## NOTE FROM DISTRICT GOVERNOR

Dear Rotarians of Rotary Club of Thane Premium,  
Greetings and Rotary Namaskar!

It fills me with great pride and happiness to connect with you through this edition of your Club Magazine — a vibrant showcase of your club's dedication, energy, and excellence in service. My heartfelt congratulations to Editors Team, for launching this meaningful initiative. Your efforts in presenting your club's journey through thoughtful design and powerful content are truly appreciated.

As we step into the milestone TiTEN Year — celebrating 10 impactful years of District 3142 — we are guided by the powerful call of our Rotary International President: "Unite for Good." Together, let us raise the bar and create a legacy of service and leadership.

This Rotary year, I urge each club to focus on these vital goals:

**100% TRF Giving:** Let us make District 3142 a 100% TRF Giving District by 30<sup>th</sup> October 2025. Every Rotarian, every contribution, makes a difference.

**Membership Growth:** Invite your friends, family, and professional circles to be part of Rotary. More hands, more hearts, more help.

**Impactful Projects:** Think big and plan bold. Design initiatives that truly uplift lives and communities.

**Use of Grants:** Apply for District and Global Grants — our team is here to assist you in every stage of planning and execution.

**CSR Collaborations:** Reach out to corporates and partners — together, we can scale up our projects and deepen our impact.

**Thrust Area Commitment:** Make sure to complete at least 4 projects from the 10 District Thrust Areas — targeting key areas where change is most needed.

And remember, Public Image is Public Impact. Plan to showcase Rotary. If you can truly see Rotary, then others will surely see it through you — through your actions, your stories, and your presence in the community. Use the power of PR and PI to highlight your work, celebrate your members, and invite the world to witness what Rotary truly stands for.

You are the leaders of this historic TiTEN year. Let your work speak, let your story inspire, and let your legacy echo for years to come.

Wishing the editorial team continued creative success, and to the Rotary Club of Thane Premium — a year of strength, unity, and service that shines brightly.

With warm regards,

**Rtn. Harsh Makol**

## NOTE FROM PRESIDENT

### A New Beginning

Dear Friends,

As we turn the page to a brand new Rotary year, I look back with immense pride and gratitude for the incredible journey we've shared. The past year was nothing short of inspiring — a tapestry woven with compassion, teamwork, and impactful service.

Our Pediatric Heart Surgery initiative stands as a shining example of Rotary at its best — giving the gift of life and hope to children who now have a chance to chase their dreams. Equally remarkable has been our club's participation in the Ni-Kshay Mitra program, where we stood by TB-affected families, helping them rebuild their strength, dignity, and faith in community care.

Our fellowships have been the soul of our club — moments filled with laughter, learning, and genuine camaraderie that remind us that service is most meaningful when hearts connect. And none of this would have been possible without the tremendous CSR support we received. The trust and generosity of our partners empowered us to expand our impact and dream bigger for the future.

As we embark on this new Rotary year, let's carry forward this momentum — blending service with innovation, compassion with action, and friendship with purpose. Together, let's continue to heal hearts, uplift lives, and strengthen the fabric of our Rotary family.

*Here's to new beginnings, renewed commitments, and a year of even greater impact.*

With warm regards,  
**Rtn. Sonali Gandre**

## FROM THE EDITORS DESK

### A Month of Impact: RCTP's July 2025 Highlights

Dear Readers,

July 2025 was a month of significant activity and profound impact for the Rotary Club of Thane Premium (RCTP). From fostering fellowship and leadership within its ranks to making tangible differences in the community, the club demonstrated its unwavering commitment to service.

The month kicked off with a comprehensive Premium Orientation Program, seamlessly integrating new Rotarians into the club's vibrant culture and foundational principles. This was swiftly followed by the elegant Installation Ceremony of President Sonali Gandre and her Board of Directors, a well-attended event that not only celebrated new leadership but also showcased the club's ambitious plans for the "Titen year."

Internal operations were robust, with the first Club Assembly effectively outlining the year's vision and budget, and a focused Board Meeting addressing critical preparations and projects. Culturally, the "Speaker Meeting - Temple Architecture of Pandharpur" offered an enriching dive into local heritage, further enhanced by the musical talents of Rtn. Pallavi Sule.

However, it was in its community service initiatives that RCTP truly shone. The club's dedication to health was evident through a successful Thalassemia Testing camp, generously sponsored by Rtn. Dr. Supriya Kasat, and the vital COLS Training Workshop, expertly led by Dr. Lucky Kasat and Dr. Supriya. Environmental stewardship was a recurring theme, with impactful Tree Plantation Drives at both Presidency School (under Principal Rtn. Manpreet Kaur) and GSS School, fostering environmental responsibility among students.
