneurship, and making the world more peaceful through conflict resolution training.

Doesn't this sound like an interesting charity? The Rotary Foundation is trusted around the world because we have earned that trust. After our successful Programs of Scale initiative in Zambia, the Gates Foundation and World Vision invited us to lead again — resulting in the \$30 million Rotary Healthy Communities Challenge across four African nations.

We are efficient, strategic, and guided by dedicated professional staff and passionate volunteers. Our Foundation consistently receives top marks from Charity Navigator. And the Gates Foundation matches our \$50 million annual commitment to polio eradication 2-to-1, depositing \$100 million into our account each year. That is trust, delivered.

Even in conflict zones, we are there. In Gaza, a single confirmed polio case triggered a humanitarian pause in the war, allowing health workers to vaccinate children and quell an outbreak. Rotary helped fund that urgent response. Once again, we proved to be a reliable partner in a crisis.

We can be proud that we made a difference. Now we look ahead to our ambitious \$500 million fundraising goal for 2025-26. We can reach it together, as we boldly support a Foundation that is doing bold things.

Rotary is not going anywhere, because Rotary is everywhere! That is our strength. That is our unique opportunity. Be part of the legacy of The Rotary Foundation. It is one that Arch Klumph would be proud of. It is a legacy that has changed the world and will continue.

Holger Knaack

Dear President Amartya,

My heartiest congratulations to you on taking over as President of this wonderful club!

Rotary Club of Calcutta Mega City has the good fortune of having a group of dedicated, service minded people as its members and it is a pleasure to witness a leader like you take charge of this spirited club. You are privileged as a President, as you have the unique opportunity of leading your club in the 106th year of Rotary in India. For more than 100 years, we have been committed to Above Self to bring smiles on faces of millions of people. Dear President Rtn Amartya Chakravorty and Members of Rotary Club of Calcutta Megacity,

Warm Rotary Greetings!

It gives me great pleasure to extend my heartfelt wishes to you as you enter a brand new Rotary year. Since your charter in August 2003, your club has stood for 21 years of meaningful service and fellowship — congratulations on this wonderful milestone!

With a current strength of **27 members — 22 male and 5 female** — you are in the *Amber zone* as per the RAG analysis. This is the perfect time to strengthen your club by inviting more members and moving toward the *Green zone*. A stronger membership base gives your club the ability to do more impactful projects and contribute meaningfully to **The Rotary Foundation**.

I would also encourage you to take the next step in **Youth Service** by sponsoring a **Rotaract Club**. This will help nurture young leaders and create a pipeline of future Rotarians. Consider adopting the strategic formula — **Say YES to 1:2:3** — where each Rotarian connects with **2 Rotaractors and 3 Interactors**. It's a simple and effective way to build stronger intergenerational bonds and ensure the sustainability of Rotary.

Let's take this Rotary year as a fresh opportunity to grow, serve, and transform lives.

Wishing you, **President Amartya Chakravorty**, and your entire leadership team an inspiring, fulfilling year ahead.

Let's **Say YES to Rotary** — and together, let's **Unite for Good**.

Rotary Year 2025–26

From the desk of the President & Secretary

Dear Fellow Rotarians,

As I stand at the helm of this incredible journey, I am overwhelmed with gratitude for each and every one of you the heart and soul of the Rotary Club of Calcutta Mega City.

Your unwavering commitment, tireless efforts, and shared passion for service have been the driving force behind every successful initiative we've undertaken. Whether it was a blood donation camp, community outreach, literacy drive, or a moment of celebration that you were there, standing strong, united in purpose.

In spite of challenges, adverse weather, and the many hurdles life throws at us, you've continued to show up with smiles, with ideas, with action. It is your dedication that defines the spirit of Rotary.

Thank you for being the wind beneath our wings, for believing in the power of "Service Above Self," and for making this Club a beacon of hope, change, and compassion.

Let's continue this journey with the same enthusiasm.

With heartfelt appreciation,

Amartya Chakraverty

President 2025-26

Rotary Club of Calcutta Mega City

I am honoured to be the Secretary of Rotary Club of Calcutta Mega City for the year 2025-26. It will be privilege to serve the society in a fruitful way. I will definitely try my level best to do justice to the responsibility bestowed upon me. I am sure that the coming Rotary year will be very meaningful one when all the fellow Club members will work as a team and will be able to cross any hurdle whatsoever by following the path shown by the very young and energetic President.

