

ELEGANT NEWSPAPER

RCME 'S TALENTS ECHOING THE SPIRIT OF INDIA'S TRAILBLAZERS.

Our club Secretary, Deepa Rupani shows the same discipline and determination that took Bachendri Pal to the top of Everest. Both women turn challenges into milestones with sheer willpower.

Our club Treasurer, Swapnil Tayal's precise, disciplined handling of our finances reflects the same steady leadership Nirmala Sitharaman brings to India's economy. Both stand for clarity, control, and smart financial decisions.

Manjari Thanawala's ethical leadership and business acumen echo the same determination seen in Kiran Mazumdar-Shaw's rise. Both turned vision into success with courage and clarity.

Mala Kabra's sincerity, talent and philanthropic spirit beautifully mirror the grace and dedication of Rajashree Birla. Both women stand out as disciplined, hard-working pillars of compassion and quiet strength.

Had an insightful interaction at the event organized by the Rotary Club of Mumbai Elegant in Collaboration with BJP Mumbai President Shri Ameet Satam in conversation with today's Gen Z youth. 🎯

It was truly inspiring to engage with the young and passionate minds of our city and to listen to their thoughts, aspirations, and vision for India's future. The youth also shared their perspectives and vision for addressing Mumbai's key issues, from infrastructure and environment to education and civic responsibility.

The enthusiasm and clarity with which this generation speaks about leadership, innovation, and social responsibility instill immense confidence in the strength and potential of our nation's youth. 🇮🇳

Grateful to dear member Manjari Thanawala for bringing this golden opportunity to the club and youth director Nitika to help coordinate with the kids and Shri Satamji's team for curating such a wonderful platform for meaningful dialogue and exchange of ideas.

Let's continue to empower our youth- the real changemakers of tomorrow! 💛

From the moment members walked in, it was clear that every detail had been thoughtfully planned. The personalised sit-down lunch was a standout—each seating placement was curated with intention, ensuring that everyone connected with someone new. This thoughtful arrangement brought fresh conversations, new friendships, and a warm sense of community to the table.

SERVICE PROJECT – KANYADAAN

27th November 2025

The bliss, happiness, and deep satisfaction we felt upon completing the *Kanyadaan Project* was truly surreal. Seeing the young couples with the shine of a new beginning—and knowing that our contribution helped them start their journey—filled our hearts with immense joy.

This project reached success thanks to the incredible effort of Rani Wankawala who secured a generous donation of ₹10,00,000/- from All Cargo's Avashya Foundation. This support enabled us to conduct the marriages of *48 tribal couples*, covering the marriage from the venue, mandap, and food for 4,000 guests, to complete ground preparations. The Kanyadaan items included essential settling necessities—clothes, mangalsutra, payal, bichudi, rings, steel utensils, Tupperware, mixer, fan, and many more.

A heartfelt thank you to Sarika Sureka for connecting us with the organization that helped conduct the marriages, and for her unwavering support and contribution, and the packing.

Manjari Thanawala for assisting with packing and donating the bathroom set
