# MESSAGE FROM THE PRESIDENT & SECRETARY

Greetings to All My Dear Rotarian Friends and Family Members,

It gives us immense pleasure to submit this Bulletin which is to commemorate the last day of the Rotary Year and the beginning of the new Rotary year 2023-24.

A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. Rotarians often find a particular program which becomes a passion. Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves.

We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Today, on 30th June 2023, being our last day as a President and Secretary of this glorious Rotary Club of Chikhli River Front, we would

like to thank each and every member for their moral and personal support during the difficult times we faced throughout the year.

This full co-operation lead to many achievement which only District Governor and Team WOW will judge but their appreciation verbally suggest that we had performed greatly in performance point of view as we did more than 1160+ service projects during the year and as the year ends today, we feel proud to inform you that our dynamic President Elect Rtn Mehul Patel who will take over, has many specialities and prowess to work for the RCCRF even better and with us all supporting him and his vision we shall achieve much better.

Mobile Cancer Detection Unit Service, Free Ambulance Service and Project Kisaan- Free Tractor Project service which commenced during my tenure are the major achievements as they are part of the Permanent Projects and shall be working each day to serve the community.

Two new dialysis machines which had been installed and are serving the community at Alipore Hospital and four more dialysis machines at Junagadh, Plus RCCRF has sponsored a CT Scan Machine at Jay Ambe Hospital, Chaparda, Junagadh. Hence ...the show must go on.

Lastly, our apologies to all of you if we have knowingly or unknowingly have inflicted pain on anyone of you, we with humbleness ask to forgive us and our team members who were in action.

With deepest regards and gratitude to all of you and our generous donors and supporters

And with full co-operation and support to our President 2023-24 Rtn Mehul Patel and Secretary Rtn Nikunj Patel and Team Saarthi. Proud to inform you that we at RCCRF were conferred with 9 awards at AAROH श्री, The District Award Meet, Rajkot.

May Almighty bless us all with many more successes in future and may we all achieve much more goals and the goals which were not even set...let us all reach to a new horizon by working hard for the welfare of the community and mankind. We shall need continued co-operation of all the Rotarians and Clubs to make this Project a very big success and try our best to save lives. Sincere thanks to all of you

Yours sincerely
