சேவைவசக்கரம்

RTN M.G. RAJARAM., IAS

FOUNDER

ROTARY CLUB OF HOSUR

VOLUME 1

2024-25

43 YEARS OF TRANSFORMATIONAL SERVICE

Introduction:

Since its founding in Jan'1983, the Rotary Club of Hosur which is a 100% PHF club now, has been a cornerstone of positive change, enriching the lives of people in the region with its unwavering commitment to service. Over the past 43 years, the club has not only grown in strength but also in the scale and impact of its community efforts. Guided by the Rotary International motto, "Service Above Self," the club has continually addressed the evolving needs of the community through key projects in healthcare, education and civic infrastructure.

A Visionary Beginning:

The journey of the Rotary Club of Hosur began when a group of visionary individuals recognized the need for an organized force for good in the rapidly growing industrial town of Hosur. Diversified classification of member is the main strength of our club. Spearheaded by Shri MG Rajaram, IAS, also the Charter President, the club was officially chartered on 19.01.1983 under the banner of Rotary International. It is a multi-linguistic club wherein majority of members speak multi local languages viz., Tamil, Telugu, Kannada, Malayalam, Hindi etc. In its initial years, the club focused on small yet impact initiatives, from health camps to educational support, laying a strong foundation for future growth.

Club not only had a distinction of having highest contribution to TRF but also had a proud member Rtn Perumal GPT who paid entire USD 25000 in one lot to become the first Endowment Donor from the club, first in the Zone and first in the District. Further, club has produced one DG, Rtn Major Donor S Raghavan for the RY 2023-24.

Signature Projects: Defining Our Legacy:

One of the defining aspects of the Rotary Club of Hosur has been its long-standing signature projects, many of which have become pillars of community support and care.

Eye Camp – 35 Years of Restoring Vision:

A hallmark of the club's service, the annual Eye Camp has been serving the underprivileged for nearly four decades. Thousands of people have benefited from free eye screenings, cataract surgeries and corrective treatments. This initiative has restored vision to many, empowering them to lead more fulfilling lives. The Eye Camp has become synonymous with the club's dedication to healthcare access.

Crematorium Maintenance:

Recognizing the importance of maintaining a dignified resting place for the departed, the club took on the responsibility of overseeing the local crematorium's upkeep. This project, which has been in place for several years, ensures that the facility remains clean, functional, and respectful for families during times of grief. Our club played a significant role during the Covid period. Hundreds of bodies were cremated free of cost as a part of our commitment to society.

Healthcare and Global Grants: Broadening the Impact

The Rotary Club of Hosur in association with its sibling clubs has successfully executed many Global and District Grants projects which are highlighted in the below paragraphs. Rotary International's Global Grants to spearhead life-changing healthcare projects in the community, demonstrating the club's commitment to creating lasting impact. Participation in internationally funded projects that brought advanced medical equipment and resources to local hospitals.

Dialysis Unit at the Government Hospital, Hosur:

In partnership with global Rotary Clubs, the club established a Dialysis Unit at Hosur's Government Hospital, a critical facility for patients suffering from chronic kidney diseases. The unit provides essential dialysis services to those in need, free of cost, greatly improving access to life-saving treatments for economically disadvantaged individuals.

Neonatal Care Unit:

The club's Neonatal Care Unit at the Government Hospital, Denkanikottai is another milestone, focusing on reducing infant mortality by providing state-of-the-art medical equipment and care for newborns. This unit has become vital to ensuring that newborns receive the highest level of care during their critical early days.

Blood Bank Upgradation:

Through the blood bank upgradation project which is in pipeline, the club has determined to enhance the local blood bank's capacity, ensuring that lifesaving blood supplies are readily available to meet emergency and routine medical needs. This initiative definitely will save countless lives, reinforcing the club's commitment to healthcare advancement.

A Journey of Growth: Milestones Over the Decades

The Rotary Club of Hosur's journey over the past four decades has been marked by significant milestones and an ever-expanding vision for community service.

Decade of Growth: 1980s–1990s

By the late 1980s, the club had gained momentum, attracting like-minded individuals who believed in Rotary's motto, "Service Above Self." Membership grew steadily and with it, the scale of community service projects. During this period, the club launched several significant initiatives, including community healthcare camps, literacy drives in rural areas and installation of drinking water facilities etc. This era also saw the club's increased participation in regional and national Rotary initiatives, marking its presence beyond Hosur.

Expanding Horizons: 1990s–2010s:

In its second and third decades as the new millennium dawned, the club shifted focus to education and environmental sustainability. Key initiatives included literacy drives, infrastructure support for schools, and tree plantation campaigns. These projects addressed the growing needs of the community and solidified the club's reputation for versatility and proactive service.

The club became deeply involved in Rotary International's polio eradication campaign, organizing vaccination drives in remote areas. Members actively collaborated with government bodies and NGOs to ensure maximum outreach. Our extensive coverage in inaccessible tribal areas like Anchetti, Betamughilalam and Urigam areas were well appreciated by the National Polio committee.

As a part of Environment conservation, plantation drives, awareness campaigns on water conservation and clean-up projects became a regular feature. Proud to say that Rotary club of Hosur used to host GSE (Group Study Exchange) members.

Recent Achievements: 2010–2023

The past decade has been a period of consolidation and sustained impact. The Rotary Club of Hosur embarked on ambitious projects that addressed the evolving needs of the community, such as Health care , Crematorium maintenance etc.

With numerous awards and recognitions to its credit, the Rotary Club of Hosur has emerged as a key player in the Rotary District 2982, proudly representing the spirit of Rotary in regional, national, and global forums.

Leading Through Crisis: COVID-19 Response

The unprecedented challenge of the COVID-19 pandemic tested the resilience of communities worldwide. The Rotary Club of Hosur was quick to respond, mobilizing resources to provide essential relief. The club distributed food to vulnerable families, provided 400 cots with beds to Government Hospitals and facilitated medical supplies during the peak of the crisis. These efforts highlighted the club's ability to adapt and lead in times of crisis.

Leadership and Fellowship: The Heart of the Club

The Rotary Club of Hosur's legacy is defined not only by its projects but also by the Rotarians who have dedicated their time, energy and expertise. Strong leadership has been a constant driving force, with past presidents and members contributing invaluable ideas, resources and passion to ensure the success of every initiative. Fellowship among members has always been at the core of the club, creating a network of like-minded individuals united by a common goal: to serve the community.

Looking to the Future: A Vision for Tomorrow

As the Rotary Club of Hosur approaches its 50th year, it remains focused on new challenges and it opportunities. Plans to expand digital literacy programs, deepen environmental initiatives, and further enhance healthcare infrastructure are already taking shape.

Rotary Club of Hosur understands that Interactors and Rotractors are the back bone of the club and are adding value to Rotary's guiding principles. Aim to add more such clubs in the future. With a solid foundation of service, fellowship, and leadership, the club is poised to continue making a significant difference in the lives of many.

Conclusion:

The Rotary Club of Hosur's 43-year journey is one of service, growth and transformation. From the early days of small-scale projects to becoming a force of change through global collaborations, the club's legacy continues to inspire. Looking ahead, the Rotary Club of Hosur stands ready to embrace the future, guided by the values of Rotary and a commitment to making the world a better place.

The Rotary Club of Hosur's story is one of resilience, growth, and unwavering commitment to service. As the club moves forward, its legacy of impact and fellowship will continue to be a source of inspiration for generations to come.

The next generation of Rotarians are ready to take on the mantle, ensuring that the club's tradition of service, fellowship and community.
