# **President Speaks ...**

## **Dear Club Members !**

**As we enter the beautiful month of September, I'm filled with immense gratitude for the dedication and compassion that defines our Rotary Club of Bombay Mahakali Heights.**

**September marks a time of renewed energy and commitment to our shared mission. We've already accomplished so much, but there is still much work to be done. This month, we're poised to take our service efforts to new heights.**

**Our ongoing projects, from empowering local youth through education initiatives to supporting vital community health programs, reflect the essence of Rotary's service above self. Together, we are making a lasting impact on our community.**

**As we move forward, let's remember that each act of service, no matter how small, contributes to our collective vision of a better world. I invite you all to actively engage in our September activities, share your ideas, and let your passion for service shine through. I look forward to inspiring moments we will create together this month.**

**Yours in Rotary Service**

**Pinky Rajgarhiya**

**RCBMH President**
