Dear All,

December month of Rotary is dedicated to Disease Prevention & Treatment month. This is one of 7 focus areas of Rotary. Our club has been doing exemplary work in this avenue this year. The biggest initiative being of Thalassemia awareness through our Rotary Redcross Thalassemia Center (RRTC) Global Grant project. We have done Thalassemia awareness in around 10 educational institutes and created awareness amongst 3000 students. Also we have done screening test of 600+ students and identified 5 Thalassemia Minor patients. This is big achievement towards disease prevention. We have also arranged visit of Pediatrician society members to our RRTC.

Also during the year we have undertaken many activities including blood sugar screening to prevent diabetes, anemia tests of girl students, series of health check up camp for workers of unorganized sector as preventive measures. We have arranged lecture on Menstrual hygiene by Ann Dr. Minal Chidgupkar. Also in past we had arranged lecture on Cervical cancer and HPV Vaccination for benefit of girl students and women.

The 1st day of December is also observed as National Aids Day and our club has done host of activities during the period. We have participated in Rally for awareness of Aids and also contributed for felicitation of NGO doing commendable work for Aids. We have participated in health check up camps conducted during the week.

December month is also the month wherein the club gets to know its future leadership. I congratulate Rtn Sandeep Jhaveri for being nominated as Vice President and President Elect for year 2025-26. I also congratulate other members nominated as board members for year 2025-26 under leadership of Rtn Dhanashri Kelkar. I Congratulate Nomination Committee Chairperson Rtn Bharat Iyengar for smooth conduct of Election process.

December month is also month in which many educational institute have their Annual Parents and Sports day. In line with same we have conducted District Table Tennis Tournament. This is oldest running tournament since 1967 and kudos to our club for conducting since so long period. We have conducted District Yoga Competition wherein 10000+ students participated and award ceremony was held on 29th Dec'24. Also in pipeline are District Swimming competition on 26th January'25 and Interschool Quiz Competition scheduled in 2 phases on 02nd Feb and 09th Feb'25. There are very attractive

Rtn. CA Sunil Maheshwari

prizes for schools in quiz competition and we are excited to host such competition having qualitative change in students and ensuring good public image for Rotary.

Another project of importance for students and their parents alike was the Anokhe Exhibition arranged by our club of PP Rtn Kishor Chandak's collection of his coins, stamps, autographs. This was well attended by citizens of Solapur.

The CSR Grant work execution work has started. Already we conducted training of volunteers of our club as well as Rotary COPS Pariwar on 01st Dec'24. These volunteers will now move to entire district for installation E Learning kit and it would be busy schedule for club volunteers. The weekly meetings of the club continues to record healthy attendance. Dr. Sarita Kothadiya enlightened about importance of Spiritual life, while PP Rtn CA Rajgopal Miniya stressed importance of preparation of will. Another important opportunity we had was interaction with PDG Dr Ulhas Kolhatkar and he gave guru mantras for membership retention and growth. He also released our December'24 edition of Rainbow.

The monthly fellowship dinner on 29th December marked the 1st taste of Hurda this season. Thanks to lovely hospitality of Rtn Nilesh and Ann Sarita, members enjoyed this dinner and Hurda feast. It was an enjoyable night with lot of games and musical entertainment. To continue the good work going ahead, I urge all members to continue their participation in club activities in good numbers.

Looking forward to work with you closely, I am signing off for this month.
