FOUR-WAY TEST

The Four-Way Test was created in 1932 by who later became the President. The test has been translated into more than 100 languages and is followed by Rotarians in their business and professional lives and is used by organizations and individuals throughout the world. The has never ceased to be relevant and is a simple checklist for ethical behavior.

The Four-Way Test

of the Things We Think, Say, and Do.

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Can be used profitably in checking your relations with others. It is suggested that first you memorize the **FOUR-WAY TEST** and then formulate the habit of checking your thoughts, words and deeds with it.

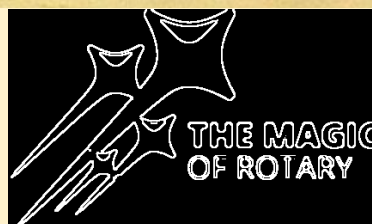

The **FOUR-WAY TEST** is now being used successfully around the world in business, government and schools as an effective measuring stick of ethics. It is a guide to **RIGHT** thinking. If memorized and constantly applied to relations with others, it will make a definite contribution towards more effective and friendlier relationships with others.

Since to a large degree our thoughts determine our actions, character and destiny, you naturally will be interested in using this simple method of directing your thoughts in the right direction.

The experience of others has shown that if you get into the habit of checking your thoughts, words and deeds against the **FOUR-WAY TEST** it will definitely help you become happier and more successful throughout your life.

ROTARY INTERNATIONAL PRESIDENT 2024-25 RTN STEPHANIE URCHICK

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul. Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing *The Magic of Rotary*.

MESSAGE FROM RCCRF PRESIDENT 2023-24 – IPP RTN MEHUL PATEL

ROTARY GREETINGS!

It gives me immense pleasure to inform you that my tenure as a president is over I must admit that myself and my team members had tried our best to make the Rotary Year 2023-24 eventful with service projects we did with dedication and sincerity.

I am pleased to inform you that our OCV was successful and I thank on behalf of all my Club Members to our beloved District Governor, First Lady, Assistant Governor and District Secretary for their support and motivations.

During my tenure, Sanjay Patel Malnourishment to Nourishment Project was launched, in which our club had tied-up with District Women and Child Health Department, Navsari in Public Private Partnership to give nourished food and supplements to the 137 Malnourished Children and malnourished expectant mothers.

Our **Cancer-Detection-on-Wheels** is performing with best results and had organised 117 Cancer Detection Camps where we have checked around 6,700+ persons and and Testing worth around Rs 28 Lacs(2.8 Mn INR) had been performed.

We are thankful to all the Rotary Clubs and NGOs and the individuals who are taking part in organising these Cancer Detection Camps. For more details about CANCER DETECTION CAMPS, please contact Suhel Shah +91-99794 93698.

Our Ambulance service is also a great success with Free Hospital to Hospital transfer of patients which have helped everyone in need in a great way.

Under our Project Kisaan scheme, Free Tractor Services were rendered to marginalised and poor Farmers which has become an instant success thanks to our Project Tractor Chairperson Rtn Nikunjibhai Patel (contact +91-97235 54116). Also our permanent projects of Watering the trees and maintaining them along the state highway of Khergam to Chikhli is being done regularly. Manav Jyot- Wall of Humanity shelves are always seen full because of local population and also due to members filling the shelves up to commemorate Birthdays and Anniversaries. Aksharyaan is another project which is working since past 4 years and have served nearly 2000+ families till date.

Our Women Empowerment Centre at Golwad, Chikhli is working well and have become an instant success with so many girls enrolled for the training of Tailoring and sewing. We have donated 10 new sewing machines in RY 2023-24. We had distributed 60,000+ sanitary pads to the students of Government Schools in the Navsari District.

During the year, -Blanket Distribution and Note-Book Distribution Projects, were done and 4 Smart Board Panels were donated to the schools in Chikhli Taluka.

Overall, we have a good track record of our Permanent Projects which is a part of success in our project services.

I am thankful to all our donors, contributors and team members who have been so helpful to make all our projects successful and my tenure so eventful. During the year, we had done 853 service projects, which itself is a major achievement, due to teamwork.

