Message by President

Hello Friends,

It's truly a privilege to be a President of Rotary club of Thane Urbania, an organization deeply committed to making a positive impact in our community and beyond. Rotary has always been more than just a club – it's a global family, united by our shared values of service, integrity, and fellowship.

Today, I want to acknowledge you for the support you have given so far . We did around 20 projects till date . These initiatives show the power of Rotary in action and the profound impact we can create I would like to thank the generous donation for our signature project Killa Mahotsav and other projects like Annadan, faral distribution etc. Each contribution, no matter the size, brings us closer to our mission of transforming lives and serving humanity.

This year, our focus will be on educating the underprivileged people . We have exciting plans, including educational drives, healthcare initiatives, community support events, seminars on awareness, village upgradation and I am counting on each of you to bring your passion and unique talents to these projects. Rotary's strength lies in our unity, and together, we can achieve remarkable things.

Let's continue to inspire, support, and lift each other up. As we move forward, may we remain steadfast in our service, compassionate in our actions, and visionary in our goals.

Thank you for being part of this incredible journey with me. Let's make this year unforgettable for our club, our community, and ourselves.

Thank you.

Killa Mahotsav 2024

This date will forever be etched in the memories of all RCTU'ians and an unforgettable experience for the other attendees.

It was the “ Killa Mahotsav ” a signature event of Rotary Club of Thane Urbania, which has grown in popularity since its inception. Its prestige grew manifold this year with it being branded a District event with widespread participation of other clubs from the district. The event were graced by the high profile dignitaries from the district and as with any event, it began with a ceremonial lighting of the lamp followed by the host welcoming the chief guests and the Guest of Honour.

It was followed by the blowing of the traditional Maharana wind instrument 'the tutari' and an electric lezim and a performance led by Akansha and her team, which truly brought out the rich culture & heritage of Maharashtra. The atmosphere was extremely vibrant with the audience and club members in colourful phetas & traditional finery.

The judges for the event had a tough time judging the winner but in the end all the participants were the winners as each team strove to keep alive the rich Maratha heritage and the kids were all ears to the judges as they delved into the finer points of fort making and how they can be better the next time.

The event culminated with the felicitation of the co-hosts and member clubs and grand prize distribution function followed by lipsmacking refreshments.

Until next time let the memories linger..
