MESSAGE FROM THE EDITORS

Rotary Greetings to all of You,

We are pleased to submit this Bumper News Bulletin which will focus about past Two Eventful Months which had made lives so difficult due to the Second Wave of Corona Pandemic.

During the period, after the previous issue which was published on 28 February 2021, it has taken us three months to publish this Bumper Issue. The reason being one month late was due to Corona Scare where we at RCCRF were playing an active role for the betterment and wellness of the community in Chikhli and surrounding areas. During the time we also launched the Fourth Permanent Project of Women Empowerment Centre in Golwad Chikhli for the females in the area who will learn something to earn something which you shall find in the coming pages.

Many members at our Rotary Club of Chikhli River Front are new to Rotary and it is our duty to inform you what Rotary is all about and also what activities the Rotary is doing. Rotary Foundation is involved in most of the countries in the world, doing work for the Mankind and Environment like, Polio Eradication, Disaster Management, District Grants, Health, Hunger and Humanity (3-H) Program, Scholarships, Youth Exchange Programs, Other Educational Programs, Community Programs, Fellowships, Fulfilling the requirements of the Community as per need of the time.

We have tried our best to make this issue readable and enjoyable with information which will give you details of work we do. We have worked on the lines of Rotary's Areas of Focus with dedication.
With Best Wishes to all of you.

PRESIDENT'S MESSAGE

In January 2020, when I announced my presidential theme, Rotary Opens Opportunities, and spoke of the changes that Rotary needed to embrace, none of us had any idea how quickly change would arrive. But I am a longtime believer in seeing challenges as opportunities. This year, we seized new opportunities to reimagine what Rotary could be. For years, we had discussed ways to make Rotary flexible and adaptable, and we had tried a few experiments. This year, we all experimented — and succeeded! Online meetings are a regular fixture now as clubs invite guests from across the globe.

Susanne and I love to meet members of the family of Rotary around the world, and we've missed seeing you in person over the past year. But for me, it was a new way of experiencing Rotary. We travelled the world virtually. I definitely met thousands more of you than I would have otherwise. I never set foot in my office in Evanston as president, yet we found new ways to get the job done while cutting travel costs.

This is the Rotary we experienced in 2020-21: nimble, adaptable, and creative. The next step is not to go back to the way things were before the pandemic. We must move forward. Let's apply what we have learned in order to offer new experiences and opportunities for our members, such as online attendance as a regular option.

We need a younger, more diverse Rotary at every level to keep our clubs strong. What diversity means is different from region to region, but I encourage you to welcome people from all backgrounds. Another step we can all take is to increase the number of women and amplify their role everywhere.

I am glad that many now see Rotary and Rotaract clubs as equals. Let's keep going in this direction by inviting Rotaract clubs to be a part of everything we do. Let's not squander any opportunity to reach young leaders, but partner with Rotaract and invest in our many new approaches.

I am very proud of the work Rotary is doing to fight COVID-19 by supporting vaccination campaigns through advocating for fair distribution and combating misinformation. But we must also continue to do everything we can to end polio. And we now have opportunities to work in a new area of focus: the environment.

The world is a different place today from when I first announced that Rotary Opens Opportunities. We can all be proud of how we updated what Rotary can be this year. Let's continue on this path, always taking care of our clubs and of our friends in those clubs. They are precious, and they keep Rotary alive and thriving.

Susanne and I are thankful for all the opportunities to serve the organization during this special year, a year of finding new meaning in Service Above Self. We see Rotary as a community of people who live their values by putting them into action. In these extraordinary times, there is no doubt that we must place increased emphasis on service. This is our opportunity to show the world what Service Above Self means for Rotarians.

There are so many opportunities waiting for us that will help us change the world. Let's seize them together and get ready to open doors to achieving greater things. And as we open these doors to new ideas, our minds and our hearts also open. Remember that everything we do in Rotary opens another opportunity for someone, somewhere.

MESSAGE FROM THE PRESIDENT

Greetings to All My Dear Rotarian Friends and Family Members,

The Rotary Year 2020-21 has been an eventful year although due to the pandemic it was challenging and very actively participated in the various service projects implemented.

A popular saying, "If you can dream it, you can do it". But first, you must hold the dream and remain focused on what is desired. Rotary provides many Rotarians the means to accomplish their dreams. Rotarians often find a particular program which becomes a passion.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

Be yourself. Dismiss superfluous advice that seeks to change who you are. As a Rotarian, you have your own special skills and talent, education and grasp of important issues. Remain your own person to spread cheer in the world.

Rotary is not just a club that you join; it is an invitation to endless opportunities. We believe in creating opportunities for others and for ourselves. We believe that our acts of service, large and small, generate opportunities for people who need our help, and that Rotary opens opportunities for us to live a richer, more meaningful life, with friends around the world, based on our core values.

We at RCCRF have continued working during the pandemic and have never looked back. In the month of March, we completed more than 105 service projects and in the months of April and May, we completed 63-63 service projects each, in the middle of the deadly pandemic which had made lives difficult.

Now hardly a month remaining of my tenure as a president of this wonderful club, I would like to extend my deepest gratitude to all the members of the Rotary District 3060 and my club members for being so good to me and my team members which will remain down the memory lane for long long time.

During the pandemic, when there were no beds available in the hospitals, RCCRF in association with Alipore Hospital launched a FREE 50-bedded Chikhli Covid Care Centre to ease the patients plights they face whilst getting themselves admitted. In the coming pages, you shall see the details.

