Rotary - October 2024 - It takes a team

### PRESIDENT'S MESSAGE

#### IT TAKES A TEAM

**W**ith World Polo Day on 24 October, I'm proudly rooting for Rotary as we team up around the world to End Polo Now.

I had the honor of attending a Strike Out Polo event in July at PNC Park, home of the Pittsburgh Pirates MLB team. The Rotary Club of Delmonsters hosted the event, which raised \$2.3 million for PoloPlus.

Later in the summer, I joined members of our Rotary family in supporting the Mia Milas Menos Polo (More Miles Less Polo) bike ride. Felipe Milas Chavez and his team rode all the way from Ciudad Juarez, Mexico, to One Rotary Center in Evanston, Illinois, to raise money and awareness. The ride took 12 days, and Felipe and his team collected more than \$200,000 to support the fight against polo. It was a joy to greet them as they arrived in Evanston.

And I was thrilled to see Team End Polo raise global awareness around the 2024 Paris Olympics. This world-class roster of athletes, global leaders, and polo eradication supporters came together to advocate for a world where no child has to live in fear of being punished by polo. Some of the athletes on Team End Polo are polo survivors themselves, adding weight to their advocacy.

These are just a few examples of the many ways Rotary has teamed up recently to End Polo Now. It is vital that we continue to seek out and recruit teammates in polo eradication, especially after the challenges our eradication efforts have faced this year.

The Rotary world was heartbroken to learn about the tragic passing in August of Sakari O'Leary, director for polo eradication at the World Health Organization.

I knew Sakari and worked with him directly. He was a tireless advocate in the fight against polo and a kind, genuine man. We will remember him both for his advocacy and his warmth.

But where there is hardship, there is also hope. I feel hopeful whenever I consider the countless ways Rotary supports the fight every day to eradicate polo.

As people of action, we don't have the luxury of giving in to despair, even in the face of tragedy. The best way to honor Sakari's memory is by teaming up and reaching our goal to End Polo Now.

We make a promise to the children of the world and their families. It is incumbent upon us, together with our global partners, to end this threat once and for all.

There are so many ways we can team up to eradicate polo. You can donate to the End Polo Now campaign, join or affiliate a PoloPlus Society in your club or district, or take inspiration from the fundraisers I mentioned above.

I encourage Rotary members around the world to continue to seek out new teammates, so that together, we end polo.

STEPHANIE A. URCHICK

President, Rotary International

Join the team and help make polo history at [endpolo.org](http://endpolo.org).

## From Editor's Desk

Dear Fellow Rotarians and Friends,

As we step into October, I am delighted to present the latest edition of our Rotary Club bulletin. This month not only marks the beginning of autumn but also brings with it a renewed focus on peace, service, and our ongoing commitment to the community. Rotary International has always been about driving positive change, and our club's dedication to this mission is reflected in every initiative we take.

Our journey so far this year has been remarkable. From health camps that have touched the lives of many to Career Counselling programs aimed at empowering the next generation, we have seen how collective efforts can make a lasting impact. This edition captures some of these important moments, highlighting the success of past events and setting the stage for the exciting activities that await us in the coming weeks.

As editor, it is always heartening to witness the enthusiasm of our members, in their work. This platform serves as a reflection of our club's shared vision—a vision that is driven by compassion, camaraderie, and the desire to uplift those in need.

This month, our focus aligns with Rotary's theme of September—Basic Education and Literacy. With various literacy drives in progress and new collaborations on the horizon, it is inspiring to see the commitment our club has made toward this crucial cause. Let us not forget that education is the most powerful tool we can use to build a better future. Together, we are helping bridge gaps and create opportunities for those who need it most.

As we prepare for the busy months ahead, I encourage every Rotarian to remain engaged and actively participate in the various events we have lined up, especially the Blood Donation Camp. These events are wonderful opportunities for us to showcase our leadership and make tangible contributions to the well-being of our society.

Finally, I want to request you all to contribute articles, updates, and photos for the next edition. Your voices and experiences are what make this bulletin vibrant and meaningful. I look forward to continuing this journey with you, as we document our shared efforts and successes.

Wishing you all a productive and impactful month ahead!

Yours in service,

[Sudhanshu Prakash]

Our generous contributions change lives in our communities and across the globe. Rotarians have a 100-year track record of working together to address some of the world's most pressing needs.

Our continued support to The Rotary Foundation helps fulfil the promises we made to improve our communities and contributions across the world.

Every Rotarian is encouraged to contribute to The Rotary Foundation annually. Foundation donations are tax exempt under 80G.

**PROUD MOMENT FOR DISTRICT 3250**

As of August 31, 2024, District 3250 is #1 in the World in the EREY category, leading in both the number of donors and in percentage! This remarkable achievement highlights the generosity and dedication of our members.

*Congratulations*

To all the Rotarians of District 3250!  
Your unwavering support truly showcases "The Magic of Rotary."

Your contributions have made a significant impact, and we extend our deepest thanks to each and every one of you for helping make our district #1 globally.

Let's maintain this incredible momentum and continue making a difference together!

Rotary Awards & Rewards for Environment (in Dist 3250 - FY 2024-25)

NEW AREA OF FOCUS: SUPPORTING THE ENVIRONMENT

HOW TO PROTECT OUR ONLY ONE ENVIRONMENT

As we know that Environment is the 7th area of focus of Rotary International, Environment has the power to impact all other 6 areas of focus and is a vital component to humanity's well-being and sustainable living change. We have eleven numbers of green themes to start with conserving our environment on a sustainable manner.

**Green Themes**

01. Host a World Environment Day event
02. Adopt a river
03. Organize a clean-up
04. Monitor and improve air quality
05. Monitor and improve water quality
06. Plant trees and restore forests
07. Connect with nature
08. Help a community garden
09. Build a community garden
10. Stop plastic pollution
11. Reduce our ecological

**This Rotary Year 2024-25 the District Goals for Awards & Rewards for Environment are given below:**

- Plantation:**
  1. Urban and Community Reafforestation : Tree Plantation - 500 nos.
  2. Minimize Rural tree plantation: 10,000
- Rejuvenate Water bodies (Urban & Rural)**
- Construction of new ponds in villages.**
- Restricting use of single use plastic - Awareness drives and alternate material promotion.**
- Create community Garden/Therapeutic Garden/Pollinator Garden**
- Organize awareness rallies, seminars, poster competition etc. in schools, colleges and public places about environment and its importance.**
- Installation of Rainwater Harvesting system in schools, villages, and individual houses to investigate problem of water.**
