Rotary

**Holger
Knaack**
President,
2020-21

Greetings, fellow Rotarians and Rotaractors!

I am so honoured to serve as your president this year. We have important work ahead of us at Rotary, and we are going to have a lot of fun as we do it.

Last year, we launched our five-year to build a stronger future for Rotary. We are working to increase our impact, expand our reach, enhance participant engagement, and increase our ability to adapt. The last several months have shown that we — as Rotarians and Rotaractors — can realize these goals as we forge a new path for the future.

Without question has posed new and previously unimaginable challenges for Rotary. But within every challenge is perhaps an even greater opportunity. And while I could not have known what lay ahead when I selected my theme for the year, Rotary Opens Opportunities has even greater relevance as we begin our new Rotary year.

I am incredibly inspired by how our members have to COVID-19. This global pandemic has made it difficult for many of our clubs to operate as usual, but we persevered, and over the past few months, I've enjoyed connecting with my fellow Rotarians and Rotaractors in a new way: by visiting hundreds of clubs from my home. It's been fun to attend so many meetings virtually. If you haven't already, I encourage your club to try an online meeting or add an online component, like hosting a guest speaker from a Rotary or Rotaract club located in a different part of the world.

As we build a stronger future for our organization, it's good that we are reaching out to new people and introducing them to Rotary. It's important that our clubs the communities we serve. More diverse voices in our clubs and in our leadership will help Rotary stay in touch with a changing world.

So, let's find every opportunity to show we value each and every member. Let's seize this moment to build on what we've learned, to embrace our new reality, to welcome new faces, and to find additional ways to shine. This is how we will have a continuing impact on the world. And if you need assistance along the way, Rotary offers many that can help you reach your goals.

Rotary means different things in different parts of the world, but we are all united by our core values and by The Four-Way Test. Rotary may change, but our values remain constant.

I look forward to hearing about how you're finding new opportunities to engage and make an impact in your club and community. Rotary Opens Opportunities, both for the people we serve and for ourselves.

Thank you.

MESSAGE FROM PRESIDENT RTN. HASSAN MAYET

Respected District Governor Rtn Prashant Jani, First Lady Rtn, Hita Jani, IPP Rtn Swetal Desai and All My Dear Family Members of Rotary Club of Chikhli River Front,

NEVER, did I imagine becoming the President of Rotary Club of Chikhli River Front during a world-wide pandemic that isolated us in our homes, put us in masks whenever we did venture out and kept our children out of school since mid-March. It caused so much financial stress in our community and the world, along with the mental anguish of not being able to shake hands, hug, kiss or be socially close to our family and friends.

But here I am, President of this Club preparing to take over leadership during these unusual and difficult times in the history of present generations.

As Rotarians we look at these changes and challenges as a time of opportunity! It is a time for all of us to open ourselves up to learning new skills and doing projects in new ways. How disconnected our club would have become without the web-based video conferencing tool, Zoom, that allows us to meet on-line together, safely in the convenience of our home as we continue our work as the "People of Action" in our community and around the world.

"Change the way you look at things and the things you look at change!" Let's embrace the new technology this century has to offer. Let's try new ways of doing things. Let's move our club forward into the world that our children and grand-children just take for granted. This is the world of our future members, the ones full of new ideas, spirit and energy. We need them on our Rotary Club of Chikhli River Front Team because we want to continue the service and amazing work that we have been known for over the past 30 years in our community and across our globe. I am so proud to be a Rotarian!

Here it would be injustice on my part if I don't name the past President Rtn. Swetal Desai, Secretary Rtn. Parth Desai and Team Members, for it was because of them, that I was able to attend many of the events and help with projects. I came to appreciate Rotary and the values it upholds, the dedication to service of its members through the projects that were successfully undertaken both locally and internationally, and the diversity and integrity of the people who belong to this world-wide organization and our club which has done tremendous works like Manav Jyot, Aksharyaan, Donated Dialysis Machine, Organising Eye and General Medical Camps, Cancer Detection Camps, Donating School Benches and Laboratory Equipment to Schools Distributing Sweaters and Raincoats to School Children Distributing Food Kits, Sanitisers, Masks etc to Covid-19 Affected and Planting Trees. We shall still continue to do as much work as we can with same dedication and compassion.

And so, I feel honoured and humbled to become the President of the Rotary Club of Chikhli River Front for 2020-21 and with the help and support of this year's Executives, Board Members, and all of the Club Members, I know we will be able to work together to meet the challenges and take advantage of the opportunities of this coming year.

In fact, that is Rotary International's theme for this year, "Rotary Opens Opportunities." Yes, I am so proud to be a Rotarian and to be part of this club that has already proven its abilities to reach out, seize an opportunity to work together in collaboration with another organization to offer immediate help to people in need at a rapid pace. This coming year will be no exception! As President, this year, I promise to lead this club, by always being mindful of Rotarian's 4-Way Test.

"Together, see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."

With best wishes to all of you for an Eventful Year ahead.

Thank You Everyone!

God Bless Us All!

JAI HIND!

JAI ROTARY!
