Editor's Note – March 2026 (10th Issue)

Dear Readers,

The March edition of Gir Naad reflects a vibrant blend of innovation, service, fellowship, and achievement. From the inspiring Techno Rath initiative introducing students to AI and robotics, to impactful service projects like Sparrow House and grocery kit distribution, and anemia awareness, the month showcased Rotary in action.

The joyful celebration of Holi-Dhuleti with family members strengthened bonds, while our club's remarkable performance at the District Sports Event added pride and recognition. Participation in district seminars also highlights our growing leadership strength.

Wishing you an engaging read!

Happy reading and continued inspiration in service!

Rotary **THE FOUR-WAY TEST**
Of the things we think, say or do:

- first** Is it the **TRUTH**?
- second** Is it **FAIR** to all concerned?
- third** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- fourth** Will it be **BENEFICIAL** to all concerned?

Presidential Message

Rtn. Trilok Bhatt
President, 2025-26

Dear Rotarians and Friends,

March has been a month filled with innovation, service, fellowship, and proud achievements for our club. One of the key highlights was the “Techno Rath”, where school students were introduced to AI-based and robotics demonstrations, sparking curiosity and learning for the future.

Our commitment to community service continued through meaningful initiatives like Sparrow House distribution, grocery kit distribution, anemia awareness and support projects, and several other activities aimed at improving lives and spreading care in society.

The celebration of Holi-Dhuleti with our Rotary family was truly special, strengthening bonds and creating joyful memories of togetherness and fellowship.

A moment of immense pride for all of us was our club’s outstanding performance at the District Sports Event. Our cricket team showcased excellent spirit and performance, while our members dominated the Table Tennis tournaments, winning multiple trophies and bringing great recognition to our club. Participation in various district seminars by our upcoming leaders also reflects our strong commitment towards growth and leadership development.

Let us continue this journey with the same enthusiasm, unity, and passion for service.

“Alone we can do so little; together we can do so much.”

(1985-2004)

We establish some of our most ambitious programs and partnerships. Building peace and fighting polio take on increased importance as we look for ways to make a lasting impact.

1985: Rotary launches PolioPlus

PolioPlus supports the commitment Rotary made a few years earlier to "eliminate polio through immunization." Today, that commitment remains a top priority and the PolioPlus program coordinates the efforts of Rotary and its partners.

A volunteer immunizes a child against polio in Bolivia. 1989. The WHO's America region is certified polio-free in 1994.

1987: Women join Rotary

Women join Rotary clubs throughout the U.S. following a decision by the U.S. Supreme Court. In 1989, women join clubs worldwide.

About a year after women join Rotary worldwide, The Rotarian magazine runs a feature story looking at the impact of Rotary's expanded membership.

1988: Peace Forums and advocacy

The Foundation holds its **first Peace Forum** in Evanston, Illinois, USA, as part of a pilot program. The program is later broadened and peace-focused events continue under many names.

The Peace Forum newsletter shared key messages from the events with members around the world.

1988: Partners in the fight against polio

Inspired by Rotary's immunization work in the Philippines and global fundraising success, the World Health Assembly sets a goal of worldwide polio eradication. Rotary is a founding member of the Global Polio Eradication Initiative (GPEI).

Ending polio requires close coordination with our partners. A Rotary member from India meets with members of the WHO India National Polio Surveillance Project at the WHO country office in New Delhi, India, in 2019.

1999: Peace Centers empower leaders

Foundation Trustees approve the creation of the Rotary Centers for International Studies in peace and conflict resolution, now known as Peace Centers. An inaugural class of Rotary Peace Fellows begins studies in 2002.

Rotary Peace Fellows at Makerere University in Kampala, Uganda, in 2022.

2004: Arch Klumph Society recognizes donors

Rotary creates the Arch Klumph Society to recognize individuals, couples, and organizations that have contributed \$250,000 or more to the Foundation. The first annual dinner is held at the 2005 convention in Chicago.

Arch Klumph Society lapel pin

Rotary Club of Amreli Gir at District 3060 Sports Meet 2026

Our enthusiastic members proudly participated in the Rotary District 3060 Sports Event held at Bharuch from 20th to 22nd March 2026. The team truly enjoyed the warm hospitality of the host club and built wonderful fellowship with fellow Rotarians.

