## RI PRESIDENT'S MESSAGE

Two weeks ago, I was in my living room playing with my grandchildren. A few days later, I was on a plane to Calgary, suddenly carrying the responsibility of leading this incredible organization. Life come fast, but so often, it brings us exactly where we're meant to be.

We begin this year with a clear message/; Unite for Good. It is a simple phrase, but a powerful one. Because behind every successful Rotary effort, every act of service, every new member welcomed, every global challenge met-there are two things that matter most: friendship and trust.

This is how we build strong clubs. It's how we create meaningful partnerships and transform global problems into local solutions. It's also how we lead-not through titles or applause, but with humility, humanity, and heart. But let me be honest with you-this kind of leadership is not always easy. We're human and yes, we make mistakes. We sometimes disagree, but in Rotary, we are called to something greater. let us reflect on the full vision of Rotary: Together, we see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves. The last part is essential, because transformation doesn't start with strategy. It starts with character & the way we treat one another. It starts with how we listen, how we support, & how we serve.

This year, I ask you to lead with that spirit. To grow Rotary through relationships. To make your clubs more welcoming, more flexible, more open to new ideas. To think big-but also to think beyond one year. Our term is short, but our impact can be lasting if we plan and act with continuity and vision. Let us remember our key priorities: membership, polio and peace. We are closer than ever to ending polio. We cannot stop now. We must keep the promise we made tot he children of the world. And as for peace-Rotary has been building it for over a century. Every clean water system, every youth exchange, every maternal health project is a step toward peace.

I joined Rotary as a young professional, eager to help but terrified of public speaking. My fellow Rotarians believed in me and encouraged me to take on new roles, and in doing so, Rotary changed my life. It gave me courage and purpose, but above all, it gave me you: my friends, my team, my family around the world.

So now, my friends...take out your dreams tucked away in a drawer, especially those you thought were too big or bold to achieve. Let's bring them into the light. Let's Unite for Good-for our clubs, our communities, and our world. And let's make this a year not only of service, but of joy, of connection, and of love.

**Rtn. Francesco Arezzo**

Rotary International President, 2025-2026

Rtn. Nived Dhandhanian, President 2025-26

Dear Rotarian Friends,

When I first joined Rotary, my club made me feel like I truly belonged. That feeling—of meaning, connection, and belonging—is what defines Rotary for me.

As I take on the role of President, I feel a deep responsibility to make sure every member feels just as connected and essential to our Rotary family. Together, we will build on our shared values and continue Creating a Legacy through meaningful service and strong fellowship.

This year, under the RI theme **“Unite for Good”** we aim to build stronger bonds within our club and with our community.

Our District theme **“Creating a Legacy”** is not just about what we leave behind—it’s about the lives we touch, the values we uphold, and the service we render selflessly.

Before we move forward, I would like to express heartfelt gratitude to Rtn. Omkar Haridas and his team for their dedicated leadership over the past year. Your hard work, vision, and commitment have laid a strong foundation for us to build upon.

Thank you for being part of this incredible journey and for making Rotary a part of your life.
