

## Rotary Club of Hyderabad East (RCHE) presents SAFE DRINKING WATER PLANT

For the people of Ballu Naik Thanda, (the smallest Panchayat in Telangana State with just 242 residences) from Miralayguda Mandal, Nalgonda dist, Monday, 6 April 2026 is a memorable day as a **Safe Drinking Water Plant** was presented by Rotary Club of Hyderabad East Charitable Trust, also coordinated and supported by Prof Surya Dhanunjay, Vice Chancellor, Mahila University, Koti, Hyderabad.

On this occasion, Prof Surya Dhanunjay informed the need of that village and the efforts being put by her family in the last few years as part of GIVE BACK TO SOCIETY. She explained that she was born in that village and with great difficulty studied in that village and later married to Mr. Dhanunjay and grew up in the career and life and she wanted to serve the village she belongs to. She also explained that her brother donated a piece of land and they built Sri Rama temple 6 years back and now, Safe Drinking Water plant also made available in the same premises. She said that her aim is to develop the village so that villagers lead a better living. She thanked Rotary Club of Hyderabad East for donating RO Plant and providing the facility to the village. Mr. Dhanunjay, also spoke about the village developmental activities.

Knowing the Maintenance issues for an RO Plant, Hyderabad East Rotary Club suggested and implemented a system of ATW ( Any Time Water) Card to the villages. Nearly 500 cards were made and be given to villages who use the water from this plant.

Through this card, every card holder shall pay Rs 5 for 20 lts water. When the villagers have no drinking water and are buying 20 lts for Rs20 outside, this is very economical option. Because of this procedure, the Plant will become self sustainable and be well maintained.

Welcome Banners in the village

Prayers at Sri Rama temple before the inauguration

PDG Jawahar formally inaugurated RO Plant along with Dr Surya Dhanunjay, Vice Chancellor, Mahila University, Koti and Mr. Dhanunjay, Advocate. RCHE President Mr. Govind Putta, Secretary Mr. Ganesh Savarkar, Past President CV Subba Row were also present. Rotarians were felicitated.
