Highest Platinum Citation Award to Rotary Central Calcutta by RI President 2019-20

From the desk of RI President:

During a recent Zoom meeting with Rotarians and Rotaractors, I looked at the smiling faces on my screen and realized how much our organization has changed in a short period. It is clear that there is no going back to the "old normal" in Rotary – and I see that as an exciting opportunity!

Innovation and change are happening at so many levels as we rethink and remake Rotary. Rotary's new flexibility is blending with digital culture to drive change in ways that many of us have never seen before. We can learn a lot from Rotarians like Rebecca Fry – who, at age 31, already has 15 years of Rotary experience.

I see Rotary as a phenomenal platform to change the world. I believe I can have the greatest influence by empowering others to create the change they wish to see in the world. I've gained leadership insights through my experiences in RYLA and Rotaract, and now, as charter president of the Rotary Social Impact Network, a new e-club.

Engaging Rotary program alumni is key in forming new clubs. Our club is proof that Rotaractors and other alumni want to join Rotary – but sometimes they can't find the Rotary club that's right for them. Our club has 31 members, all between the ages of 23 and 41, and almost all of them are alumni of Rotary programs.

We need to be able to integrate and align Rotary with the other personal and professional goals we're pursuing. In chartering this club, we set out to design a personalized model of Rota-

ry that is focused on added value for our members. We have also sought to leverage connections – through Rotary Fellowships, Rotary Action Groups, and other international partnerships – in order to elevate our members' experiences beyond the club.

Our club meets and manages most of its projects online, using Microsoft Teams to engage 24/7 in topics that interest our members. This also means our club is not geographically bound to any one location: Although many of us are in Australia, we also have members in Germany, Italy, Mexico, Tanzania, and the United States.

Also key for our club is measuring the impact of our projects. For Plastic Free July this year, we created an awareness campaign promoting ways that individuals could reduce their use of plastics, and we reached more than 6,000 people. It's a project with a tangible impact that anyone can take part in wherever they are. I'm proud that, through our club, we are bringing people together for a new type of Rotary experience. I am excited for our future.

All Rotary clubs have the opportunity to be innovative clubs, just like Bec's club. Let's trust

those clubs, learn from them, and lend them our support. Change in Rotary happens at the grassroots level, as clubs lead the charge, defining what this new Rotary can be.

Change is constant, and we have more work to do in many areas. It is important that we celebrate the contributions of people of all backgrounds and promote people from underrepresented groups so that they have greater opportunities to participate as members and leaders in Rotary.

The tools to make Rotary more inclusive, more relevant, and more fun for everyone are at our fingertips. Let's use them now, and we will see how Rotary Opens Opportunities for ourselves and for those yet to discover us.

Late Ram Gopal Lakhotia Ventilator Ward

Project was inaugurated by District Governor, Sudip Mukherjee on 19th September, 2020 at Visudhanand Hospital. The ventilator was imported from GE Healthcare, Italy. This machine can be used for the ICU and paediatric purpose even after the COVID pandemic. Big thanks to our member Dr Ankur Gupta for

saving 4 lakhs of rupees by negotiating with GE Company. The ventilator facilities will be available free of cost to all patients and will benefit more than 5000 people.

Donations for the project were received from: PP Rajesh Lakhotia: Rs 8 Lakhs, President

FEEDBACK

We are about to inaugurate the most ambitious project of our President Jitesh ji. This project was in no way an easy task to accomplish. We wanted to donate to the hospital a ventilator which could be used after the COVID times too. Normally Ventilators for COVID treatment are pretty cheap but their utility ceases once we are done with this pandemic. We were thinking of a long term plan. We zeroed on to GE ventilator (of Italian make) which is best in class and serves both the issues name-ly COVID as well as post COVID and can be

used for children as well as adults. Costing of these ventilators were high – Rs 10 lakh plus taxes, but we negotiated to 8 lakhs and taxes plus on spot delivery and a promise of on site training as well as post sale services. The ward for this was ready in our very own Vishudhanand Hospital. We donated 2 ventilators and both the machines are installed and ready to function. AND this ambitious project wouldn't have been completed or I should say succeeded without the exemplary help of our Donors... Our principal Donor is PP Rajesh Lakhota and others are PP Amit Rungta, Avinash Bubna and many more... Thanks to everyone and especially to our president Jitesh and secretary Sunil who envisioned this and led our club to achieve this great milestone. We welcome each and everyone from

our club to participate directly or indirectly on ZOOM for the inauguration ceremony... Thanks everyone...

