Rotary

DID YOU KNOW?

There is a Rotary meeting being held someplace in the world every hour of every day. If you attended one meeting per day, it would take nearly 80 years to visit all of the more than 46,000 Rotary clubs in the world, and by that time, no doubt, there would be thousands more new clubs to attend

In Rotary there are
no strangers, only
friends we haven't
met yet!

Presidential Message

Rtn. Trilok Bhatt
President, 2025-26

Dear Rotarians and Friends,

December has been a truly impactful and heart-warming month for our club, marked by a wide range of health, awareness, and humanitarian projects. From Ayurvedic and Physiotherapy medical camps to Project HUMF, Project Ashmita, and the Blood Donation Camp, each initiative reflected our commitment to community well-being and inclusive service. Our joint efforts with the Rotaract Club of Amreli Gir further strengthened youth engagement and multiplied our reach.

Along with service, December was enriched by joyful club meetings, fellowship gatherings, and moments of togetherness, reinforcing the spirit that binds us as a Rotary family. These interactions energize us and inspire greater participation in our service journey.

As we move forward, our focus now turns to upcoming events and flagship initiatives, especially the much-anticipated Club OCV, where we aim to showcase our vision, teamwork, and service excellence. I encourage every member to actively participate, contribute ideas, and support the organizing team to make it a memorable and impactful event.

Together, let us continue to serve with compassion, unity, and purpose—Unite for Good, always.

Dear Members,

December was a month full of energy, service, and togetherness. With impactful health projects, strong collaboration with Rotaract, and cheerful club meetings, the Rotary spirit was truly alive throughout the month. Each activity reflected our collective enthusiasm and commitment to meaningful service.

Looking ahead, we are excited about our upcoming events and fund-raising initiatives, including Dhamal Gali, Tambola/Housie for Cervical Cancer Vaccination, and Shiv Shabad. These projects not only aim to create impact but also bring our members and community closer together. I request all members to participate wholeheartedly and support the organizing teams to make these initiatives successful.

Together, with enthusiasm and unity, let us continue to serve and celebrate Rotary.

(1912-1930)

During the next few decades, Rotary's presence expands to new lands. The creation of The Rotary Foundation encourages members to think about Rotary's role in serving the needs of communities in the present and in the future.

This comic in the August 1936 issue of The Rotarian recounts the organization's name changes.

1912: Rotary becomes International

Rotary becomes an international organization with the chartering of the Rotary Club of Winnipeg, Manitoba, Canada, in April 1912. To reflect this, the organization changes its name to the International Association of Rotary Clubs. The name Rotary International is adopted in 1922.

1912: Rotary expands to Europe

The chartering of a club in London, U.K. in August puts Rotary in Europe. Although the Rotary Club of Dublin, Ireland, had been organized earlier, it wasn't chartered until May 1913. Rotary's presence spreads to continental Europe with the chartering of a club in Madrid, Spain, in January 1921.

1914: Rotary in Great Britain and Ireland

In May, Rotary clubs in Great Britain and Ireland form the British Association of Rotary Clubs to facilitate connections among the growing number of clubs there. In 1922, the name is changed to Rotary International - Association for Great Britain and Ireland (RIBI) and the relationship with Rotary International further defined.

Members, family, and friends of the Rotary Club of London celebrate just before traveling to the 1922 Rotary Convention in Los Angeles, California, USA.

Rotary International General Secretary Ches Perry (center) and members of the Rotary Club of London celebrate Rotary's anniversary in 1925.

1917: The Rotary Foundation

Rotary president Arch Klumph proposes establishing an endowment “for the purpose of doing good in the world,” which becomes a precursor to The Rotary Foundation. The Rotary Club of Kansas City, Missouri, USA, makes the first donation of \$26.50. In 1928, the Foundation is formally named and a Board of Trustees is created.

1916-17 Rotary president, at the 1917 Convention in Atlanta, Georgia, USA.

1919: Rotary extends to South America

Rotary expands to South America with the chartering of a club in Montevideo, Uruguay, in February 1919. In 1920, a club is chartered in Argentina. Brazil becomes the third country on the continent to have Rotary clubs in 1923.

1919: First International Assembly

Rotary holds its first International Assembly in Chicago, an annual training event for incoming leaders. The practice would continue yearly, building connections between incoming leaders worldwide.

Attendees at the 1920 International Assembly in Chicago.

1919: Rotary arrives in Asia

A Rotary club is chartered in Manila, Philippines, in June 1919, and in Shanghai, China, four months later. The Rotary Club of Calcutta becomes the first club in India in January 1920.

Members of the Rotary Club of Manila, before 1942.

1921: Rotary reaches Oceania and Africa

The Rotary Club of Melbourne becomes the first club chartered in Australia in April. In May, Rotary chartered clubs in Auckland and Wellington, New Zealand. Rotary reaches Africa in July with a club in Johannesburg, South Africa.

A stamp commemorating the 50th anniversary of Rotary in Australia.

1921: Prioritizing peace

Rotarians meet in Edinburgh, Scotland, for the first convention held outside the U.S. They add the advancement of peace and international goodwill to the RI constitution. Prioritizing peace becomes part of the Object of Rotary when the Object is adopted at the 1922 Convention in Los Angeles, California, USA.

This center has been started by the club with the objective of providing hygiene education, basic literacy, and foundational learning to children living in slum areas. At this center, children are trained in developing daily life skills, and they are also provided with a nutritious meal every day. This project has been launched under Rotary's area of focus - *Maternal and Child Health* - and is being run regularly with the support of various donors and SBI-RSETI. Over the past five years, 36 children have been enrolled into schools through this center and have been encouraged to continue their formal education.

