Volume: 78 June 2024 Issue: 12

Rtn. C. K. Jali President

Rtn.Veena Tirlapur Secretary Rtn. R.K. Gachhinmath Bulletine Editor

From the Editor's desk

Yours in Rotary Rtn. Dr. R.K. Gachhinamath

Warm wishes to all my Rotary Friends,

This is my last Editorial message for the "FORUM" of Rotary year 2023-24. President Rtn. C.K. Jali and his team made wonderful and community assessment projects which made beneficiaries comfortable. Start with Blood donation camp and concluded with nursery project which unique idea of Secretary not only enrich environment it also give donation to TRF. Plenty of health checkup camp, courier guidance programs, Eye Operations, Tree plantation, Many health awareness program, MHM awareness program and many more. The important projects of the year is distributing 75 "Smart Vision Glass" to the blind students with co-operation of Rotary Club Madras and Rotary club Sirsi and induction of E-waste bin.

After long time this year club brought 12 monthly bulletin in time, for this I thanks all the Editorial board and special thanks to Secretary Smt. Veena Tirlapur who tireless worked collecting information, photos and matters to release the magazine in time and colour full design of Bulletin.

Once again I thanks for all Rotarians giving support and information for bulletin. I wish all the best to Rtn. Dr. R. B. Uppin and his team for the Rotary year 2024-25. Confident next year Editorial board will also continue the legacy of releasing bulleting in time.

Thank you Rtn. Dr. R. K. Gachhinamath Editor, RCGB

From the RI President

Gordon McInally

President, Rotary International

It's customary for a Rotary president in the final month in office to recap the past year on this page, and I am proud of all we have achieved together. But I want to focus on our future, and that begins with polio.

We have reached an astonishing 3 billion children with the polio vaccine, and we have averted an estimated 20 million cases of paralysis. But it's not enough. We must continue supporting the End Polio Now campaign to reach zero cases and keep our promise to the world's children.

Polio is not our only global commitment. In fact, Rotary has been working toward global peace even longer. Spreading Positive Peace through service projects and Rotary Peace Centers around the world is more important than ever.

We must also continue to build peace from within, and that begins with supporting mental health and wellness among our fellow Rotary members and the communities we serve. Rotary has an opportunity to help build a global mental health system that currently does not exist, and I urge all members to consider joining the Rotary Action Group on Mental Health Initiatives to keep up the momentum we began this year.

It's been the honor of a lifetime to serve as your president. You have given Heather and me memories we will cherish forever. I look forward to our continued friendship and our collective commitment to Create Hope in the World.

FROM THE PRESIDENT'S DESK

The month of June is considered Rotary Fellowship Month.

June is designated Rotary Fellowship Month to recognise the importance of international fellowship and goodwill among Rotarians with similar recreational and vocational interests, promote increased participation in fellowships, and create understanding of this program.

The benefits of joining Rotary Fellowships provide us with opportunities to make lasting friendships outside of our own Club, District and Country. As I pass the torch to the Incoming President, Rtn Dr. R. B. Uppin, I have no doubt that our club will continue to thrive and make a positive impact on the lives of community around Gadag.

This experience has been one of the most rewarding of my life, and I am grateful for all the memories and experiences I will take with me. I look forward to seeing all the amazing things that our club will imagine and achieve in the future.

As this is my last month as President of the Rotary Club Gadag Betgeri, I would like to thank the Assistant Governer, Club's board of Directors and our Members for making the last year and incredible journey of friendship both in our Club and District, engaging our communities, and ensuring our Club is very much at the center of Rotary District 3170.

I would like to wish President Elect Rtn Dr. R. B. Uppin and his team a successful and enjoyable term as President, and that he continues to promote our Club in a positive light in our District through the "Magic of Rotary".

Yours in Rotary.

Rtn. Chandramouli K. Jali President.

FROM THE SECRETARY'S DESK

How do 365 days go by so fast? This last year has been one for the memory books. As my term as Club Secretary of the Rotary Club Gadag Betgeri is coming to an end, I want to express my heartfelt appreciation for the privilege to serve over the past year. We Rotarians are a group that keeps on giving and always finds a way to help our community. To help celebrate our 78th Anniversary, we raised fund to so many projects in our tenure ship. Our Assistant Governor also took part in our projects. Another highlight to the year was being able to sponsor a Rotaract Club at KLE's JT BBA and BCA College. Considering what has happened during the last couple of months, many things have changed. Yes, we are moving ahead as best as we can! The dream of making change in the society has been little bit accomplished.

This year, the Rotary theme has been "HOPE." I am inspired by how our club has embraced this call to action. We have imagined a better future for children in our community, and we have taken concrete steps to make that future a reality. I am grateful to our Board of Directors, who have worked tirelessly behind the scenes to ensure that our club runs efficiently.

I also want to express my appreciation to each and every one of our members for your unwavering dedication and passion to fulfill our mission of Service Above Self. Your unique perspectives, skills, and contributions have made our club stronger and more effective. Whether it was through organizing events, volunteering your time, donating money or advocating for our causes, each effort has played a crucial role in our collective success.

Without the support and contributions of our donors, our efforts would not have been possible. Your generosity has been the fuel that has powered our initiatives. Through your kindness and commitment, we have been able to provide essential resources and fund projects to better the lives of those in need.

There are things for us to look forward to! Our clock is slated to be delivered near the end of June and installed during July. Thank you to all of you! I am thankful for the opportunity to serve you as Club Secretary. You are all awesome and I appreciate each of you! Time goes fast, so enjoy it while you can. In a blink of an eye, life can change.

