As is customary, every President deems it his or her sacred duty to make this evening more and more special. entire mood of the program and everyone sat glued to the screen. To add some cultural attraction to the event, Manipuri Drum Dancers - Arnob, Roni and Vishal performed live from Bangladesh. NEWS FROM ROTARY INTERNATIONAL

African Region Certified Wild Polio-Free

Dear Rotarians,
 It is our pleasure to announce to you that the African region has just been certified wild poliovirus-free. Rotary members have played an invaluable role in the effort to rid the African region of wild polio. We should be proud of all the hard work that we've done to eliminate the wild poliovirus throughout Africa and in nearly every country in the world.

This progress is the result of a decades-long effort across the 47 countries of the African region. It has involved millions of health workers travelling by foot, boat, bike and bus, innovative strategies to vaccinate children amid conflict and insecurity, and a huge disease surveillance network to test cases of paralysis and check sewage for the virus.

Over the last two decades, countless Rotary members in countries across the African region and around the world have worked together to raise funds, immunize children, advocate with local and national leaders, and raise awareness about the importance of vaccination, enabling the Global Polio Eradica-

tion Initiative (GPEI) to effectively respond to and stop polio outbreaks.

This milestone is an incredible public health achievement for Rotary members, the African region, and our GPEI partners, and a huge step forward on the road to global polio eradication. But we still have important work to do in order to eradicate wild polio in the last two endemic countries.

We have faced many challenges in our journey to eradicate polio. But we've made remarkable progress, and the polio infrastruc-

ture that Rotarians helped build will serve as a lasting legacy that will continue to help protect vulnerable children against other diseases for decades to come.

We are calling on you today to recommit yourselves to ending polio. We need each and every one of you to help finish this fight and continue raising \$50 million each year for PolioPlus. The eradication of wild polio in the African region shows us that polio eradication is achievable, and shows how our hard work, partnerships and financial commitment continue to propel us forward, even during a global pandemic.

Thank you for your continued efforts, for achieving a wild polio-free African region, and for remaining committed to fulfilling our promise of a polio-free world.

Sincerely,

Holger Knaack

Rotary President-Nominee 2022-23

Jennifer E. Jones, of the Rotary Club of Windsor-Roseland, Ontario, Canada, is the selection of the Nominating Committee for President of Rotary International for 2022-23, making her the first woman to hold that office in the organization's 115-year history. She will officially become President-Nominee on 1st October if no other candidates challenge her. Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact. "As we reflect upon our new strategic priorities, we could have never envisioned that our ability to adapt would become our North Star during what is arguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most chal-

lenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Rotary President-Nominee

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the Board of Governors of the University of Windsor and Chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.). A current Rotary Foundation trustee, Jones has been a Rotary member since 1997 and has served Rotary as RI Vice President, Director, Training leader, Committee Chair, Moderator and District Governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio

Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts. Jones recently led the successful #RotaryResponds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society and the Bequest Society.
