Dear All,

November month was dedicated to TRF and what great development for the club in that month. DGN Jayesh Patel through his P. P. Patel Foundation announced CSR Grant of \$25000 routed through The Rotary Foundation for Digital Classroom to be provided to schools in every Rotary Club of District 3132.

Through this grant DGN Jayesh Patel has become Major Donor Level 3 crossing all time giving of \$50000 highest by any Rotarian of our club.

The CSR Grant work has started and we have approached all the 98 clubs in the District to recommend school for Digital Class room. The grant is unique in the way that it is not restricted for the Rotary Club of Solapur but it will benefit all the clubs in District. Already tremendous goodwill has generated from this CSR activity and selfless approach of DGN Jayesh Patel as well as Rotary club of Solapur is being widely appreciated across district. We hope to complete grant formalities in this month of Dec'24 and start installation of Digital Classroom.

November month also marks our Club Charter Day "11th November'1936". Our club has turned 88 years old and what glorious years these have been. We celebrated Club Charter day at Hotel Chitra Executive and it was nice little celebration with cake cutting.

Our Thalassemia project is moving forward towards its desired objectives. We had conducted screening at College of Pharmacy, Shivdare College and Walchand Institute of Technology. Based on screening results we have identified and done counselling of Anemic students at our Rotary Red Cross Thalassemia center on 22/11/2024 as also carried out next advance test to detect any Thalassemia trait in them. We have conducted blood donation camp at Nath Regency where 26 units of blood were collected. We distributed 2 Tricycles Shops in

association with Rotary Club of Poona Downtown.

The weekly meetings of the club continues to record healthy attendance. Ironically in this month of November'24 all the 3 speakers of weekly meeting were members of our club. Such a rich pool of talent our club possesses. Rtn Kaushik Shah delivered lecture on topic Goodbye to Pain through acupressure and also administered therapy to patients through live demonstration. DGN Jayesh Patel shared his experience on Joy of Giving and motivated all members to contribute to TRF. PP Rtn Kishor Chandak is a prominent Collector of Stamps, Coins. He shared history behind various coins in an interesting manner.

This month elections to Maharashtra Legislative Assembly were held and we launched a campaign to create awareness for voting. Before voting we circulated flyer with appeal to vote and be a responsible citizen. The flyer was customized with member photo and they kept the same as their DP. Also we circulated a template to our members to flash their photo after voting on social media. We received encouraging response for our initiative.

This month we have had 2 big fellowship event both hosted by DGN Jayesh Patel. On 10th November he hosted "Joyfest" for PDG's, District officers, President/Secretaries both present and past at Gujrati Mitra Mandal. 400 Rotarians across RID 3132 attended this Joyfest. On 29th November he hosted monthly fellowship dinner at Hotel Saaga. It was an enjoyable night with lot of games, campfire and musical entertainment.

Our strong contingent attended the TRF and International Service Seminar at Beed on 17/11/2024 and our club was felicitated for TRF Contributions this year. I urge all members to contribute to TRF. Already a charity event is in planning and I request all members to wholeheartedly support that event. The details will be shared shortly.

To continue the good work going ahead, I urge all members to continue their participation in club activities in good numbers.

Looking forward to work with you closely, I am signing off for this month.

ACTIVITIES @ A GLANCE FOR Nov. 2024

Secretary
Rtn. Brijkumar Goydani

08th Nov. Good Bye to Pain Rtn Kaushik Shah

10th Nov. Blood Donation Nath Regency

Principal of S. R. Chandak
High School and appointed
as CEO

Editorial

Dear Rtns.,

We all know how nice it feels to receive gifts. Most of us have eventually reached an age when giving becomes just as thrilling as is receiving. I realize that the most beautiful thing in the world is to make someone happy. The joy of giving is more powerful than we could have possibly ever imagined. What makes it so powerful? When we give, what we get in return is gratitude. Being a reason for someone's smile is worth much more than money or anything material. This is not just a theory. There is scientific evidence to support the fact that giving is a way to personal growth and lasting happiness. It is as good for the giver as it is for those who receive. It gives the giver a purpose. When you have a purpose-driven life, you feel happy. When you focus on giving to others you are less likely to worry about your own problems. You see a different perspective by stepping out of your own world and venturing into the world of other people. I remember the saying, "I walked and complained that I had no shoes, till, I came across a man, who had no feet". Your worries and challenges may not seem as significant when compared to other people's problems. So give freely. Give to organizations which are transparent and use your money for the right cause. I am proud that our Rotary Club of Solapur is one of them. 100% of the funds collected for charity go directly to the beneficiaries. Fellow Rotarians, enjoy the joy of giving! By giving just a little of your time, money and love you could make the world a happier place!!

Participate and enjoy Rotary !!!
