MAY - JUN ISSUE

ROTARY CLUB OF CHENNAI CAPITAL

THE ONLY WAY
TO MAKE SENSE OUT OF

Change

IS TO PLUNGE INTO IT,
MOVE WITH IT AND JOIN THE DANCE

Fellow Rotarians and Anns,

The time has come for me to pass the baton to our incoming secretary, Rtn. Manoj Bhaiya and heavenly a sigh of relief.

First and foremost, I want to express my heartfelt gratitude to all the Rotarians and Anns of Chennai Capital for the support and encouragement you have given me throughout my tenure over the past year as your secretary. It has been an honor to serve RC Chennai Capital, the standout Rotary Club.

Over the past year, we have accomplished much together. From organizing impactful service projects, vocational awards, Global Grant projects, socials, fellowships, overnights, and much more. Your participation has helped strengthen our bonds with each other. Each of you has played a vital role in our successes. Our collective efforts have touched countless lives, and I am proud of what we have achieved together. I have learned many things over the past year, which will help me sharpen my skills and master the art of delegation.

I would like to take this opportunity to acknowledge and thank my dear friend and our President, Rtn. Satya Rao, for his inspiring leadership, unwavering dedication, and the always available ATM balance for our projects (still a mystery where you organized that from..) Your guidance and the bonds and bridges you have built with various Rotarians, Anns, and other Rotary Clubs in the district have been instrumental in our accomplishments this year. It has been my privilege to work alongside you. At least now you can share your ATM secret.

I also want to thank Rtn. Shriram Duvvuri, Rtn. Dr. Kishore Reddy, Rtn. Sriram M and Ann Dhvani for their support during the Governor's visit. You guys made it smooth and look super easy.

To the board members and committee chairs, thank you for your hard work and commitment. Your collaboration and shared vision have been the driving force behind our initiatives. It was truly a pleasure and honor working alongside each and every one of you.

As I hand over the responsibilities to Rtn. Manoj Bhaiya, I do so with confidence and excitement. Rtn. Manoj brings with him many fresh ideas with a clear focus on execution. I am certain that under his stewardship, our club will continue to thrive and make a positive impact. I wish you all the best. If you ever feel overwhelmed remember the magic mantra... *'Take a deep breath, keep calm and delegate.'*

President Rtn. Hemant and Secretary Rtn. Manoj, I offer you my full support as you embark on this new journey. You have my utmost confidence, and I am eager to see the great things happen to our club and the communities we impact as you unleash the power of your magic wand. In closing, I want to reiterate my gratitude to each one of you. It has been an incredible honor to serve as your secretary. I will surely cherish the memories, the friendships and yes the mountains of paperwork, data collection and reporting.... Thank you.