Our club teams performed exceptionally well, reaching the ***semi-finals*** in both ***Box Cricket*** and ***Tennis Cricket***

Individual Achievements

- Table Tennis Doubles – ***Winners***: Rtn. Baldevsinh Gohil & Rtn. Sachin Raval
- Table Tennis Singles – ***Winner***: Rtn. Baldevsinh Gohil | ***Runner-up***: Rtn. Sachin Raval
- ♠ Chess – ***Runner-up***: Rtn. Rohit Zinzuvadia
- Badminton (Under 45) – ***Runner-up***: Rtn. Birju Atara
- Cricket – ***Best Bowler***: Rtn. Bimal Pokar

Each participant showcased excellent sportsmanship and represented our club with pride at the district level

We extend our heartfelt thanks and congratulations to all the players for their dedication, energy, and outstanding performance. Your efforts have brought great pride to our club. Keep shining and inspiring!

Project Report – Mega Cervical Cancer Vaccination Drive

Rotary Club of Amreli Gir successfully organized a ****Mega Cervical Cancer Vaccination Drive**** with the objective of spreading awareness and protecting young girls from cervical cancer through timely vaccination. To make this life-saving vaccine accessible to more families, the club arranged the vaccination at a 50% discounted rates.

For this noble cause, the club had earlier organized ****two fundraising events****, and the funds raised through these initiatives were utilized to support and subsidize the vaccination program. Through this collective effort, a total of ****524 girls received their first dose of the Cervical Cancer (HPV) vaccine****, marking a significant step towards preventive healthcare for the community.

The drive was conducted in collaboration with ****Dr. Chirag Kubavat of Naari Hospital, Amreli****, whose medical guidance and support ensured smooth and safe vaccination for all beneficiaries.

This impactful initiative reflects Rotary Club of Amreli Gir's continued commitment towards ****women's health, disease prevention, and community wellbeing****, while also strengthening awareness about the importance of early protection against cervical cancer.

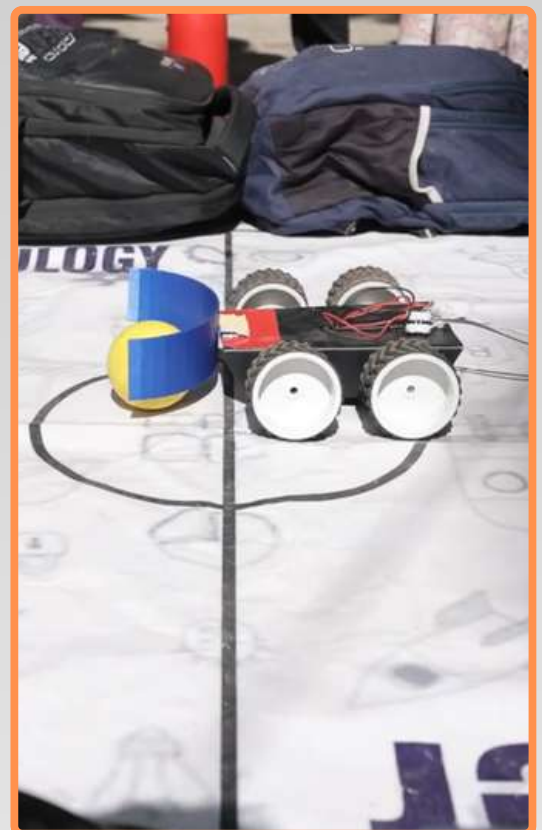

Tecno Rath – AI Based Robotics Awareness Program

The Rotary Club of Amreli Gir, in joint association with Kalam Innovative School, successfully organized the Tecno Rath program at the Deaf and Dumb School, Amreli, with the objective of introducing students to the latest AI-based robotic technologies and inspiring them towards future innovations.

The program showcased advanced robots and modern technological concepts, providing students with a unique learning experience about the role of Artificial Intelligence in shaping the future of India. Special care was taken to ensure effective communication and engagement with the students.

The activity was conducted smoothly with the support of experts, club members, and school staff. Students actively participated with great enthusiasm and curiosity.

This initiative reflects a strong commitment towards inclusive education, innovation, and empowering specially-abled students with knowledge of future technologies.

Celebrating World Sparrow Day

The Rotary Club of Amreli Gir, today distributed Sparrow Houses to 3 Different Schools - Liliya, Rangpur & Ishwariya to mark the celebration of World Sparrow Day and providing environment awareness to our little environment warriors.

