Dear fellow Rotary leaders:

As we begin a new year of service, let us not forget the importance of every one of Rotary's members.

We need your leadership now more than ever if we are to make every club and district an irresistible experience. Rotary has a chance to capture the world's attention and realize possibilities beyond our expectations. But we must build on the work that has come before us if we are to reach our goals, such as defeating polio and unlocking the power of girls and women.

Rotary offers people of action a chance to connect and find belonging, and this fellowship gives us the potential to improve our communities and the world. By following Rotary's Action Plan and helping make sure all members feel a sense of belonging in their club, you have a special opportunity to inspire members to new heights of service.

Our ability to create lasting change begins with our family of Rotary. Together, it is within our power to bring healing in a divided world.

Join me in making Rotary a source of strength for those who need it most, within and beyond our membership. Let this be the year we harness *The Magic of Rotary*, and let Rotary be known as an organization that takes care of its members as well as the people we serve.

It is within your power to help make Rotary a beacon of goodwill and fellowship in every community.

Remember that your work can and will change the world with The Magic of Rotary.

Warm regards,

Stephanie A. Urchick

DG MESSAGE RTN DINESH MEHTA

District Governor Dinesh Mehta's Message

Dear Rtn Ajay Tale President and members of the Rotary Club of Ambernath North

Greetings to all of you!!!

As we embark on another remarkable and Awesome Rotary Year, we prepare to welcome new leadership and embrace fresh opportunities to serve. Rotary's strength

lies in its ability to adapt, evolve and inspire through the commitment of its members.

July 1st, 2024 marks the advent of a new Rotary year - the Awesome Year.

It was legendary American President Abraham Lincoln who said "If you give me six hours to chop down a tree, I will spend the first four hours sharpening the axe "This is what Rotary Learning Facilitates for all of us. It prepares us for the Leadership role we are about to take on in the new Rotary Year.

Let's begin the year with renewed energy and dedication. We now have goals and plans in place and it is now time to execute them to perfection.

Friends, Only if there is Magic in Rotary, will you find it awesome to be a Rotarian and only though Awesome service will there be Magic in Rotary. I urge you, therefore to develop an Awesome Mindset for yourself to create the Magic in Rotary.

The District has designed an awesome 31 Ready Made Projects, which every Club is free to chose from

DG MESSAGE CONTINUE

These are

- 1. The Eight MEGA Projects
- 2. The First Lady led COLS CPR Project
- 3. TB MUKT RID 3142, An initiative of GOI
- 4. The unique 12 Amrit Mahotsav Challenges
- 5. The Mega Mental Health, unique, initiative
- 6. The Eight JDS led Events
- 7. The Annapurna Project that commences 1st July 2024

In addition, in our drive to create Magic in Rotary, we should strive to ensure that every Rotarian donates at least \$ 75 to the Rotary Foundation and enthuses at least one new member to ask to be invited to join Rotary

The Key is not the Will to Win, ... everybody has that. To be a Winner, you must Plan to win, prepare to win and expect to win and to remember that Success is not final, Failure is not fatal but it is the courage to continue that counts.

I truly believe that nothing of major significance is achieved by doing small acts of kindness. It is though impactful projects that make a substantial and visible difference to the life of the community that Rotary will truly gain respect.

As President, learn to embrace the journey, trust the process and believe in your abilities. Dream Big, work hard and surround yourself with good people.

Always remember that the only impossible journey is the one you never began and that what you do has far greater impact than what you say

Jyoti joins me in wishing you and the members of the Rotary Club of Ambernath North a truly

AWESOME Year.
Yours truly
Dinesh Mehta
Dist Governor, RID 3142