We also were able to organise Breast Cancer Detection Camps in the months of March and April with the newly launched iBreastExam Device to detect lump in the breast with Alipore Hospital Team which has been very efficient and dedicated for which we all Rotarians express deepest gratitude and appreciation.

It is with great pleasure to inform you that our Global Grant Project for Mobile Cancer Detection Unit is under Progress and the vehicle chassis is already delivered and the work is being done in New Delhi and we expect the delivery within Three Months and that we shall soon be serving the population with Free Cancer Check-up. Here we thank all the Rotary Clubs and Individuals who have helped us in the Global Grant.

We need to change, and change dramatically, if we are to face the challenges of this new age and provide the Rotary the world so desperately needs.

This is our great challenge, not just in the coming days but into the foreseeable future. It is up to us to remake Rotary for these new times — to wholeheartedly embrace the ideas, energy, and commitment of young people eager to find an outlet for idealism. We must become an organization fully enmeshed in the digital age, not one that simply looks for online ways to keep doing what we have always done.

The world needs Rotary now more than ever. It is up to us to make sure that Rotary Opens Opportunities for generations to come.

We shall need continued co-operation of all the Rotarians and Clubs to make this Project a very big success and try our best to save lives.

KEEP DISTANCE, STAY FIT, STAY HEALTHY!

Yours sincerely
HASSAN ISMAIL MAYET
PRESIDENT 2020-21

AREAS OF FOCUS

We direct our efforts in Seven Areas to enhance our local and global impact. Our most successful and sustainable projects and activities tend to fall within the following areas:

- Basic Education & Literacy
- Mother & Child Health
- Peace & Conflict Prevention /Resolution
- Disease Prevention & Treatment
- Water, Sanitation & Hygiene
- Community & Economic Development
- Support the Environment

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

WE WORK DIFFERENTLY

We see Differently: Our multidisciplinary perspective helps us see challenges in unique ways.

We think differently: We apply leadership and expertise to social issues — and find unique solutions.

We act responsibly: Our passion and perseverance create lasting change.

We make a difference at home and around the world: Our members can be found in your community and across the globe.

GUIDING PRINCIPLES – The 4-Way Test

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand.

The Four-Way Test, Object of Rotary, and the Avenues of Service express our commitment to service, fellowship, diversity, integrity, and leadership.

The Four-Way Test is a nonpartisan and non-sectarian ethical guide for Rotarians to use for their personal and professional relationships. The second tenet of the Four-Way Test, “Is it **fair to all concerned**”, serves as a beacon to Rotarians worldwide.

SOON COMING CANCER DETECTION MOBILE UNIT

Soon to be our reality!

MOBILE CANCER DETECTION UNIT

Due to infinite mercies from the Almighty and your prayers, we have received Global Grant for Mobile Cancer Van (Estimated Project Cost: Rs. 1.30 Crore). This Global Grant from Rotary Foundation is a novel Grant with more than 20 partners involved. Rotary Club of Chikhli River Front and Rotary Club of Gandevi are the Primary Host Clubs. The work for the Cancer Vehicle is in progress and in few months, we shall be getting the delivery of this Mobile Cancer Detection Vehicle.

WITH MOBILE UNIT, MORE PEOPLE CAN BECOME SURVIVORS OF CANCER INSTEAD OF BECOMING VICTIMS.

Early Detection Saves Lives

We, at RC Chikhli River Front plan to develop a unique Mobile Cancer Detection Unit which shall have in-house Multipara-Monitor, Haematology Analyser, Mammogram & X-Ray Equipment and Pap Smear Screening facility available, patients can get examined by a Para-Medical Team where several types of Cancer, namely- Oral, Throat, Breast, Lung, Cervix, and Prostate will be detected. Some types of cancer can be found before the symptoms start appearing, especially Cancers of Head and Neck, Breast and Cervix. Every individual needs to be fully aware of their health status and go for regular check-ups.

Our sincere thanks to all our donors especially Harshadbhai Patel and Family of USA and all the Rotary Clubs for their co-operations and support. Here, we would like to mention Rtn Parimal Naik of RC Gandevi who has been very helpful for the Global Grant process.

PROJECTS

Oxygen Generation Plant

Rotary Club Of Chikhli River Front is thankful to Leuva Patidar Samaj, USA under the leadership of President Nancy Patel and Task Force Team Hitesh Patel and Nayan Patel for donating us Oxygen Plant today. It has been installed at Alipore Hospital and will be useful to the patients soon. We are grateful to LPS Team, Rotary Udhana and NJ Indiainvest for making it possible and our special thanks to RC Udhana for their efforts. Thank you, DG Rtn Prashant Jani for his special visit to the erection site at Alipore Hospital.

DONATION OF VENTILLATORS

Rotary Club Of Chikhli River Front donated 2 Drager Savina Ventilator Machines to Alipore Hospital on urgent basis and has been installed at ICU department. A timely contribution by **Pathway to Progress USA, Hindu Sanatan Center of Panama City, Florida, USA and Chikhli and Valsad LPS Atlanta Group members**. We are thankful to them all and appreciate their kind support during this pandemic to help the people of Chikhli Taluka to get good facility. We pray to God that God blesses all of them with a long life!!!

2 Dura Oxygen Cylinders

Rotary Club Of Chikhli River Front appreciate and thanks **Pathway to Progress, USA and Leva Patidar Samaj, Yorkshire, UK** for their generous contribution for 2 Dura Oxygen Cylinders for the patients suffering due to pandemic at Alipore Hospital. These Dura Liquid Oxygen Cylinders has the capacity to fulfil the requirements of Alipore Hospital patients for 7 to 8 hrs.