Club's Regular Meetings

Our club continues its tradition of fellowship and planning through regular meetings held every Saturday. These gatherings provide a platform for meaningful discussions, project reviews, project planings, family bondings, community assessments, planning celebrations, sharing information on Rotary & District's vision and goals and strengthening bonds among members, keeping the spirit of Rotary alive.

Club's Permanent Projects...

Rotary Bal Vatsalya Kendra

This center has been started by the club with the objective of providing hygiene education, basic literacy, and foundational learning to children living in slum areas. At this center, children are trained in developing daily life skills, and they are also provided with a nutritious meal every day. This project has been launched under Rotary's area of focus - *Maternal and Child Health* - and is being run regularly with the support of various donors and SBI-RSETI. Over the past five years, 36 children have been enrolled into schools through this center and have been encouraged to continue their formal education.

Club's Permanent Projects...

Project Aadhar

Project Aadhar provides essential medical equipment like wheelchairs, walkers, oxygen concentrators, and hospital beds to people in need – on a refundable deposit basis. This project ensures affordable access to care for thousands who can't afford to buy such equipment. It's a permanent service started from the club's inception. Since then this project has served more than 8,000 beneficiaries. The project aims for Rotary's Area of Focus - *Disease Prevention & Treatment*

On 10th of July 2022 - Sunday

Audiology Speech Therapy Center

The advanced Audiology and Speech Therapy Center was established through a Global Grant from The Rotary Foundation (Grant No. GG#2125937). This center is designed to provide diagnosis and treatment for hearing and speech-related difficulties for individuals ranging from newborns to 75 years of age. The project is operated at Shree Bera Munga School in Amreli, and received financial support of ₹28 lakhs from Rotary Club of Emory Druid Hills (USA) and RI District 3060. This initiative falls under Rotary's Disease Prevention and Treatment area of focus, with the vision to help the people of Amreli district become free from deafness in the coming years.

Club's Permanent Projects...

Miyawaki Forests

The club has developed two mini forests within the campus of Bera Munga School. While the traditional plantation method allows for only 80 to 100 trees in a given area, the Miyawaki technique makes it possible to plant over 350 trees in the same space. In both of these Miyawaki forests developed by the club, a variety of medicinal, fruit-bearing, and bird-friendly native trees have been planted. This method allows trees to grow naturally within just 12 to 18 months, creating an environment similar to a small jungle. Established under Rotary's "Supporting the Environment" area of focus, this forest not only sustains the environment but also serves as a source of learning and environmental awareness for students.

Rotary Library at Devaliya

The Club proudly operates a Rotary Library at GKP Village Devaliya – a space dedicated to nurturing learning and curiosity among students, children, and adults of the entire village. This free and open-access library houses a rich collection of over 520 books, covering a wide range of subjects to support academic learning, self-development, and general knowledge. The initiative aims to foster a culture of reading and lifelong learning in rural communities. It has significantly contributed to enhancing the public image of Rotary, showcasing our club's commitment to sustainable and impactful service. Rotary Library is not just a project – it is a quiet revolution in empowering minds and expanding horizons.

Club's Permanent Projects...

Rotary Chabutaro A Tribute Etched in Compassion

On 19th July 2025, Rotary Club of Amreli Gir dedicated a heartfelt memorial project - Rotary Chabutaro - in the memory of our beloved Rotarians Late Rtn. Jaysukh Jogani and Late Rtn. Bhavin Adalja, who left us for their heavenly abode in the past Rotary year.

The Chabutaro has been beautifully constructed in the ground of Deaf & Mute School, Amreli, and was formally handed over by the families of both Rotarians in a humble ceremony attended by club members, school staff, and well-wishers.

This initiative not only pays tribute to the noble souls who served Rotary with devotion but also serves as a symbol of care for nature. The Chabutaro will offer a safe resting and feeding place for birds, reflecting Rotary's deep commitment to environment and sustainable coexistence.

We extend our heartfelt gratitude to all the donors, whose generous contributions made this memorial project a reality. Your kindness is now permanently rooted in the form of the Rotary Chabutaro.

Through this living tribute, the legacy of Rtn. Jaysukh Jogani and Rtn. Bhavin Adalja will continue to inspire generations to come.
