## MAITRI SETU

### PRESIDENT'S MESSAGE

**Dear fellow Rotarians,**

The projects and activities have progressed very well during the first quarter of the year 2019 - 2020, thanks to great ideation and support from you all members!!

We had a very successful and meaningful official visit of our beloved District Governor Anish Shah along with First Lady Swati.

The Governor on his visit inaugurated our Mobile Toy Library at Project 'KILLOL' and the Botanical Garden at Matariya Talav & visited the Zola Library at B.E.S Union High School. The icing on the cake was his sanctioning of our sponsored Interact Club, ' Interact Club Of SVMS Budding Achievers' where he interacted with the proposed office bearers and members of this Interact club.

September being designated as the ' Literacy Month's, we are distributing Dictionaries and Notebooks to various schools.

Under the Project 'HUMF' we are distributing kits to women with new born babies at Bharuch Civil Hospital.

Our MHM project is also running strong with two projects that are planned at Bharuch Sub - Jail and Gangubai Hadkar School

Service above self is a continuous journey where we are trying our level best to contribute to our immediate communities as per their needs.

Our wonderful fellowship and friendship is the most important too! that helps us achieve so much and I am pretty sure we shall together keep on writing this story with lots of satisfaction.

Till the next time,

Yours in Rotary

**Manisha Thakore**

**President**
