I am indeed privileged to be the Editor of 'TUSKER'; the magazine of our illustrious club. The year commenced on a constructive note at our "Installation Ceremony". Elite invitees were awestruck at the venue arrangements, flow of the program and attention to details. Fellowship that followed showcased the finesse of our club. In short – 'It was Ceremonial in every aspect'. Truly, President Sanjay has precocious attention to details. Kudos to him and his team for the excellent presentation. It has been no less than a 'Song' all along – till date.

The much needed momentum after the installation was set in place; with all the Directors planning regular activities – under efficient stewardship of Secretary Shabana; duly reflected in the pictures printed herein. Role of Treasurer Balachander has been scrupulous.

It is redeeming to observe that the 'Prime Mover' President Sanjay is well prepared, follows up 'Programs, Preparations Vs Progress', involves members and gets the job done to uphold the Aims and Objects of Rotary.

In summary, TRUTH of the matter is that membership in Rotary is a 'God Given Opportunity'. It is only FAIR that each member involves, build GOODWILL between the members, families and in society and convert the opportunity of FRIENDSHIP to be BENEFICIAL to the society; in any or all possible ways and means. This is – in short – the 4 WAY TEST.

It would do well for every member to realize the essence of Rotary and enjoy the membership and render '**SERVICE THROUGH FELLOWSHIP**'.

GOD BLESS.

Rotary's Four Way Test

1. Is it the TRUTH ?
2. Is it FAIR to ALL concerned ?
3. Will it build GOODWILL and better friendships ?
4. Will it be BENEFICIAL to ALL concerned ?

We don't need a
title to lead. We just
need to care.
People would rather
follow a leader with
a heart than a
leader with a title.
