DG's Message for the month December

Dear Awesome President and Members of the Rotary Club of

As we are on the threshold of the sixth month of what has, indeed, been an awesome Rotary Year, thus far, we need to keep the momentum going. One way of keeping the momentum going is to have constantly greater goals.

Momentum is akin to riding a bicycle. You get to stay upright and move forward so long as you keep the momentum.

Your Club has been doing yeoman service to the community service and you have been participating in District Projects and events with great enthusiasm and it is my humble request to you, to keep the momentum going.

I urge you to take up projects in all the areas of focus of Rotary International. December is designated " Disease Prevention and Control" month. If you haven't already, do take up a project in this sphere.

I believe in encouraging Clubs to Think Big. You do not have to start by being an expert. Remember, the expert in anything was once a beginner. People with momentum can get so much done. Momentum begets momentum and the best way to start is to Make A Start.

As a wise man, once said, "Success does not come to you, you've got to go to get it".

So , Jyoti joins me in urging all you awesome Rotarians to keep up the momentum and create magic of Rotary for the community at large

Yours In Rotary Service DG Dinesh Mehta

President Elect at PREPTS

Attending the Pre-PETS of Rotary District 25/26 was an unforgettable journey. It was a unique blend of learning, sharing, and connecting with passionate Rotarians. The sessions offered a deep dive into leadership skills, strategic planning, and Rotary's values, all of which are so essential for our journey ahead.

One of the most memorable parts was the camaraderie we built with one another. teamwork, and dedication of everyone involved.

Overall, Pre-PETS wasn't just a training event; it was an experience for life
