## District Event Participation

- **July 27th:** Five club members registered and attended the 'Rain Marathon' at Bambolin, Goa, organized by RC of Porvorin.

## Summary

July 2025 was a busy and productive month for the Rotary Club of Shirol MIDC. We participated in community health initiatives, honored educators, celebrated a member's birthday with a green initiative, and successfully installed new members, including women for the first time. Our club also actively engaged with the district by participating in the Rain Marathon event. The club is looking forward to continuing its service and engagement in the coming months.
