## Classification talk by PAG Rtn Sumith S Rao

**Sept 7 :** The 154<sup>th</sup> meeting of RC Mangalore City was held at Hotel Utsav on Wednesday, the 27<sup>th</sup> August of 2022. The August month is observed as Membership and New Club development month. Apart from membership development and external expansion by establishing new Rotary clubs there are several other matters that are focussed in this month. One such matter is Classification talk by a member. We have requested our senior member Rtn Sumith Rao to give a classification talk wherein the member will give a talk about his vocation. In Rotary a member is admitted to the club based on Classification principle which describes the distinct and recognised business or professional service which the member renders to society. His classification is Air conditioning and Refrigeration distribution.

The meeting called to order after Sergeant at arms Rtn Srinath adorned the presidential collar on President. After the invocation by Rtn Srikanth Nayak President Rtn Basavakumar welcomed the members of the City family to this meeting.

Club Secretary Rtn Prashanth Rai informed about the past week activities of the club. President Rtn Basavakumar requested the members to participate in the Zonal indoor event organised by RC Mangalore Hillside at Father Muller's Indoor Games complex.

Rtn Sumith Rao served as Assistant Governor in the year 2019-20. Presently he is serving the club as

Director, International Service. His spouse Rtn Vidya Rao is also a member of this club. He is blessed with two children Son Vignesh Rao who is assisting his father in his business and a daughter Gauthami who has completed her MBA graduation from TAPMI and working in a reputed company. His classification is Air conditioning and refrigeration distribution.

He gave an excellent description about his vocation often mixing it with his personal experiences that led to this vocation. He remembered his father who played a significant role in his life as well as in his vocation. The members liked his classification talk. A good interaction followed his talk.

Quiz on Rotary information was conducted. Rtn Saritha D'Souza won the quiz. Rtn Srimath Kasal was picked as the lucky Rotarian. The meeting adjourned for Singing of National Anthem after the vote of thanks by Rtn Dr Shyamkishore.

Classification talk by PAG Rtn Sumith Rao

## The Rotary Quiz- 155

## By Pres Rtn Dr Ranjan R K

Please send your answers to 94498 37154 by 7.30 pm
