12. PDG Rtn. Ravi Sehgal is introduced by PP Rtn. Pradeep Gooptu.
13. Rtn. Ravi Sehgal gives an excellent discourse on 'Peace and Conflict Resolution'. He recalls his relationship with Inner City way back from 1992 and the joint projects his Rotary Club of Belur had done on heart check-up, cancer, etc. He lauded RCC Avyanna as a young and dynamic club. The main points he touches upon are –
 - a) Principle of Rotary is to build acquaintance and spread goodwill and understanding in the world to achieve peace.
 - b) What is peace? Indian culture and ethos is filled with 'Stree Shakti' (which he equates with RCC Avyanna being an all women club), which is the builder of peace. Unless there is peace within self, he/she cannot bring peace outside.
 - c) Destruction of environment is another factor for conflict. For example, rampant use of plastics is choking aqua marine life and creating imbalances, leading to conflict in the world.
 - d) Rotary has 7 universities in the world wherein scholarships are given to Peace Scholars. 100 such scholars graduate each year and take on leadership roles all over the world. This is how rotary is offering peace to the world.
 - e) Yoga is commonly misunderstood as exercises to keep the body fit. However, if we can combine the mind, body and soul and bring them in unison, we will be at peace.
 - f) He ends by mentioning Paul Harris who founded Rotary in 1905 to create true friendship and give back something to the society.
14. Felicitations of PDG Rtn. Ravi Sehgal by Presidents of both the clubs.
15. 15 members are present apart from members of RCC Avyanna and 1 guest speaker.
