President Message

Dear fellow Rotarians,

Happy Diwali to you all. Here we present the fourth bulletin of RY 2025-26. The first quarter of this year is done and we see that our club is executing many projects with unity and enthusiasm. Each member is stepping up to create a real difference in our community together. We are not just serving, we are being innovative, inspiring and impacting and we also enjoy the bond of friendship!! Our club has shown incredible resilience, unity, and commitment to the values that define Rotary – service above self, fellowship, diversity, integrity, and leadership.

Many service projects in September made us proud – Literacy projects, Women Empowerment projects, health related (diseases prevention) projects, project focusing youth service and also cultural and fellowship events kept us busy in September. As we reflect upon the past month, I am filled with immense joy and appreciation towards our team.

Mega Health Check-up Camp – where close to 900 beneficiaries got health services,

Rotaract Conclave – Rise, Revive, Reignite which was the first ever mega gathering of Rotarians and Rotaractors in District 3132!!

Mega Letter Writing Competition – where 1600 young minds from 7 different schools enjoyed the traditional yet obsolete art of letter writing.

Mega Dental Check-up Camp – 1650 students got dental check-up.

Dandiya Fellowship Event – a delightful evening filled with vibrant music, colourful attires, and the infectious energy of dancing of 500+ people...all for a noble cause!!

Save Girl Child – स्त्री जन्माचे स्वागत - सशक्त आई, निरोगी मुलगी, देशाच्या प्रगतीची खरी गुरुकिल्ली welcomed 75 girls to this world and their mothers with gifts and a hope for better tomorrow!!

Skill Development work – Spoken English Classes – where 36 ladies took free classes of English speaking and expressed themselves confidently.

The list goes on....

Our club truly demonstrated exceptional collaboration, passion for doing something for the society, and a true Rotary Spirit! Thank you for raising the bar and demonstrating excellence.

Looking Forward to October – Let us continue this spirit and take new challenges. We have a lot to do. I am sure, with your help and support we can achieve it all. Let us continue to learn, to build, and to uplift each other and make this world a better place. Let us Unite for Good!!

Rotary International resolved to eradicate Polio from the world in 1985. It was a momentous decision as until then only the small pox had been eradicated. By 1988, WHO, UNICEF, and CDC endorsed Rotary's decision and formed a partnership.

Polio was then affecting over 3.5 lakh children a year and was considered a dreaded disease affecting mainly children. Rotary convinced governments of world over to undertake massive immunization campaigns. India started National Immunization Days in 1995. The enormous efforts put in by government staff, Rotarians, and partner organisations resulted in eradication of polio from India in 2011.

Rotary has contributed \$2.9 billion (more than 20000 crores rupees) in this program. It's the biggest contribution by a service organisation. Bill Gates Foundation has donated Rs. 9000 crores rupees to Rotary for Polio eradication.

Wild Polio virus has been eradicated from almost the entire world except Pakistan and Afghanistan. Both the countries are taking efforts but difficult terrain and violence make it difficult to reach every child in their border area.

World is not safe until Polio is eradicated from the world. India is at risk of importation of the Polio virus, hence, we must all continue to vigorously vaccinate all children.

Rotarians have a crucial role on National Immunization Days and in routine immunization. Rotarians should continue to donate funds for Polio as every dollar given by them is matched by 2 dollars by Gates Foundation. Rotary's world image is synonymous with Polio. Let us complete the task and make the world Polio free!

Dear Rotarians,
Welcome to our fourth Bulletin of Rotary Year 2025-26!
September flew by, filled with dynamic club activities. I'm pleased to highlight the impactful literacy projects we carried out during the month. Quality education opens doors, breaks cycles of poverty, and empowers generations. And I am glad that through our club's dedicated

efforts for Basic education and literacy, we have touched many little hearts!!

As we turn the page to October, our focus now shifts to one of Rotary's key areas-Community Economic Development. With purposeful initiatives ahead, we're committed to empowering minds and building a brighter, more educated future. Let's keep the spirit of service alive in all our activities....