I wish our new President Rtn Manoj Shah and Secretary Rtn Ravi Patel and the new Team Boudhi, a very eventful and memorable year and extend my full support for all the work the team shall do and be a part of this team which shall reach a new milestone by serving the community with dedication and feelings. I shall always advice the new leadership to launch a new permanent project so that we can have several projects which can be called *on-going projects*.

Proud Moments: When our PP Rtn Hassan Mayet was appointed as Assistant Governor of RID 3060 for the year 2022-23 and our PP Rtn Swetal Desai as District Chair for Mammography and Cancer Camps (2023-24). For the 2024-25, Rtn Hassan Mayet is officiating as a Co-ordinator, Sickle Cell Project. Also Rtn Swetal Desai was conferred with Service above Self Award.

How can I forget my Past Presidents Rtn Swetal Desai, Rtn Hassan Mayet, Rtn Naresh Patel and Rtn Hitesh Patel who have nurtured the RCCRF projects and have played active role in performing the services with success.

During my tenure if I have inflicted any pain then please forgive me as it may be unintentional and I unconditionally apologise for any of my misdeeds.

I again express my gratitudes to my DG and all the Team Saarthi Members for their support and co-operation and with we have achieved a new height and I take opportunity to wish the new Team Boudhi, a very best and a very eventful and memorable year. With best wishes to you all.....

Yours sincerely

MESSAGE FROM PRESIDENT 2024-25 - RTN MANOJ SHAH

RESPECTED ROTARIANS AND FRIENDS

It is indeed a very great honour for me to be standing here in front of you as the 7th President of the Rotary Club of Chikhli River Front.

I would like to start off by reminiscing about our club's services which has become a topic of appreciation from all over. About its incredible achievement, about its various community projects. I would like to congratulate IPP Rtn Hitesh Patel and Team for the milestone achieved by them by completing 1150+ service projects.

We started our permanent service project with Aksharyaan – Free Hearse Service which is service the community since past five years and then we never stopped. We had undertaken other permanent projects like Watering plants and trees, Manav Jyot- Wall of Humanity,

I have learnt so much, thanks to our past presidents, during district conferences and from the visiting delegates from RID 3060 for which I feel proud to be a Rotarian.

My emphasis would be to work hard to launch new projects for our club to serve the community and motivate youngsters to serve the community especially the Multispeciality Hospital Project at Alipore and our new project of Rotary Eye Hospital taking over. Our sincere thanks to the members of Alipore Social Welfare Trust and Rotary Charitable Trust Chikhli.

Our club has been built on a strong leadership foundation, and I am fortunate to have a membership that is fully committed to the Rotary ideal of Service Above Self, and continues to go the extra mile in building the club, and carrying out the many worthwhile projects that we undertake for the benefit of our community. As we increase our presence in the community it will help us in increasing our membership. We will do so in a way that continues to foster the incredible fellowship we have in this club. To increase our presence and increase membership.

I must commend all the charter members especially the Presidents Rtn Swetal Desai, Rtn Hassan Mayet, Rtn Naresh Patel, Rtn Hitesh Patel and IPP Rtn Mehul Patel who had a **vision** of creating a vibrant club that would act and has acted by Rotary's standards of contributing positively to the society, and ultimately '*do good in the world.*' It's a proud day for me, it really is - this is a great Rotary Club and I follow in the footsteps of my Past Presidents who have laid the strong foundation of our lovely club. I intend to do my best and would like to thank IPP Rtn Mehul Patel and those before him for their hard work and the encouragement that they have shown to me - it's appreciated. To be fair, everyone has been encouraging which is perhaps a message in itself – watch out!

I am a Rotarian because I genuinely care about the welfare of people and the community and I see the need and opportunity to make a positive difference. In going down this road, I am fortunate enough to have a strong team of individuals with me. This in my opinion, is one of the main reasons we have a very strong club, a dynamic club and one that has transcended borders to be one of the best in District 3060. Won't you join me in making it even better?

Lastly, I would also like to congratulate each of the new Board members. Our fellow club members have shown their confidence in you and me by electing us to our respective positions, and I look forward to serving with you. I have already seen the energy, enthusiasm, and commitment that you bring to the Board.

"Our compassion and our ability to open our hearts to those in need combined with our commitment to share our time, talent, and treasures with those who are less fortunate is what causes ordinary Rotarians such as ourselves to do the extraordinary things that we do. It's what makes Rotary so magical."

Thank you very much! With best wishes and love
