Dear All,

Diwali is celebration which brings family together and we hope you all have had a wonderful diwali. Our Diwali Celebration on 25th October'24 was quite enjoyable.

October'24 there were spheres of activities with strike rate of activity almost every day

The biggest focus was District 3132 focus activity Diabetes Camps. Diabetes can increase the risk of many health problems including Hearth, Kidney, Vision etc. Hence District 3132 has set target of 100000 screenings and announced NavratriNiramay challenge to maximize Diabetes tests and increase public image of Rotary. We have accepted this challenge and held 14 camps including camps at Rupabhawani Temple, Danka Mahotsav, GhongadeWasti and Pathri. We have done 2850 screenings during the period which might be one of highest in District during the period.

Thalassemia our main focus we have done awareness camp at Walchand College. Good news is that Rotary Redcross Thalassemia center Laboratory is now fully operational and we have generated reports of screening camps conducted at Shivdarecollege and Walchand college and reports handed over to respective colleges. We would be doing counselling session for anemia students on 22/11/2024 as per screening done at center.

Every year all the Rotary Clubs give Nation Builders Award. This year as per idea mooted by Literacy Chair Rtn. Shalini Singhal, we have arranged Teacher Training and Nation Builders Award. The function consisted by lectures by eminent speakers Dr. Jayant Joshi, BARC Mumbai and Dr. Sudha Kankaria, Save Girl Child campaign. The event was huge success with participation of more than 180 teachers from 35 schools. We thank management of DHB Soni College for their cooperation for conduct of this activity. The event was testimonial to team work of dedicated Rotarians who volunteered for this activity.

We have done RYLA for Girl safety at S. R. Chandak School and SVCS School and Dr. Sudha Kankaria, Rotary Club of Ahmednagar was speaker for both activities. She was guest for weekly meeting as well and she delivered oath to all members of club for girl child safety and also resolution passed in club meeting for same.

This month our club has done active participation in Rotary COPS Pariwar activities of Eye check up/Cataract camp and Jaipur Foot Camp. We have ensured healthy registration of beneficiaries in both the activities. Our club Rotarians also rendered their

services as volunteers for both the activities. The weekly meetings of the club continues to record healthy attendance & that is quite encouraging. Looking ahead in November host of activities are planned. November month would be designated for The Rotary Foundation (TRF) activities.

As I am writing this, what an exciting news we have had. DGN Jayesh Patel through his generous donation of \$25000 through CSR for Digital Classrooms has become Major Donor Level 3 crossing all time giving of \$50000. Congratulations to DGN Jayesh Patel and your act will be source of inspiration for all. This will give big boost to our TRF efforts for this year.

I urge all members of the club also to donate to TRF. We need to achieve target of 100% giving club wherein every Rotarian needs to donate \$26.5 to TRF. Also \$100 donation every year to TRF would give recognition as Rotary Foundation sustaining member and \$1000 donation would make you eligible for prestigious pin of Paul Harris Fellow (PHF).

With your cooperation we hope to achieve all time highest TRF this year. To continue the good work going ahead, I urge all members to continue to participate in club activities in good numbers. Looking forward to work with you closely, I am signing off for this month

Rtn. CA Sunil Maheshwari

ACTIVITIES @ A GLANCE FOR OCTOBER 2024

Secretary
Rtn. Brijkumar Goydani

Editorial

November is Rotary Foundation Month – Here's why!

Each year, Rotary International highlights November as Rotary Foundation Month to emphasize the importance of and need for Rotarian support of The Rotary Foundation.

Contributions from Rotarians around the world go to the Foundation's Annual Programs Fund, which provides grants and awards through Foundation programs; and the Permanent Fund, an endowment from which only the earnings are spent in support of Foundation programs, ensuring the long term viability of the Foundation.

Every dollar contributed by Rotarians funds humanitarian and educational programs and program operations. Clubs and districts apply for and receive Foundation grants to carry out worthy projects worldwide..

If Rotary is to be there to teach children to read, build wells, feed the hungry, care for the sick, shelter the poor; then Every Rotarian is invited and encouraged to support the Annual Fund with a personal contribution, Every Year.

How can u make a gift in support of the Rotary Foundation?

To make your gift: one time, regular/sustaining (recurring gift at the timing of your choice), to the program area of your choice – You can contact our Club President or the TRF Director Or visit www.rotary.org and click on The Rotary Foundation for additional information on ways to give, as well as to learn more about how our gifts make a difference around the world. Let's meet the yearly challenge to get 100% participation in the annual fund this year and set the standard for every year to follow !

I sum up with words of RID Anirudha Roychoudhary RI Director “ Let's strengthen our commitment and be the driving force behind the goals. Every dollar makes a difference and together, we will continue planting the seeds of hope for generations to come.”

Congratulations

DGN Jayesh Patel on becoming a Major Donor (Level 3) by donating 25000\$ to TRF. His total contributions to TRF amounts to 50000\$

Rtn. Parag Kulkarni on securing the 2nd position in LIC, Pune Division by collecting a premium of 4:03 crores as on date.

Rtn. Vaishali Survase on being conferred with the Miss Maharashtra Award by Maharashtra News, a prominent TV Channel.

Ann. Sonal Jhaveri and Ann. Rimple Dedhia on being honored with the 'Naari Samman Puraskar 2024' by Daily Divya Marathi.