From the desk of the District Governor Elect

Rtn Amartya Chakraverty
President 2025-26
Rotary Club of Calcutta Mega City

Dear President Amartya,

It is my pleasure to extend heartfelt congratulations to you and your team for leading one of the district's most dynamic clubs—Rotary Club of Calcutta Mega City—for the Rotary Year 2025–26. I also wish to acknowledge outgoing President Tushar Kanti Mondal and his team for their exceptional service, showcasing the magic of Rotary in action and building a foundation for a better tomorrow.

We all envision Rotary leaving behind an enduring global legacy—one of lasting transformation in communities and lives uplifted across the world. Yet unlike many contemporary humanitarian organizations, we have not fully embraced a data-driven culture, nor established a consistent framework for measuring impact. This must change.

As we step forward, let us prioritize the development of practices, infrastructure, and capacity that allow us to define, measure, and analyze the outcomes of our service. Let's ensure our efforts, resources, and attention are directed toward initiatives with the greatest potential for lasting value.

Our club and district—through every member and participant—can enhance our impact by sharpening our focus. By actively gathering data on community needs and implementing pre- and post-activity evaluations, we gain clarity on where our contributions matter most. These insights will empower us to tell compelling stories about the difference we're making—stories that attract like-minded leaders, forge new partnerships, and build diverse coalitions for larger, more transformative projects.

What will be our legacy? It begins with defining and measuring the change we create. Let's use this knowledge to select initiatives that resonate deeply with communities and refine them over time to maximize impact.

Together, let us explore new ways to channel our expertise toward meaningful transformation—both locally and globally. Let's demonstrate that our journey of service and impact has only just begun.

Let us create hope—by joining more hands, uniting for good, and serving society to build a better community and a brighter tomorrow.

With Best Wishes,

Yours-in-Rotary

Dear Amartya

I am glad that you are taking over as President of this most Vibrant club for the Rotary year 25-26, which was Chartered in my year

Rotary International President-Elect Francesco Arezzo emphasized the power of human connection—encouraging members to welcome new faces, collaborate on service projects, and expand our global impact as so is your club which is very strong in Community service for Collaboration mainly in Eye care/Literacy

"The foundation of Rotary is friendship; the secret of its expansion is the friendship of people in Rotary with those in the community, across the nation, and around the world." Building connections, that's our superpower!" 25-26 is a year of Uniting members within and with new faces to have positive social impact in the community by doing Thalassemia, and Cervical Cancer related activities and so on

Wish you all the best in your endeavour

Thanking You

Rajkumar Rajgaria

District Governor

2003-2004

Dear President 2025-26 Amartya,

Ballari joins me in congratulating you as you take up the responsibility of leading your Club in following the RI President's Message for the year, 'UNITE FOR GOOD'.

His presidential message is emphasizing growth, service, and connection. He aims to foster a stronger sense of community and global impact among Rotary members. District looks up to your club for growth & some meaningful service to the mankind. I'm sure under your able leadership Rotary Calcutta Mega City would gift a memorable year to the district.

As we have stepped into the second century of Rotary Service, strengthening our Clubs, our very roots, has become the order of the day! To retain members and strengthen our clubs, we must keep in mind, every Rotarian joined Rotary to contribute something for a cause and has some expectations from the Rotary Club; to retain members, make sure that every member of the club is involved and satisfied. General Secretary of 'Rotary International' & 'The Rotary Foundation', John Hewko, urged Rotarians to think out of box, embrace flexibility, and focus on engagement rather than attendance! We need to change! You would have to devise an innovative way to run and manage the club; a new thought, how to take up Growth & Service Projects!

Ballari joins me in wishing you and your team a great happening year ahead.

With best regards,

Rajani Mukerji

District Governor 2013-14

Dear Rtn. Amartya,

I take this opportunity to convey my heartfelt greetings and congratulation to you and your dedicated team and I am sure that with your pro-active leadership and involvement of all your Club Members, you will live up to the RI President's Message "Unite for Good" and will do your best in the coming Rotary year.

Rotary, my friend, is an organization, which gives you immense opportunity to prove yourself as an exemplary leader and also to serve the society to the best of your ability with your fellow Rotarians, other Partners-in-Service and Associates within a friendly and professional environment.
