The Chairman  
Rotary Bangalore Prime  
Bangalore, Karnataka

Dear Sir,

Subject: Appreciation for Methi Chapathi Sponsorship for Village Clinic Patients

I hope this letter finds you in good health and in high spirits. On behalf of our entire team at the village clinic, I would like to extend my heartfelt congratulations to you on being appointed as the Chairman of Rotary Bangalore Prime. Your new role brings with it the opportunity to lead and inspire, and we are confident that you will excel in this position.

I am very pleased to say that our village clinic has been receiving 1900 methi chapatis every Sunday, sponsored by Rotary Bangalore Prime. I would like to express our deepest gratitude for this generous contribution. The chapatis have been delivered punctually each week, without fail, and the quality of the food has always been exceptional.

The patients visiting our clinic, many of whom endure long queues and sometimes wait overnight for their turn for treatment, have greatly benefited from the nutritious meals you provide. Your support has not only nourished their bodies but has also lifted their spirits. The patients are grateful for the kind of care they have been receiving.

We sincerely appreciate the unwavering support and the positive impact Rotary Bangalore Prime has made in our community. Your commitment to helping those in need is truly commendable, and we are incredibly grateful for your continued assistance.

We hope that this support will continue in the future as it has been invaluable to the well-being of our patients. Thank you once again for your generosity and dedication.

Warm regards,