Global Grant with Rotary Singapore

Dear Friends

I am pleased to inform you that the distribution of items for Rotary **GG 2012660** COVID-19 items for Singapore is now underway. I would like to thank all our Singapore and overseas Rotary Clubs and Districts for their kind assistance and support. All Clubs and Districts are kindly acknowledged in the Official Banner for the Project.

Just a recap: this GG, worth USD\$132,249 (SGD\$188,351), supports the following items for donation to the Ministry of Health, Singapore.

- (i) 18,000 Disposable Face shields from Super Pak Manufacturing in Tuas, Singapore valued at SGD\$46,224.
- (ii) 4,827 pieces of AAMI Level 3/4 Surgical Gowns sourced from Kuala Lumpur, Malaysia, valued at SGD\$96,772, to be distributed to

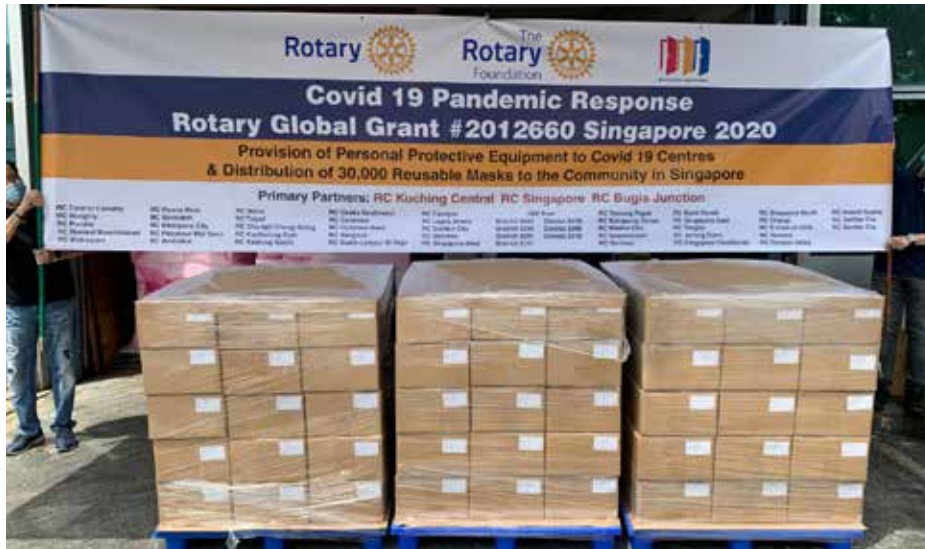

the Community in Singapore, especially to the low-income essential service workers, front line healthcare care workers as well as residents as social welfare homes and organisations.

- (iii) 30,000 Reusable Facemasks valued at SGD\$36,400.

This morning, 18 September 2020, 5 Rotarians from RC Bugis Junction and RC Singapore, representing the Rotary Clubs and Districts sponsoring this GG 2012660, inspected the 18,000 Disposable Face shield items that are ready for donation to the Ministry of Health, Singapore.

Thank you once again for all your support for this GG 2012660.

अब होगा ईमानदार करदाता का सम्मान

जयपुरवासी जीतू गोदी ने पिछले 13 अक्टूबर को 'दुर्लभ' टैक्स पत्रिका में 'अब ईमानदार करदाता का सम्मान' शीर्षक के लेख में 'फेसलेस एसेसमेंट' के विषय पर एक विशेष लेख लिखा है। लेख में कहा गया है कि 'फेसलेस एसेसमेंट' का अर्थ है कि करदाता को अपने कर का हिसाब देना नहीं पड़ेगा। यह एक बड़ा बदलाव है। लेख में कहा गया है कि 'फेसलेस एसेसमेंट' का अर्थ है कि करदाता को अपने कर का हिसाब देना नहीं पड़ेगा। यह एक बड़ा बदलाव है। लेख में कहा गया है कि 'फेसलेस एसेसमेंट' का अर्थ है कि करदाता को अपने कर का हिसाब देना नहीं पड़ेगा। यह एक बड़ा बदलाव है।
