INTERACT REPORT THE BSS SCHOOL

Mental Health Initiative

The Interact Club of The BSS School participated in the Autism Awareness March organised by the Autism Society of West Bengal on 2nd April 2026. Students actively joined the initiative, holding posters that conveyed messages of acceptance and inclusion for individuals on the autism spectrum. During the event, members engaged in meaningful conversations with parents, gaining insight into their experiences and perspectives. These interactions highlighted the importance of understanding and inclusive practices.

Community Service Initiative

On 11th April 2026 we visited an orphanage named Amader Padakhep, where around 25 children reside. During our visit, we donated cakes and spent some joyful and meaningful moments with the children. The children were extremely happy and their sweet gestures and heartfelt thank-you's truly touched our hearts. We also interacted with them, shared laughter, and clicked pictures together. The visit was a memorable and heartwarming experience for everyone involved.

Thalassemia Awareness Programme

Interact Club of The BSS School in collaboration with Rotary Club of Calcutta Park Point organised a Thalassemia Awareness Programme at The BSS School, on 25th March 2026 at 10am. The programme was conducted by DG Dr Ramendu Homchoudhari.
