A TRIBUTE TO LATE PP RTN D. BALACHANDRA

“When you are no more, seek not for your resting place rubble and stone but the hearts of men”, wrote Jalaluddin Rumi. We want to tell you Balachandra Sir, that you will live in our hearts for times to come. Very often you communicated through your silence, a smiling “that’s right” conveying your approval of a friend’s opinion. Your projects at Gandhi Hospital, scholarships for our youth, passion to provide infrastructure facilities at government schools will always inspire us to continue doing our bit for the community. Farewell Dear Sir, till we meet again.

AUGUST! 2ND MONTH OF THE ROTARY YEAR!

August is membership and club development month, a time to focus on and appreciate the members, celebrate their devotion to the club and the impact they have made. It's also a time to think about developing strategies around growing the membership. The reason why Rotary is such a successful organization is because it is full of members that have one trait in common - the passion to make a difference in the world. All of us share this passion and it's what drives us to work together.

To mark this Rotary Membership month, Rotary Club of Secunderabad has inducted a total of 18 new members from various classifications. With this our club has taken the number one spot in the District 3150.