Blessings my friends,

Yours in Rotary Rtn. Smt Veena Tirlapur Secretary, 2023-24

CLUB PROJECTS: JUNE 2024

MHM Awareness was conducted on 18th June 2024 by the Rotary Club Gadag Betgeri at Government First Grade College, Shirahatti. The objectives off the Projects are: To educate and make aware on menstrual hygiene to adolescent girls in schools; To support girls in learning and practicing good menstrual hygiene management; sensitized and educate the college management on menstrual hygiene management and requirement of girl friendly toilets and sanitary products.Dr. Nagaratna Kalolgi gave an awareness speech with regards to this.

To provide basic dental health education to the school children and motivate dental hygiene maintenance. Oral health plays a vital role in the overall health and wellbeing of the individual. With the objective of helping student's access oral health and hygiene facilities, Rotary Club Gadag Betgeri organized a free dental check-up and awareness camp at Government First Grade College, Shirahatti on 22nd June 2024. Rtn Dr. Pradeep Ugalatad and Rtn Dr. R. B. Uppin were the service providers

Cataract is the leading cause of blindness in the world. Even though vision lost due to cataract can be restored through a simple and minor procedure, it remains as one of the significant causes of preventable blindness. The Cataract and IOL Department at Rotary eye Institute is equipped to treat cataracts. Expert doctors, well trained support staff and state-of-the-art diagnostics ensure the best possible care to patients for Free. Smt Puspalata Badni Sponsored the camp in memory of her husband Late Shri.Mahantappa Basappa Badni. Total 5 patients benefited by the camp.

Free General Health Check-up Camp organized by Rotary Club Gadag Betgeri at Government First Grade College, Shirahatti. The main objective is that the free medical camps are set up with the sacred aim to bring awareness amongst the deprived population of the country who have no access to basic healthcare services or knowledge about the diseases they are suffering from. So, Transparent Hands provide the importance and objectives of the medical camp free medical advice, and medicine to unfortunate people, and refer them for specialized treatment or surgery whenever it is required. These camps make sure people are getting the healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious. Dr. Nagaratna Kalolgi and Rtn Dr. Kamalakshi Angadi were the service providers at the camp.

CLUB PROJECTS: JUNE 2024

The awards are symbols of gratitude and respect given to those who have made a significant contribution. Rotary club Gadag Betageri felicitated Rtn Vishwanath Yelamali for receiving Chief minister's Gold medal for his selfless service towards the Society as Gadag District Home Guard Commandendent. We are proud to say that he is one among the Rotarians.

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system. Today, on 21st June 2024, Rotary Club Gadag Betgeri organized 10th International Yoga Day. It was attended by many Rotarians with great enthusiasm.

RCGB organized an Eye Check-up Camp for underprivileged communities at Rotary Eye Care centre on 28th June 2024 at 5.00pm. The objective of this camp was to spread awareness on eye disorders, early detection of ailments, and to detect refractive errors and provide necessary treatment for free of cost to the underprivileged communities.

Indoor plants bring stunning & vibrant aesthetics along with a wide array of benefits to any space. Elevate your living or office space with a variety of indoor house plants grown and treated with utmost care just for you!. With this benefits Rotary Club Gadag Betgeri inaugurated Nursery Plants for sale with minimum prize. That price amount collected by selling saplings will be give to the Rotary Foundation.

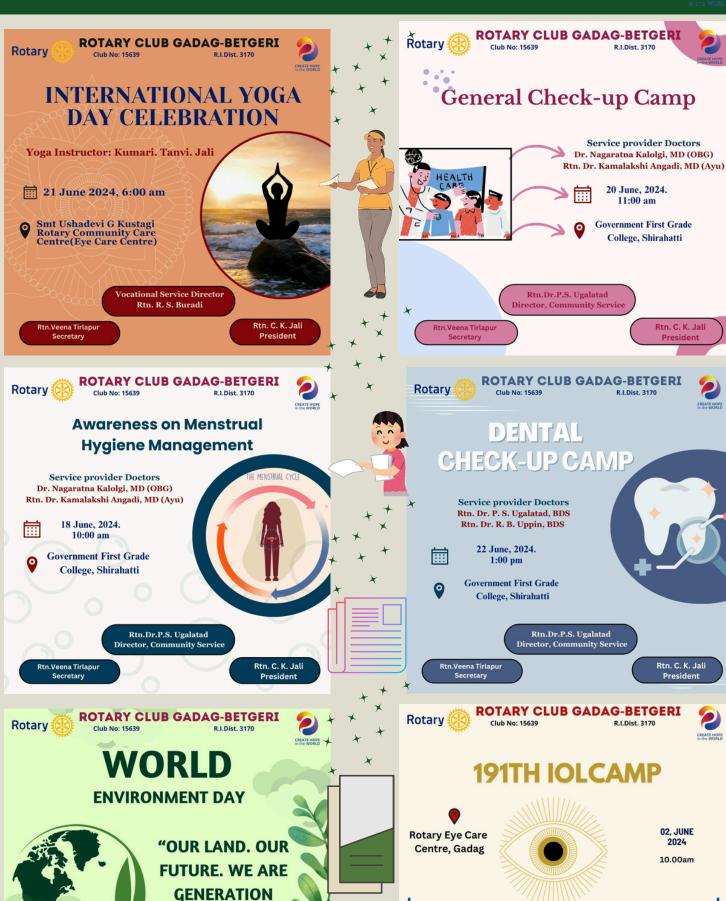

Cataract is the leading cause of blindness in the world. Even though vision lost due to cataract can be restored through a simple and minor procedure, it remains as one of the significant causes of preventable blindness. The Cataract and IOL Department at Rotary eye Institute is equipped to treat cataracts. Expert doctors, well trained support staff and state-of-the-art diagnostics ensure the best possible care to patients for Free. tn Dr. Prakash Kololgi and Smt Shanta Goudar Sponsored for the camp. Total 5 patients benefited by the camp
