Minutes of the 1361 RWM (2)

1. Rtn. Vikram Tantia welcomes all to the club assembly. Based on the reports during the last 9 months, he remarks that commendable and innovative work has been done by the club. His observations are:
 - i) Inner City is a 49 members club with 3 members added and 3 more likely to be inducted soon. Therefore, there will be a growth of about 10% which is appreciable.
 - j) Main area of concern is contribution to the Foundation. Till now, no contribution has been made to the Polio Plus Fund and only USD 500 has been contributed to the Annual Fund from this club. He requests all members to contribute in the last quarter to the tune of at least USD 5000 collectively.
 - k) Polio has become a major concern this year with 99 cases reported in the 2 neighboring countries. As Rotarians, we have to see that every club does something on Polio eradication and contributes USD 500-1000 towards the Polio Fund.
 - l) About 35-40% members of Inner City are still unregistered in My Rotary website. Efforts should be made to register all members.
 - m) As per OCV Report submitted, the club has done 35 service projects and 5 vocational projects. He suggests that focus areas should be chosen and 3/5 projects highlighted like project on Sex Workers, Transgenders which is unique in district 3291. He also advises that such projects may be sent for coverage in the Rotary News.
 - n) EIRWTF can be used for undertaking projects in the next 3 months.
 - o) Encourages joint meetings and joint projects with other clubs and collaboration with bigger clubs for Global Grant projects.
 - p) Congratulates the President, Secretary and all members for great projects and great reporting.
1. Rtn. Raj Kumar Agarwal says that most of points have been covered by the AG and he has nothing further to add. However, he suggests that Inner City should become a full PHF club and requests contribution to the TRF.
2. 18 members, 2 guests are present.
3. The sunshine collection is Rs. 700.
4. The meeting ends with greetings to Rotary Club of Calcutta and Rotary Club of Calcutta Chowringhee and thanks to all members present.
