

President's Desk

Dear Respected Rotarians,

As we step into September, we embrace one of Rotary's key areas of service: Basic Education and Literacy. This month, we dedicate ourselves to enhancing our commitment to empowering communities through education. Education is a cornerstone in shaping a brighter future for everyone, and I encourage each of you to actively participate in our literacy and education initiatives. By supporting local schools, advocating for equal access to education, and contributing to adult literacy programs, we can make a meaningful impact.

Reflecting on our recent achievements, August was a month filled with impactful activities that demonstrated our commitment to education, health, and community support. We organized a 'Design Thinking Training' session at Moodumarnadu School, fostering innovative problem-solving skills among students. We also supported basic education by 'donating uniforms' to children at an Anganwadi center and provided essential learning resources by donating computers to Aliyooru Government High School and Urdu Government School, along with a water purifier and furniture to enhance the learning environment.

Our community support continued with a 'Free Health Check-Up Camp' for police and fire service staff, in Association with Jain Medical Center, Moodbidri highlighting our dedication to community welfare and health.

In addition to our educational and health initiatives, we celebrated the

contributions of individuals in our community through several felicitations, including honoring a respected Gandhian and retired teacher, Sri Karpe Narayana Nayak, and acknowledging achievements in various fields such as karate, literature, and Chartered Accountancy.

As we move forward into Basic Education and Literacy Month, let's build on the momentum from our recent activities. Your dedication and passion continue to drive our success. I am excited to see how our collective efforts will further contribute to education and create lasting positive change.

With heartfelt appreciation,

Rtn. Poornachandra Jain
President

Committing to Education and Literacy in September

September marks a significant period for us as Rotarians—it's Basic Education and Literacy Month. This time provides us an invaluable opportunity to reflect on the transformative power of education and our role in fostering an environment where everyone has access to learning. Our objective this month is to strengthen the capacity of communities to support basic education, reduce gender disparities in education, and promote lifelong learning through increased literacy efforts.

Under the visionary leadership of our President, Rtn. Poornachandra Jain, we have already laid strong foundations with impactful projects that reflect our club's commitment to education and literacy. As we move through this month, let's focus on developing more robust partnerships with local schools and educational institutions, exploring innovative ways to enhance learning opportunities for children and adults alike, and encouraging greater community involvement in our educational programs

.Let us carry the spirit of September forward, honoring our commitment to education and literacy, and creating lasting change that resonates through generations.