Audiology Speech Therapy Center

The advanced Audiology and Speech Therapy Center was established through a Global Grant from The Rotary Foundation (Grant No. GG#2125937). This center is designed to provide diagnosis and treatment for hearing and speech-related difficulties for individuals ranging from newborns to 75 years of age. The project is operated at Shree Bera Munga School in Amreli, and received financial support of ₹28 lakhs from Rotary Club of Emory Druid Hills (USA) and RI District 3060. This initiative falls under Rotary's Disease Prevention and Treatment area of focus, with the vision to help the people of Amreli district become free from deafness in the coming years.

Club's Permanent Projects...

Miyawaki Forests

The club has developed two mini forests within the campus of Bera Munga School. While the traditional plantation method allows for only 80 to 100 trees in a given area, the Miyawaki technique makes it possible to plant over 350 trees in the same space. In both of these Miyawaki forests developed by the club, a variety of medicinal, fruit-bearing, and bird-friendly native trees have been planted. This method allows trees to grow naturally within just 12 to 18 months, creating an environment similar to a small jungle. Established under Rotary's "Supporting the Environment" area of focus, this forest not only sustains the environment but also serves as a source of learning and environmental awareness for students.

Rotary Library at Devaliya

The Club proudly operates a Rotary Library at GKP Village Devaliya – a space dedicated to nurturing learning and curiosity among students, children, and adults of the entire village. This free and open-access library houses a rich collection of over 520 books, covering a wide range of subjects to support academic learning, self-development, and general knowledge. The initiative aims to foster a culture of reading and lifelong learning in rural communities. It has significantly contributed to enhancing the public image of Rotary, showcasing our club's commitment to sustainable and impactful service. Rotary Library is not just a project – it is a quiet revolution in empowering minds and expanding horizons.

Rotary Chabutaro A Tribute Etched in Compassion

On 19th July 2025, Rotary Club of Amreli Gir dedicated a heartfelt memorial project - Rotary Chabutaro - in the memory of our beloved Rotarians Late Rtn. Jaysukh Jogani and Late Rtn. Bhavin Adalja, who left us for their heavenly abode in the past Rotary year.

The Chabutaro has been beautifully constructed in the ground of Deaf & Mute School, Amreli, and was formally handed over by the families of both Rotarians in a humble ceremony attended by club members, school staff, and well-wishers.

This initiative not only pays tribute to the noble souls who served Rotary with devotion but also serves as a symbol of care for nature. The Chabutaro will offer a safe resting and feeding place for birds, reflecting Rotary's deep commitment to environment and sustainable coexistence.

We extend our heartfelt gratitude to all the donors, whose generous contributions made this memorial project a reality. Your kindness is now permanently rooted in the form of the Rotary Chabutaro.

Through this living tribute, the legacy of Rtn. Jaysukh Jogani and Rtn. Bhavin Adalja will continue to inspire generations to come.

ઇ-વેસ્ટ સંગ્રહ અભિયાન - હરિયાળ ભવિષ્ય તરફ એક પગલું

રોટરી ક્લબ ઓફ અમરેલી ગીર અને રોટરેક્ટ ક્લબ ઓફ અમરેલી ગીરના સંયુક્ત આયોજન હેઠળ ઇ-વેસ્ટ સંગ્રહ અભિયાન યોજાયાં

અમરેલી, રોટરી ક્લબ ઓફ અમરેલી ગીર અને રોટરેક્ટ ક્લબ ઓફ અમરેલી ગીરના સંયુક્ત આયોજન હેઠળ ઇ-વેસ્ટ સંગ્રહ અભિયાન યોજાયાં, જે પર્યાવરણ સંરક્ષણ માટેની અમારી સતત પ્રતિબદ્ધતાનો એક ભાગ છે. આ પ્રોજેક્ટ માં અમરેલીની જનતાએ ખુબજ ઉત્સાહ પૂર્વક ભાગ લેવામાં આવ્યો હતો અને લેપટોપ, કમ્પ્યુટર, મોબાઇલ ફોન, ટીવી, એલઈડી સ્ક્રીન, હાર્ડ ડ્રાઇવ, કીબોર્ડ અને વાયર લેવેલ ઇલેક્ટ્રોનિક કચરાનો વિપુલ પ્રમાણમાં સંગ્રહ કરવામાં આવ્યો હતો. આ પ્રોજેક્ટ દ્વારા સંસ્થાએ ૩૦૦ કિલો કરતાં વધુ ઇ-વેસ્ટ એક્ટ્ર કરી રેકોર્ડ અપાવેલ.

આ સંગ્રહિત સામગ્રીનું અધિકૃત ઇ-વેસ્ટ રીસાયકલર મારફતે જવાબદારપૂરે રીસાયકલિંગ કરવામાં આવશે, જેથી સલામત નિકાલ અને વધુમાં વધુ સામગ્રી પુનઃપ્રાપ્તિ શક્ય બને. પર્યાવરણ પર અસર: ૩૦૦ કિલો ઇ-વેસ્ટનું યોગ્ય રીતે રીસાયકલિંગ કરવાથી આશરે ૪૬૦ થી ૬૦૦ કિલો CO₂ ઉત્સર્જન અટકાવવામાં સક્ષમ મળે છે - જે ૨૬ થી ૩૦ વૃક્ષો વાવવાથી સમાન છે! આ પહેલ દ્વારા અમે રોટરી અને રોટરેક્ટની સંયુક્ત દૃષ્ટિ-પુનઃપ્રમાણિત કરી છે - સ્વચ્છ પર્યાવરણ, જવાબદાર ઇલેક્ટ્રોનિક કચરા વ્યવસ્થાપન અને ટકાઉ ભવિષ્ય માટેની પ્રતિબદ્ધતા.
