**Marching with Shakti: Celebrating a Month of
Women's Power, Strength & Resilience:**

A message from Club President & Bulletin Editor

My Dear Club Members & Readers!

October arrives with the fierce and loving embrace of Devi Shakti—the divine feminine energy that fuels strength, wisdom, and transformation. As Navratri lights up our spirits, we are reminded of the unstoppable power of collaboration, inclusivity, and community.

Rtn Sohini Dam

This month, we celebrate fellowship and teamwork—whether through festive gatherings, joint projects that spark innovation, or inclusive initiatives that empower autistic youth and other underrepresented voices. Together, we're weaving a vibrant tapestry of ideas, cultures, and stories—just like a grand Durga Puja pandal, where every hand plays a part in the magic.

So, let's channel that Devi energy—bold, nurturing, and fearless—as we uplift one another and create meaningful impact. Wishing you a month of joy, connection, and unstoppable Shakti!
