ROTA

Communiqué

AUGUST EDITION

Editor's Message

Dear Readers,

We the rotaractors and our respected rotarians are spontaneously bringing out projects with enthusiasm and a vision of growth, evolution and welfare of our community members.

We are yet to see the great enthusiasm of our young rotaractors, our juniors. And we have planned exciting projects for our new members of our club. We are doing our part, but we will also welcome some exciting suggestions from you all for new projects that we can do, whether in collaboration or on behalf of Rotaract Club of SRICT Ankleshwar. Any one may leave an email regarding any suggestion for projects .

E-mail : rotaractsrict3060@gmail.com

Thank you,

Rtr. Purusattam Das
Bulletin Editor & Graphic Designer
Rotaract Club of SRICT Ankleshwar

Hello, Namaskar!

Greetings from the Rotary E-Club of Ankleshwar Green

Rotary E-Club of Ankleshwar Green (RECA) is a unique club with the majority of the members clustered at the UPL University of Sustainable Technology. Being an E-club, we have the privilege to connect to more people across the globe. We are blessed to have PDG Ashok Panjwani sir, as our club mentor, PP Angiras Shukla sir, as our club trainer, and support of a very active and happening parents club, RC Ankleshwar.

Every year is an opportunity to reaffirm our commitment to the ideals of Rotary. This year is a special year where we are all making efforts to get rid of CORONA. We, the Rotarians are striving hard to get 100% vaccination of people surrounding us. Our club too organized a vaccination camp at the UPL university campus, ensuring 100% vaccination of students and staff members including bus drivers and housekeeping people.

We are surrounded by a big brigade of young and dynamic Rotaractors. We encourage Rotaractors to collaborate and undertake projects and service programs that meet community needs through volunteerism, engagement, and social investment. We plan to inculcate a sense of responsibility towards society, making them understand the value of ROTARY. We feel happy to share that these Rotaractors are now becoming engaged Rotary members of RECA and RC-Ankleshwar, carrying forward the legacy.

It's my privilege to have been given the opportunity to serve as Secretary of the RECA. We plan to carry out exclusive projects, few focusing on the field of education. In Rotary, we celebrate the month of September as basic education and literacy. With the blessing of our leaders and the support of team members, we will work hard in the area of education and contribute to the enormous task of 100 % literacy that ROTARY India has taken as the main priority after tackling Polio. "Gift literacy – It's the best you can do". In this journey with our RECA team, following the Rotary's Ethical guide - the Four-Way Test, we will create all possibilities to "SERVE TO CHANGE LIVES", aligning with the Rotary Theme of this year. We look forward to the positive support from all members to make the plans a reality.

Rtn. Krunal J. Suthar
Club Secretary, RECA

Warm Rotaract Namaskar ,

Warm Rotaract Namaskar . I always wanted to be the part of an organisation which can help me to find and then polish my skill sets . Then , I was introduced to a club called ROTARACT. I am part of Rotaract since 2019 . I gained lots of knowledge and experience because of Rotaract . Last year was amazing and this year is going to be awesome Me and My team are working on various kind of project so that we can add new flavour to this year . What I am seeing is that members are gaining experience and becoming rationalist year by year what I want to do is to maintain the purity of club, brotherhood and increase the opportunity to explore more . Throughout my journey of being Rotaractor I learnt that change comes from thousands small steps , work effectively , slow but steady.

Thank you so much again for selecting me as secretary of our club and believing in me I will never let you down .

Rtr . Yash Dave
Club Secretary, RECA

“Logo designing competition for WDC”

Women Development Cell (WDC) of UPL University of Sustainable Technology has along RECA green organized a Logo Designing Competition for WDC for the students of SRICT and SRICT-ISR. Last date to submit designed logo for WDC is 26th August 2021. The purpose for the event was to develop the logo designing skill of the students. We received excellent response for this event.

“75th Independence Day Celebration”

The 75th Independence Day was celebrated at UPL University of Sustainable Technology with pomp and splendor. The National Tricolor was hoisted by Chief Guest, President, Rotary Club of Ankleshwar, Mr. Jignesh Patel followed by Flag salute and National anthem. As a part of the celebrations a variety of cultural programs were performed by our students at Seminar Hall-1. Provost UPL-UST Professor. Dr. Shrikant Wagh welcomed the audience with an Independence Day message. Ms. Dhruvi Soni, Ms. Hinali Patel (EST-sem3) and Mr. Kalpesh Patil (CE-sem3) stepped gracefully with songs that echoed the spirit of national unity and strength in every heart. Dean of Science & Sustainability, Dr. Snehal Lokhandwala greeted the audience with Independence Day wishes .

“FELICITATION Program

for peer learner students”

An online felicitation program for Peer Learner students, was organised to felicitate the students who have conducted PLI (Peer learning Initiative) lectures during Jan-2020 to June-2021. Program coordinator, Mr. Shivang Ahir (Assistant Professor, MED), introduced PLI and its details to the audience in his welcome speech. Honourable Vice Chairman ARES, Mr. Ashok Panjwani appreciated the students for their efforts to conduct PLI lectures and motivated them to take part in this unique initiative taken by the Institute.

Dr. Shrikant Wagh (Principal, SRICT) motivated students to conduct PLI lectures to improve their stage presence, vocabulary skill, body language etc. He also made aware the students of other benefits and significance of PLI. Dr. Snehal Lokhandwala (Vice Principal, SRICT) praised the students for participation in this activity and motivated them to introduce future innovative aspects of this activity. Dr. Pragna Lad, SRICT central coordinator of PLI activity, thanked the management for granting cash prizes worth Rs. 1,26,400 to 198 students, and all other helping hands for organising such a wonderful event

“Letterhead Exchange”

A Warm Rotaract Namaskar

We are happy to say that we have done our first Interdistrict Letterhead Exchange of RI Year 2021-2022 with **Interact Club of St. Antonian's college, kandy, Sri Lanka** , RID 3220.

Now we are deliberately waiting to do joint projects in near future and build a better bond and understanding between us and our community.

“ गौ सेवा ”

As we celebrate Janmashtami in the memory of Lord Krishna we Rotaract club of SRICT Ankleshwar organized project called " गौ सेवा" as Lord Krishna was always surrounded by lovable animal cow . Cow plays an important role in Sanatan Dharma culture we worship cows .
